

### **Feedback Activity 1:**

The purpose of this activity is for workers to answer the questions based upon their normal day performing their state job. When spending time in the service of your job, in which category or group do you tend to think of yourself?

#### **When I think of myself – as a state worker – I mostly identify with:**

Check one

- My DLC
- My Department
- My Bargaining Unit
- My current Classification
- My community

Explain why:

#### **When I think about engaging my other coworkers, I think my coworkers mostly identify themselves by:**

Check one

- Their DLC
- Their Department
- Their Bargaining Unit
- Their current Classification
- Their community

Explain why:

#### **When I think of myself, in my role as a Union activist, I think I can engage more people based on theirs and my similar connections with:**

Check one

- Our DLC
- Our Department
- Our Bargaining Unit
- Our current Classification
- Our community

Explain why:
