

LAYOFF UPDATE as of August 3, 2009

We received notification from DPA that all but six departments have mitigated their layoffs through various means including sweeping vacancies. Total positions saved so far are 454. 76 of these positions are from departments that still have existing layoffs and 378 positions from departments that have completely mitigated their layoffs. These mitigations are for the first 5000 required by the Governor. There may be additional layoffs based on the 2000 additional positions the Governor is requiring be laid off.

The six remaining departments with the impacted employees are listed below. The departments below have mitigated 76 positions.

- ***California Department of Corrections and Rehabilitation***
 - 1236 SEIU represented employees in all bargaining units but Unit 21

- ***California Science Center***
 - Six Unit 15 members
 - Mitigated nine Unit 15 members

- ***Developmental Services***
