3.2 Release of Home Addresses: Non Law Enforcement Employees

A. Home Addresses – Generally

1. Consistent with PERB regulations and State law, the State shall continue to provide the Union with home addresses on a monthly basis for all employees covered by this Contract until it expires.

The Union proposes the following rollover language:

6.14 Mini-Arbitration Procedure

The parties agree to continue to participate in a pilot program of an expedited (mini) arbitration process. The pilot program shall continue for the duration of the agreement.

A. The grievances to be referred to this process shall be determined by mutual agreement only. The parties agree that this process shall be reserved for those cases of limited scope and limited impact. The parties agree that a mini arbitration hearing date shall be scheduled at least four (4) times in a fiscal year. The parties agree to meet within forty-five (45) days from the date the legislature ratifies this MOU to select four (4) dates for this mini-arbitration process. The parties may cancel or add additional dates by mutual agreement.

B. Within forty-five (45) days of this Agreement's ratification by the Legislature, the parties shall appoint a standing panel of four (4) arbitrators for the mini-

arbitration process. Each party shall assign two (2) arbitrators to the mini-arbitration panel. The arbitrators shall be listed in alphabetical order by last name and be assigned to hear grievances on a continuous rotation.

C. The arbitration shall be conducted according to the following rules and the arbitrator shall be required to abide by them:

1. The arbitrator shall hear and decide as many grievances as can reasonably be presented in a normal work day. The parties shall schedule the earliest available date provided by the arbitrator that is feasible for both parties.
2. The parties shall attempt to prepare a written stipulation of undisputed facts prior to arbitration. The arbitrator shall only take testimonial and/or documentary evidence relevant to those facts which remain in dispute.
3. The presentation of each grievance shall include an opening statement, the submission of documentary and testimonial evidence, and a closing argument. Each party will designate no

more than one (1) spokesperson to present their case to the arbitrator. In addition, each party shall be limited to two (2) witnesses per case unless by mutual stipulation, in which case, the parties may call additional witnesses.

4. The arbitrator shall make his/her decision solely on the written record in the grievance, the grievance response(s), and any oral or documentary presentation made at the arbitration proceeding. The presentations shall be time limited, consistent with the intent of this provision to hold multiple grievance reviews in a single day. There shall be a stenographic record or transcripts of the hearings.
5. At the conclusion of the hearing, each party shall present an oral summation of its position. Post hearing briefs shall not be submitted.
6. The arbitrator will issue a bench decision on each grievance. The decision of the arbitrator is final and binding, but shall have no precedential value whatsoever.

8.33 Time Off for Victims of Domestic Violence (Notice of Rights Under Labor Code 230.1)

Section 230.1 of the Labor Code specifies that employers with twenty-five (25) or more employees may not discharge, or in any manner discriminate or retaliate against an employee who is a victim of domestic violence, as defined in section 6211 of the Family Code, for taking time off to seek medical attention for injuries caused by domestic violence, obtain psychological counseling related to an experience of domestic violence, obtain services from a domestic violence shelter, program, or rape crisis center, or to participate in safety planning to increase safety from future domestic violence. The provisions of this law apply to the State as an employer and to State employees.

As a condition for taking time off, the employee shall give the employer reasonable advance notice of the employee's intention to take time off for any of the purposes summarized above, unless advance notice is not feasible. When an unscheduled absence occurs, the employer may require the employee to

certify that the absence is a result of domestic violence in the form of a police report, a court order, or medical documentation.

An employer would be required to maintain the confidentiality of any employee's request for time off pursuant to a provision of this law.

The law does not require an employer to compensate an employee for the time taken off under these circumstances, but the employee may use vacation, personal leave, or other compensating time off that is otherwise available to the employee.

An employee whose rights are violated under this section may be entitled to lost wages and reinstatement. An employer who willfully refuses to reinstate an employee under this section may be guilty of a misdemeanor. This law also allows an employee to file a complaint with the Division of Labor Standards Enforcement of the Department of Industrial Relations.

This section does not create a right for an employee to take unpaid leave that exceeds the unpaid leave time allowed under, or in addition to the unpaid leave time permitted by, the Federal Family and Medical Leave Act.

Union Proposal
Bargaining Unit 4

Date

5:32pm

Proposal No: 2

The Union proposes the following language:

11.27.4 California State Lottery (CSL) Scratcher Sales

Bonus (Unit 4)

CSL reserves the right to manage the variety and quantity of Scratcher products offered for sale in order to stay within its budgetary and legal mandates.

The classifications of Lottery Ticket Sales Specialist (LTSS) and Lottery Ticket Sales Senior Specialist (LTSSS) shall be eligible to receive sales bonuses as governed by the following provisions:

- A. The sales bonus shall be based solely on sales of Scratcher products. Scratcher product sales are defined as only those packs that have been financially settled by retailers. Prior to the beginning of each new quarter of the fiscal year, the CSL Director or designee shall set a statewide sales goal for Scratcher products. The statewide sales goal is then broken down into "market

shares" for each individual "retailer assignment."
Individual achievement for bonus eligibility is
measured against the "marked share" established
for the individual retailer assignment.

- 142
- 92
AMW
KYJ
- B. CSL Sales Department shall issue a quarterly
report showing the percentage of statewide sales
(commonly referred to as "market share") for
Scratcher products for each retailer assignment.
The market share of each sales area is defined as
the percentage contribution of the employee's
retailer assignment to actual statewide sales
during the quarter ending one quarter prior to the
"goal quarter," also identified as the "quarter before
last."

Example: The goal of Quarter 1 of FY 99-00 is
based upon market share from Quarter 3 of 98/99.

- C. Upon completion of each quarter and a qualifying
period as defined in subsection G, if the retailer
assignment achieves at least the first level sales
goal in Scratcher products, the eligible employee
receives the appropriate bonus award for that
level. Subsequent awards are based upon

achieving greater sales levels for the Scratcher-only products.

Example: If a retailer assignment achieves Level 1 goal in Scratcher sales, the participant receives Level 1 bonus.

D. Bonus levels and corresponding dollar awards attributable to each level are listed below:

BONUS LEVEL	LEVEL 1	LEVEL 2	LEVEL 3	LEVEL 4
% OF SALES GOAL ACHIEVEMENT	102%	105%	108%	112%
Lottery Ticket Sales Specialist	\$300	\$600	\$900	\$1,200
Lottery Ticket Sr. Sales Spec.	\$300	\$600	\$900	\$1,200

E. Each eligible employee described below shall be required to work a qualifying period as defined in subsection (F) to be eligible for a bonus.

1. A full-time employee who works a qualifying period and who works a single regular retailer assignment during the quarter shall be eligible for the appropriate level bonus achieved by that retailer assignment during that quarter.

2. An intermittent employee who works a

qualifying period and who works a single regular retailer assignment during the quarter shall be eligible for the appropriate level bonus achieved by that retailer assignment during that quarter.

3. An intermittent employee who works a qualifying period and who works more than one retailer assignment in either the North or the South region during the quarter shall be eligible for the appropriate level bonus achieved by the region.

4. An intermittent employee who works a qualifying period and who works more than one retailer assignment in both the North and South regions during the quarter shall be eligible for the appropriate level bonus achieved by the State.

5. A part-time employee who works a qualifying period shall be eligible for a percentage of the bonus dollar amount consistent with the employee's time base. The qualifying period as defined in subsection F shall be prorated

to the time base.

Example: A three quarter (3/4) time employee who works a qualifying period and who achieves Level 1 sales shall be eligible to receive three quarter (3/4) of the dollar amount for that level. The qualifying period for eligibility is proportionately reduced by twenty-five percent (25%).

F. For purposes of this bonus provision, the following definitions shall apply:

1. "Qualifying period" is defined as actually working a regular retailer assignment no less than sixty-five percent (65%) of actual available work hours in a quarter, excluding holidays and weekends.

Formula: Thirteen (13) weeks (91) days less weekends (26 days) multiplied by eight (8) hours a day less holiday hours multiplied by sixty-five percent (65%) equals a qualifying period.

Example: A qualifying period in a thirteen (13) week quarter with no holidays would require the participant to work a regular

retailer assignment three hundred thirty-eight (338) hours. A qualifying period in a quarter that has one holiday would require the participant to work a regular retailer assignment of three hundred thirty-three (333) hours.

2. "Retailer assignment" is defined as a preassigned group of retailers for which the employee has Scratcher inventory management responsibilities either through the use of a Scratcher inventory management system or through regular retailer telephone activity. Retailer assignment does not include activity with retailers which are redirected to an employee because of coworker absences.

- G. Bonus payments shall be made quarterly within sixty (60) days after the end of the quarter.
- H. Bonuses paid pursuant to this section are excluded from compensation for retirement purposes.
- I. Bonuses paid pursuant to this section are considered compensation for taxation purposes.

Management will facilitate each eligible employee's attendance in the eighty (80) hour course in WRET no later than twenty-four (24) months of their appointment to a DWR field assignment at the WR TECH II level. The Union proposes the following rollover language:

11.65.21 Arduous Pay Differential (Unit 21)

The State shall establish an "arduous pay" program to provide additional compensation to FLSA exempt employees assigned to WWG E when there is no other way to recognize the performance of additional duties and responsibility which clearly exceed the normal demands of an employee's classification/position. Employees shall be eligible for this pay differential for up to four (4) months per fiscal year (or per event for emergencies involving loss of life or property.)

Requests for arduous pay shall be made to CalHR on a case-by-case basis by the employing department. CalHR shall evaluate said requests based on whether they satisfy all of the following.

1. Nonnegotiable Deadline or Extreme Urgency

The work must have a deadline or completion date that cannot be controlled by the employee or his/her supervisor, or must constitute an

extreme urgency. The deadline or extreme urgency must impose upon the employee an immediate and urgent demand for his/her work that cannot be avoided or mitigated by planning, rescheduling, postponement or rearrangement of work, or modification of the deadline.

2. Work Exceeds Normal Work Hours and Normal Productivity

The work must be extraordinarily demanding and time consuming, and of a nature that it significantly exceeds the normal workweek and work productivity expectations of the employee's work assignment. Employees who are excluded from FLSA are expected to work variable work schedules as necessary to meet the demands of the job. This pay differential is not intended for employees who regularly or occasionally work in excess of the normal workweek to meet normal workload demands. It is intended where in addition to working a significant number of hours in excess of the normal work week, there is a

demand for and achievement of greater productivity or result.

3. Work is Unavoidable

The work must be of a nature that it cannot be postponed, redistributed, modified, reassigned or otherwise changed in any way to provide relief.

4. Work involves Extremely Heavy Workload

The work is of a nature that it cannot be organized or planned to enable time off in exchange for the extra hours worked. The absence from work would not normally satisfy this requirement because time off can be arranged as compensation for this demand.

5. No Other Compensation

The employee who is receiving this pay differential is not eligible for any other additional compensation for the type and nature of the above described work.

The Union proposes the following rollover language:

13.2 Personal Performance Session (Excludes Unit 17)

Meetings between employees and management concerning unsatisfactory work performance or work-related problems should, whenever practicable, be held in private or in a location sufficiently removed from the hearing and visual range of other persons. The Union recognizes that the circumstances of the situation may require an immediate response from management, and thereby preclude privacy. However, if an immediate response is not necessary, arrangements will be made for a private meeting.

1. Establish, maintain, and improve the standard of LOC nursing practices;
2. Function as a central group to assist in:
 - a. maintaining competence in LOC nursing practices;
 - b. increasing the scope of practice of LOC nursing staff by exposure to new skills, trends, and developments of practice within the provisions; and
 - c. recognizing and accepting responsibility for recommending improvements to LOC nursing practice;

3. Participate actively in efforts to define and upgrade the standards of LOC nursing practice, education, orientation, ethics, conduct, and achievement as required by the appropriate licensing board;
4. Serve as a centralized group for receiving individual or group concerns pertaining to health care delivery and channeling this input for study evaluation and consideration; and
5. Improve communications between members of the professions, related treatment/health care disciplines, and management and supervisors regarding new trends and changes in LOC nursing practices, such as a result of legislation, science, or new applications and interpretation of existing law.

B. Each PPG may be limited to LOC nursing employees. The size, composition, and frequency of meetings shall be determined by facility management. These meetings shall be open and other employees may attend on their own time or on State time with his/her supervisor's

approval. The selection process shall include an election of representative rank-and-file LOC nursing employees and may also include direct appointments by management. Direct appointments may not exceed one-half (1/2) of the total membership of PPGs. Prior approval of agendas may be required. Each PPG may elect officers, publish agendas in advance, and distribute their minutes only within the facility. No bargaining unit officer or job steward may serve as an elected officer. Each PPG shall prepare minutes and provide a copy to management. Upon request, facility management may review the minutes and/or agenda prior to distribution.

- C. PPGs shall be able to use State facilities, clerical support, and mail systems consistent with current practices, workload and other facility priorities. Unit 20 LOC nursing employees participating in PPGs shall suffer no loss of compensation and shall receive no overtime as a result of attendance at any PPG meeting or assignments made by a PPG.
- D. PPGs may submit recommendations to facility management. Management shall

acknowledge the receipt of the recommendations and respond on a case-by-case basis as determined by management. It is understood by both parties that effective two-way communications improve morale and productivity.

E. No PPG shall discuss any subject that falls within the mandatory or permissive scope of bargaining as it relates to wages, hours, working conditions, classification studies, or a subject of any grievance or complaint. PPGs may, however, provide suggestions to appropriate department management on improvements to in-service training, and the appropriateness of uniform requirements. No PPG communications, written or oral, may occur with any agency or organization other than the facility management without prior approval of the facility director or designee.

F. All departments that currently utilize PPGs shall reaffirm, in writing, the importance of the PPG and encourage Unit 20 LOC nursing employees to attend the meetings. The date, time, and location

shall be provided to new employees during the formal orientation process.

G. Subsections A and E of this section are not subject to the grievance and arbitration article.

H. This section shall apply only to those departments or facilities (as appropriate) where there currently exists a multi-disciplinary LOC nursing PPG.

The purpose of this section is to guarantee that the State does not incur unnecessary, additional costs by contracting out work appropriately performed at less expense to the State by bargaining unit employees, consistent with the terms of this section. The Union proposes the following rollover language:

19.1.21 Hours of Work (Unit 21)

A. Employees in Work Week Group (WWG) 2 required to work in excess of forty (40) hours per week shall be compensated for such ordered overtime either by cash payment or compensating time off (CTO) in the following manner:

1. Cash compensation shall be at one and one-half ($1\frac{1}{2}$) times the hourly rate.
2. Compensating time off shall be authorized at one and one-half ($1\frac{1}{2}$) hours for each overtime hour worked.
3. Employees in classes assigned to WWG 2 shall be compensated for ordered overtime of at least one-quarter ($\frac{1}{4}$) hour at any one time. Overtime will be credited on a one-quarter ($\frac{1}{4}$) hour basis with a full quarter of an hour credit granted if half or more of the

B. Overtime may be compensated on a cash or CTO basis at the discretion of the department head or designee. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different for employees in the same or similar situations.

C. Notwithstanding any other provision of the MOU, for the purpose of computing the number of hours worked, time when an employee is excused from work because of holidays, sick leave, vacation, annual leave, compensated time off, or any other leave shall not be considered as time worked by the employee for the purpose of computing cash or compensating time off for overtime.

Proposal No: 2

The Union proposes the following rollover language:

19.2 Overtime (Excludes Units 17 and 21)

A. Overtime is earned at the rate of one and one-half (1½) times the hourly rate for all hours worked in excess of forty (40) hours in a regular workweek and is compensable by cash or CTO if it meets the following criteria:

1. Ordered overtime of at least fifteen (15) minutes at any one time;
2. Overtime will be credited on a fifteen (15) minute basis with a full fifteen (15) minute credit to be granted if seven (7) minutes is worked. Smaller fractional units will not be accumulated.

B. For the purpose of computing the number of hours worked, time when an employee is excused from work because of holidays, sick leave, vacation, annual leave, or compensating time off, or any other leave not listed below shall not be considered as time worked by the employee for the purpose of computing cash or

compensating time off for overtime. Time spent on jury leave, military leave or subpoenaed witness leave under the provisions in paragraph E below, shall be included for the purpose of computing cash or compensating time off for overtime.

C. Overtime may be compensated on a cash or CTO basis at the discretion of the department head or designee. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different for employees in the same or similar situations. However, in the event that the DIR determines that this provision is inconsistent with Labor Code section 204.3, the parties agree to immediately meet and confer regarding the impact of that determination.

D. Overtime must be authorized in advance, except in an emergency, by the State or its designated representative. - E. Before an employee is required to work mandatory overtime, management will make every effort to schedule appropriate available employees prior to mandating overtime. This shall include, but not be limited to: Permanent Intermittent employees, Retired Annuitants and volunteers. In addition management will make every effort to schedule overtime first for those employees who have not taken leave during the week and such employees may be mandated overtime only as a last resort.

Sick leave is excluded from this provision.

Union Proposal
Bargaining Unit 17
Date 8/6/2019

Proposal No: 1

The Union proposes the following rollover language:

19.2.17 Overtime (Unit 17)

- B. For the purpose of computing the number of hours worked, time when an employee is excused from work because of holidays, sick leave, vacation, annual leave, compensating time off, or any other leave not listed below shall not be considered as time worked by the employee for the purpose of computing cash or compensating time off for overtime. - D. Rate of payment for authorized overtime, whether cash or CTO, shall be at one and one-half (1-1/2) times the regular rate of pay for each hour of overtime worked, or fraction thereof rounded in accordance with the workweek group.
- E. If the State does not schedule CTO within one year from the date the overtime was earned, the State must provide cash payment for the overtime or may, at the request of the employee, extend the time the employee can take CTO. For the purposes of this contract section, authorized overtime is defined as overtime pre-approved by a designated supervisor. When an employee attempts to reach the designated supervisor for approval no later than thirty (30) minutes before the end of his/her shift, in order to request approval for overtime to complete mandated duties, failure of the supervisor to respond to the request or contact within thirty (30) minutes shall be construed as approved overtime authorization. - F. A Unit 17 employee may initiate a request for scheduling CTO which will not be denied without a work-related reason.

- H. Employees in classes assigned to WWG 2 shall be compensated for ordered overtime of at least fifteen (15) minutes at any one time. Overtime will be credited on a one-quarter ($\frac{1}{4}$) hour basis with a full quarter of an hour credit granted if seven (7) minutes is worked. Smaller fractional units will not be accumulated.
- I. In the DSH and DDS an employee shall have the choice of cash or CTO for overtime hours worked. Management shall have the option each fiscal year to compensate employees up to forty (40) hours with CTO. Prior to working overtime, the employee or the employer shall be notified if the

overtime is to be paid in CTO. Employees may accrue up to one hundred (100) hours of compensating time off. All hours in excess of the one hundred (100) hour CTO maximum shall be compensated in cash. If cash compensation is paid to an employee for accrued CTO, such compensation shall be paid at the regular rate earned by the employee at the time the employee receives such payment. Employees shall have the right to hold up to forty (40) hours of accrued CTO exempt from mandatory buyout.

- J. Effective the pay period following ratification before an employee is required to work mandatory overtime, management will make every effort to schedule appropriate available employees prior to mandating overtime. This shall include, but not be limited to: Permanent Intermittent employees, Retired Annuitants and volunteers. ARTICLE 19

19.13.20 Overtime Mandatory Scheduling – Excluding CDCR LVNs and CNAs (Unit 20)

- A. The Departments recognize and understand the importance of reducing mandatory overtime to Unit 20 Employees. To this end, the Department will make every effort to schedule staff in a manner that will reduce the need for mandatory overtime. Both parties agree that mandatory overtime is an undesirable method of providing staff coverage.
- B. There shall be no mandatory overtime on an employee's Regular Day Off (RDO) or pre-approved day off (an employee's RDO begins immediately after completion of their normal shift before their RDO), except:
1. In an emergency situation such as a natural disaster; or
 2. During a state of emergency declared by the State or Federal authorities; or
 3. During an emergency situation declared by a Warden, Superintendent, Executive Director or designee; or
 4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
 5. When the employees shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available; or

3. Work in excess of two (2) mandatory overtime shifts per work week.

D. It is not the intent to mandate employees to work overtime in classifications other than their own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than their own.

 E. ~~Upon request, and where practical, the State shall, upon consultation with the Union, establish a system to request and utilize qualified volunteers to perform overtime work from within the appropriate work area(s). F.E. Before an employee is required to work mandatory overtime, a reasonable effort will be made to find an acceptable volunteer within the program where the employee works. Overtime shall first be offered to level-of-care employees for level-of-care overtime assignments before allowing other BU 20 classifications to work overtime. 

G.F. Upon request of an employee who has been on duty continuously for sixteen (16) hours, the employer shall have the option to:

1. Allow the employee to take the next shift off on vacation, CTO, or Holiday credit if staffing permits.
 2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
 3. Allow the employee to take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break. Management will take into account the employee's preference.

G. Employees shall not be made to work mandatory overtime on the same holidays in two (2) consecutive years. Holidays are defined as those listed in Article 7.1.

H. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met their overtime obligation, in accordance with section C 1 above.

I. The department will endeavor to provide employees notice of at least ninety (90) minutes in advance notice of possible or actual mandatory overtime assignments.

J. While on vacation, pre-approved absence, or on full work day absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, employees will not be considered for mandatory overtime.

Article: 19.15.20

Subject: Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services CNAs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

~~When an overtime assignment becomes available, either expected or unexpected, the CDCR/CCHCS shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 20 (BU 20) nursing staff who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments. When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, and on duty full and part-time BU 20 CNAs. After these avenues have been exhausted, a BU 20 CNA may be mandated to work overtime as outlined below.~~

~~Nothing in this provision would preclude the scheduling of a PIE in lieu of overtime.~~

Voluntary Overtime

- A. ~~BU 20 CNAs shall be assigned voluntary overtime by BU 20 departmental seniority, on a rotational basis. Seniority scores will be determined by counting one point for each month of full-time BU 20 qualifying service, i.e., from full-time hire date, less any time off for unpaid leave, suspensions, etc. In the event of ties, total State service will be used to determine seniority scores.~~

Involuntary Overtime

- A. BU 20 CNAs shall be assigned involuntary overtime on a rotating basis by inverse seniority.

- a. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met their overtime obligation.
- C. There shall be no mandatory overtime on a BU 20 CNA's RDO or pre-approved day off, (for the purposes of this section, an employee's RDO begins immediately after completion of their normal shift before the RDO) except:

6. ~~When all other options have been exhausted.~~

D. Management shall make every attempt not to schedule BU 20 CNAs:

1. More than four (4) ~~five (5)~~ involuntary overtime shifts per month, effective January 2, 2020 ~~August 1, 2016~~, and implement reductions in accordance with Article 19.X and the Joint Labor Management Task Force; or

This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than their own.

H. While on vacation, pre-approved absence, on a full workday absence due to sick leave*, Union leave, State release time, or any other authorized absence from the facility, BU 20 CNAs will not be considered for mandatory overtime. Upon return to work, the BU 20 CNA will return to the involuntary rotation in seniority order.

The Union proposes the following rollover language:

19.19.21 Work Week Group E - Policy (FLSA-Exempt) (Unit

State employees who are exempt from the FLSA are not hourly workers. The compensation they receive from the State is based on the premise that they are expected to work as many hours as is necessary to provide the public services for which they were hired. Consistent with the professional status of these employees, they are accountable for their work product, and for meeting the objectives of the agency for which they work.

Following is the State's policy for all employees exempt from the FLSA:

1. Management determines, consistent with the current MOU's, the products, services, and standards which must be met by FLSA-exempt employees.
2. The salary paid to FLSA-exempt employees is full compensation for all hours worked in providing the product or service.

Employees are responsible for keeping management apprised of their schedule and whereabouts, must receive approval from management for the use of formal leave (e.g., vacation, sick leave, personal leave) and for absences of one day or more, and must respond to directions from management to complete work assignments by specific deadlines.

The Union proposes the following rollover language:

19.19.21(a) Guidelines for Applying Work Week Group E Policy (Unit 21)

The purpose of this document is to provide additional guidelines for both supervisor and the employee to assist them in applying the WWG E work week group policy as implemented on January 24, 1994.

Not discussed fully in the WWG E policy is the essential need for ongoing communication between supervisor and employee. This is, of course, two way communication not merely one way. While no one can lay down absolute rules for how often supervisors and employees need to have dialogue, they must do so frequently enough so that both are provided with information they need for each to fulfill their roles in completing work and achieving the mission and goals of the organization.

WWG E employees are not paid for time spent per se, but for work performed. It is therefore appropriate that the focus of the dialogue between supervisors and employees be primarily on what work is to be done, when it is to be completed, and

perhaps, how it is to be completed. This includes, not only, specific work and products that have definite deadlines, but also ongoing functions such as interaction with or providing consultation to other employees. Generally, prescribing specific hours should not be necessary. The needs of those receiving consultation or advice and their availability, coupled with the other work requirements an employee has, should indicate how these important needs can be met. This may be by a variety of methods and it may employ time frames that change from week to week, in some cases, while in others the time spent in providing consultation to colleagues, etc, may be fairly fixed and consistent.

As much as possible, the employee should be given flexibility in determining how and when this is done, provided that this function is being adequately taken care of. If an employee fails to fulfill this function, it may indicate the need for a more fixed schedule in terms of being available. It is important, also, that if work requirements and/or deadlines or other situations change, that the supervisor continue to inform the employee on a timely basis of such factors so that the employee is able to make whatever adjustments are necessary in terms of effort, time, and/or changing priorities to meet the changing expectations of the supervisor.

From the supervisor's point of view, it is important that the employee not only be diligent in working towards completion of various assignments, but also be diligent concerning providing the ongoing assistance and/or performance of his/her duties that may be necessary for the effective operation of the particular work unit. This means that as situations change or as work progresses, the supervisor needs to receive feedback from the employee on a fairly frequent basis, especially when any problem or change takes place that might require some adjustment in work, product, methodology, etc. It is also important in case changes occur that a supervisor must be able to communicate with an employee if needed. This makes it essential that employees are diligent in keeping their office informed of their whereabouts and their schedules. While it is not always possible, it should be done probably at least on a weekly basis. Where changes occur, these should be reported and the schedule adjusted accordingly. This does not necessarily mean the filling out of long detailed written schedules, in practically all cases, these are unnecessary. What is necessary is whatever it takes so that if a supervisor on Tuesday morning at 10 a.m. finds it essential to discuss an issue with an employee, that the employee's secretary or colleagues know the employee's schedule and how, if possible, he/she may be reached.

In the case of an employee's being at a doctor's appointment or in court or in a variety of other situations, the employee may not be reachable at a given time, but information should have been provided so that the supervisor knows when the employee will next either call in or be available for discussion. In some cases, arrangements which for example provide that the employee will be available during specific hours a given day may be useful in providing opportunities for either discussions with the supervisor and/or colleagues needing or providing assistance. These matters, of course, should all be discussed thoroughly by both supervisor and employee so there is a clear understanding of the expectations both have with regard to availability, completion of work assignments, etc.

You will note that in the paragraphs above, while times for consultation, etc. were discussed, there was little mention made of any sort of fixed hours or work schedule, except in the one hypothetical example in the last paragraph. This approach is in keeping with the WWG E concept since it avoids the notion that the employee is required to work a fixed work schedule. This is, in fact, the basic concept of the WWG E work week group policy and is what distinguishes it from WWG 2. Fixed work schedules that are not based on actual operational needs are not appropriate to the WWG E policy. While it is true that the typical

Jong-Hui

business hours of most State agencies and offices is from 8:00 a.m. to 5:00 p.m., Monday through Friday, this does not translate into requiring an 8:00 a.m. to 5:00 p.m. or other fixed schedule for all employees. While it may, in fact, be necessary for a particular WWG E employee to generally work a schedule that appears to follow the 8:00 a.m. to 5:00 p.m. regime, this should only occur because the work being performed dictates such a schedule. If in fact the work need not be performed during those specific hours, there is no operational need to require those specific hours, or any other specific hours for that matter. Counting hours is antithetical to the WWG E concept. Supervisors should be aware that it is not the time spent in the office, or even the time spent in the actual performance of duties that should be the subject of evaluation of an employee. Rather, the quality of work performed, the work product itself and the fulfillment of professional duties should be the focus of evaluation. If there are deficiencies in these areas, the corrective action/adverse action procedures should be followed.

If an employee is not available for consultation with other employees and is therefore not fulfilling that responsibility, that must be the focus of attention, not whether the employee is available during specific hours in the office. Employees need to be aware, however, that if they are not fulfilling their obligations

in terms of consultation with other employees, etc. management does have the right to temporarily impose a more fixed work schedule in order to insure that these duties are being performed. If this becomes a matter of dispute, then outside help should be sought so that the difference of opinion can be resolved. Where this does not occur, the expedited dispute procedure which has been negotiated should be followed.

The EDD shall prepare seniority lists of EPRs and DIPRs every February 15th, (reflecting seniority information current as of January 1) and every August 15th (reflecting seniority information current as of July 1st). recognize that when vacancies occur in the Unit 11 classifications listed in A (1) above, and the State elects to fill the position, the needs of the State must also be considered. The parties therefore agree that the State may elect to fill vacancies using methods that include but are not limited to mandatory reinstatements; placement in lieu of layoff/demotion, appointment from a State Restriction of Appointment/Surplus list, reemployment list, limited duty (vacancy to be available at the end of temporary appointment); appointments pursuant to court orders, settlement agreements, SPB decisions, or the like; hardship transfers; reassignments (rotations, position "trades," etc.); involuntary transfers in lieu of geographic relocation; promotions in place*; or an eligible employee who must be provided a reasonable accommodation.

without using Post and Bid provisions. For the purposes of this section, promotion in place is defined as 1) there is no true vacancy; and 2) there is no change of position, assignment, or supervisory/subordinate relationship of the employee; 3) the promotion is clearly identified as typical in cases where the employee is to move to the next higher series.

The parties also agree that when a vacancy occurs, the following provisions apply.

F. Seniority

For purposes of this section "seniority" is defined as one (1) point for each qualifying month of State service as used for purposes of determining leave (e.g., vacation) accrual. If an employee believes there is an error in the computation of the employee's seniority points, s/he shall provide documentation and request correction through the department personnel office. If two (2) or more employees are tied for most senior then the following shall be used in the order shown until the tie is broken:

1. Most qualifying pay periods in the department with the vacancy;
2. Most qualifying pay periods in the classification of the vacancy;
3. Coin flip.

G. Selection

1. The most senior timely bidder who satisfies the eligibility criteria shall be offered the position. Management may contact, meet with and/or make inquiries to ensure that bidders satisfy the eligibility criteria and understand the objective qualifications. If the most senior bidder is ineligible or disqualified for any reason listed in subsection C above, that bidder will be notified of the ineligibility or disqualification at the time the selection is announced.

3. Employees offered positions pursuant to this subsection shall have a maximum of three (3) working days to accept or reject the offer unless the appointing power agrees to more time. Failing to respond within three (3) working days after being contacted (or longer as agreed

4. The winning bidder shall report for work on the start date listed in the bid notice. The start date may be altered by mutual agreement.
5. Once a position is awarded, management shall notify all bidders in writing that the position has been awarded, identifying the successful bidder and how many qualifying months of state service the successful bidder possesses.
6. Within thirty (30) days of appointment under this procedure, all employees have the right to return to their former position (as defined in Government Code).

H. Other Related Matters

Bidding employees who accept appointments waive any and all right to claim moving, relocation and associated travel and per diem expenses. This does not, however, preclude payment of such expenses at management's discretion.

Union Proposal

Bargaining Unit 15

Date

8/12/2019 11:12 am

Proposal No: 1

The Union proposes the following language:

20.4.15 Post and Bid Procedure for Vacant Positions (Unit 15)

A. Introduction

The post and bid process is designed as a method to allow employees in the same classification to secure a post assignment/position based on seniority. The post and bid process shall be implemented where a variety of work schedules, Regular Days Off (RDOs), shifts, and assignments exist for eligible Unit 15 employees. There are two (2) types of post and bid: the continuous post and bid and the annual post and bid.

The continuous post and bid process allows eligible Unit 15 employees to bid on vacant post assignments/positions on a continual year round basis.

The following departments shall implement the continuous post and bid process for all eligible Unit 15 employees: Department of Corrections and Rehabilitation (Adult Programs) (CDCR); California

Department of Corrections and Rehabilitation -
Juvenile Justice (CDCR-DJJ); California Correctional
Health Care Services (CCHCS); California Science
Center (CSC); Department of Developmental Services
(DDS); Department of General Services (DGS);
Department of State Hospitals (DSH); and the
Department of Veteran's Affairs (DVA).

The annual post and bid process allows eligible Unit 15
employees to bid on vacant post assignments/positions
once per year. The awarded bids are for a twelve (12)
month appointment. The following departments shall
implement the annual post and bid: CDCR; CDCR-
DJJ; and CCHCS.

The annual post and bid process complements and
works along with the continuous post and bid process
in the manner described in this Article.

B. Key Definitions and Terms (Excludes DGS):

1. **Vacancy:** A vacancy exists when a budgeted
permanent position is unoccupied as a result
of retirement, transfer, termination, resignation,
reassignment, new position, promotion,
change in tenure to permanent, or new

funding. As posts/positions in designated Unit 15 classifications become available or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without posting, in order to maintain the ratio of eligible to non-eligible posts in each department.

Management may remove an employee from a bid position when the employee fails to demonstrate that they have the knowledge and skills required to perform the duties of the position. Once the investigation has been concluded and the charges have not been substantiated, the employee will be returned to his/her post.

An employee may be removed from his/her post upon the effective date of an adverse action related to job performance (after the conclusion of the Skelly hearing process and/or time frames associated with that process) if the employee has not filed an appeal to the State Personnel Board (SPB). If the employee is exonerated from the adverse action or the wrongdoing, his/her right to bid and/or hold positions shall be restored.

6. **Floating (DDS):** If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis.

7. **Nepotism:** No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a post based on the department's nepotism policy. If awarding of the bid, or the post creates a nepotistic situation and is in violation of the department's

Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

8. **Disputes:** Where applicable, either party may request a local Joint Labor Management Committee to conduct a meet and discuss regarding any problem or concern with the post and bid process. 2. Level of position
 3. Unit (or ward) or other assignment

 8. Typical assigned duties if not a level of care
Registered Nurse position
 9. Description of duties to be performed (knowledge, skills and abilities)

Each notice shall remain posted for no less than ten (10) calendar days.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be submitted in triplicate with the employee submitting the original to the appropriate central office, a copy to the Union, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee's

name, classification, seniority points, current work location and business telephone number. The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

D. Special Qualifications

Employees bidding on assignments which require specialized training shall meet the skills, knowledge and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.

E. Assignment

Within twenty (20) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most State service seniority. However, in emergencies or where severe staffing shortages exist in the employee's incumbent program, assignment may be delayed up to forty-five (45) calendar days after the posting of the notice.

F. Deletions and Changes

If a bid position is deleted due to reduced allocations or for other reasons, then the employee in that position may bid on any vacant posted position.

If, because of coverage or other legitimate operational need, it is determined that a bid position's posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered position, he/she shall notify management of that desire within five (5) calendar days and shall remain in the position. A position shall not be considered to be altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

G. Floating

If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that

distributes floating on an equitable basis. The RN Shift Lead shall not be included in floating.

H. Transfers

Employees holding bid positions shall not, except in cases of emergency, be involuntarily transferred or moved except as otherwise provided in this section.

I. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to hold a bid position and/or to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action. If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored. Employees who are charged with wrongdoing which is also grounds for adverse action may lose their right to bid and/or hold a bid position for a period of up to six (6) months, if such position or bid is meaningfully related to the cause of action. A hearing before the Veteran's Home

Administrator or designee may be requested by the employee.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored. The reason for denial to bid shall be in writing and given to the employee.

Employees losing their right to bid or hold positions as outlined above may be administratively transferred at the discretion of the State. Employees who have been absolved of wrongdoing as stated above, shall be accorded one successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.

J. Limits on Bid

An employee may not make more than one (1)

Exceptions to this limitation may be granted. Only permanent, full-time employees are eligible to bid in the Post and Bid process. Employees on probationary status shall not be eligible to bid on posted positions.

Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Veteran's Home Administrator or designee prior to the final decision regarding the employee's ability to bid.

K. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the

Department's nepotism policy in accordance with the following:

1. If such bid or position creates a nepotistic situation, notice must be given to the employee.
2. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
3. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

M. Post and Bid Review

At each Veteran's Home, management shall designate an official who shall be responsible for the administration of the Post and Bid provision. Upon

request, the Post and Bid administrator shall meet periodically with SEIU representatives for the purpose of reviewing compliance with the Post and Bid provision.

N. For purpose of this Agreement, "seniority" is defined as one (1) point for each qualifying month of full-time State Service.

Date 8/18/19

Proposal No: 4

The Union proposes the following language:

**20.7.17 Post and Bid Procedure for Vacant Positions – DDS
& DSH (Unit 17)**

A. Vacant Positions

As management determines that Registered Nurse positions become available, or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without posting.

If the State determines to fill the position without posting, the position may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such positions may be advertised where appropriate, but will be filled through the sole discretion of the State. As positions become vacant and determinations are made by the State, the excess of non-posted positions over posted positions shall not exceed two (2) at any hospital or developmental center at any time. In no case shall more than sixty-five percent (~~60~~65%) of the filled Registered Nurse

positions in a hospital/developmental center be held by employees through successful bids.

The post and bid process is designed as a method to advertise and fill current position vacancies with existing employees. The filling of vacancies by either promotion from an eligible list or external lateral transfers is not subject to the post and bid procedure.

B. Posted Positions

Those positions which are determined to be posted shall be posted in a prominent place where such notices are customarily posted on each unit and, in addition, may be advertised in each hospital's/developmental center's publication. The posted notice shall be on a form designed for that purpose and shall include the following posting criteria:

The Union proposes the following language:

**20.9.17 Post and Bid Assignments by Seniority – CDCR
(Unit 17)**

A. Introduction

The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority. Contained in this section are the provisions for the "24 Month P&B Process" which allows employees to bid twenty-four (24) month assignments and the "Interim Vacancy Bidding Process" which addresses vacancies that occur while the twenty-four (24) month assignments are in effect.

1. The Chief Nurse Executive (CNE) or their designee shall have responsibility for implementation and maintenance of this procedure at each facility and shall ensure compliance.
2. The word "assignment" as used in this section is synonymous with that of "position".

3. Participation in the P&B process is limited to eligible employees. An eligible employee:

- a. Must be a permanent full-time RN; probationary employees are excluded.
- b. Must be permanently assigned to and work at the institution. Eligible employees may participate only in their institution's P&B process. There shall be no inter-institution bidding on assignments.

4. Excluded Assignments

Specialty areas shall be excluded from the P&B process. Such areas shall be dialysis, PACU, ICU, utilization management, and infection control ~~surgical assignments~~. Those RN qualifying posts which are considered specialty areas shall be counted as neutral assignments, that is, they shall not be counted in either Management's or Union's positions.

5. Special Qualifications

Employees bidding on assignments which require specialized training shall meet the skills,

knowledge, and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.

6. Seniority

For purposes of this Agreement, "seniority" is defined as one (1) point for each qualifying month of full-time Departmental Unit 17 service, with ties broken by one (1) point for each qualifying month of full-time State service. If a further tie exists, then ties will be broken by "lottery" thereafter.

7. Limits on Bid

An employee may not make more than one (1) successful open assignment bid. All employees shall remain in their initial successful bid for each twelve (12) months from the day the post is awarded except when an employee's bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section "G 1 and 2" or if an employee is granted a bid under the provisions of subsection "I". If these occur, the employee shall have the right to bid again. Exceptions to this

1. The interim bidding process is designed as a method to provide vacant assignments, if Management determines to fill the positions, created while the twenty-four (24) month assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments that have been determined by management to be filled by bid shall be subject to the terms and conditions of this section.

2. As RN assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting. Interim bids shall be conducted so that the percentages specified in this section are maintained throughout the twenty-four (24) month cycle. Union Proposal
Bargaining Unit 20
Date 8/17/19

Proposal No: 3

The Union proposes the following language:

20.10.20 Post and Bid Procedure for Vacant Licensed Vocational Nurse (LVN) Positions (Excluding CDCR) (Unit 20)

Post and Bid shall apply to the LVN classification at facilities (1) with fifteen (15) or more LVN positions and (2) which either provide services seven (7) days a week or for which management has established multiple starting times. Only permanent full-time employees are eligible to participate in the post and bid process.

A. Vacant Positions

As management determines that positions become available, or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without posting.

If the State determines to fill the position without posting, the position may be filled by hire, transfer, promotion, or any other method allowed by the Civil

Service System. Such positions may be advertised where appropriate, but will be filled through the sole discretion of the State. As positions become vacant and determinations are made by the State, the excess of non-posted positions over posted positions shall not exceed two (2) at any facility at any time. In no case shall more than sixty-five percent (605%) of the filled positions in a facility be held by employees through successful bids.

The post and bid process is designed as a method to advertise and fill current position vacancies with existing employees. The filling of vacancies by either promotion from an eligible list or external lateral transfers is not subject to the post and bid procedure.

B. Posted Positions

Those positions which are determined to be posted shall be posted in a prominent place where such notices are customarily posted on each unit and, in addition, may be advertised in each facilities publication. The posted notice shall be on a form designed for that purpose and shall include the following posting criteria:

- 
1. Identification posting number
 2. Level of position
 3. Program and unit (or ward) or other assignment
 4. Shift
 5. Days off or rotation pattern and cycle
 6. Time base
 7. Deadline for bid submittal
 8. Indication of an "incentive bid position"
 9. Location where bid is to be submitted

Each notice shall remain posted for no less than seven (7) calendar days.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be submitted in triplicate with the employee submitting the original to the appropriate central office, a copy to the Union, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee's name, classification, seniority points,

current work location and business telephone number.
The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

Posted positions shall be available for bid only to those employees in the civil service classification specified on the posted notice.

D. Assignment

Within fifteen (15) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most seniority.

However, in emergencies or where severe staffing shortages exist in the employee's incumbent program, assignment may be delayed up to sixty (60) calendar days after the posting of notice.

If no bids are received, management shall withdraw the bid notice. The withdrawn notice does not count against either party's ratios or 605/4035 position count. These positions may be filled:

1. In accordance with subsection A above, or
2. Hire, promotion, reinstatement, transfer from within the facility or from another State agency.

If that position is filled or committed within sixty (60) days of withdrawal of posting under (2) above, it shall not count in the 50/50 posting ratios.

E. Incentive Bid Position

A vacant position that is posted two (2) consecutive times and remains unbid may be identified as an "incentive position" on the third consecutive posting. In a program identified as a "designated program" an unbid position may be identified as an incentive position on the second consecutive posting.

An employee who successfully bids an incentive position and remains in the position for one (1) year shall be accorded super-seniority for their next successful bid. When two (2) or more employees with super-seniority bid, the position shall be awarded as follows:

1. Length of super-seniority
2. Seniority
3. By lot

Incentive positions that are not bid upon may be filled through internal transfer from within the hospital without

counting in the posting ratios or position counts. He/she is then eligible to receive super-seniority in the same manner as an employee who bid the position.

Employees who successfully bid an incentive position and are bidding in-place (same unit and shift as the posted position) shall not be eligible to earn the super-seniority. In designated program's the super-seniority eligibility shall be limited to positions awarded to employees from outside the program only.

The facility shall provide the Union with a weekly listing of "designated programs."

An employee in an incentive position that is deleted or altered in accordance with subsection E shall retain the eligibility to earn super-seniority if he/she elects to remain in the altered or changed position. Employee absences due to illness or injury shall not be counted after the fourteenth (14th) consecutive calendar day toward the one year qualifying period to earn super-seniority.

F. Deletions and Changes

If a bid position is deleted due to reduced allocations or for other reasons, then the employee in that position

may bid on any vacant posted position.

If, because of coverage or other legitimate operational need, it is determined that a bid position's posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered position, he/she shall notify management of that desire within five (5) calendar days and shall remain in the position. A position shall not be considered to be altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

Employees holding bid positions shall not, except in case of emergency, be involuntarily transferred or moved except as otherwise provided in this section.

I. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to hold a bid position and/or to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action.

If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored.

Employees who are charged with wrongdoing, which is also grounds for adverse action, may lose their right to bid and/or hold a bid position for a period of up to six (6) months, if such position or bid is meaningfully related to the cause of action. A hearing before the facility's chief or designee is required prior to such denial.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored.

Employees losing their right to bid or hold positions as outlined above may be administratively transferred at the discretion of the State. Employees who have been absolved of wrongdoing as stated above, shall be accorded super-seniority for one successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.

J. Limits on Bid

An employee may not make more than one (1) successful bid each twelve (12) months except that if an employee's bid position is altered and the employee elects not to stay in the position, or if an employee is granted a bid under the provisions in subsection D above, these bids shall not be counted under this subsection. Exceptions to this limitation may be granted. Employees on probationary status shall not be eligible to bid on posted positions.

Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting

will be held with the Executive Director or designee prior to the final decision regarding the employee's ability to bid.

K. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the department's nepotism policy in accordance with the following:

1. If such bid or position creates a nepotistic situation, notice must be given to the Union.
2. Representatives of the Union and the State shall meet and review the situation.
3. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
4. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

L. Meet and Discuss

Either party may request a meet and discuss regarding

any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request.

M. At each facility, management shall designate an official who shall be responsible for the administration of the Post and Bid provision. Upon request, the Post and Bid administrator shall meet periodically with SEIU Local 1000 representatives for the purpose of reviewing compliance with the Post and Bid provision.

N. For purposes of this Agreement, seniority is defined as one (1) point for each qualifying month of full-time State service.

The Union proposes the following language:

20.11.20 Post and Bid Procedure for CNA Positions:

California Veteran's Homes (Unit 20)

Only permanent full-time employees are eligible to participate in the post and bid process. Employees on probationary status shall not be eligible to bid on posted positions.

A. Vacant Positions

As management determines that positions become available, or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without utilizing the post and bid procedure.

If the State determines to fill the position without posting, the position may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such positions may be advertised where appropriate, but will be filled through the sole discretion of the State. In no case shall more than sixty-five percent (65%) of the filled positions in a facility be held by employees through successful bids.

The post and bid process is designed as a method to advertise and fill current position vacancies with existing employees. The filling of vacancies by either promotion from an eligible list or external lateral transfers is not subject to the post and bid procedure.

Yountville will continue it's current procedure. For the purpose of implementation of this Article at the Chula Vista, Lancaster, and Ventura Veterans Homes, for every three (3) positions that management determines are available, or vacant, the State will post two (2) out of every three (3) vacant positions for bid until sixty ~~five~~ ⁶⁵ percent (65%) of the filled positions in each facility are held by employees through a successful bid.

Management at each facility will have discretion over which vacant positions will be posted.

B. Posted Positions

Those positions which are determined to be posted shall be posted electronically. The format shall include the following posting criteria:

1. Identification posting number
2. Classification
3. Ward assignment

- 
4. Shift
 5. Days off or rotation pattern and cycle
 6. Deadline for bid submittal
 7. Location where bid is to be submitted
 8. Typical assigned duties
 9. Description of duties to be performed (knowledge, skills and abilities)

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be copied by the employee, with the employee submitting the original to the Nursing Office, a copy to the Union, and the employee retaining a copy. Bid forms shall include posting number, the employee's name and classification. The forms must be dated and signed by the employee.

Posted positions shall be available for bid only to those employees in the civil service classification specified on the posted notice.

If no bids are received, the position may be filled in

accordance with subsection A. above.

D. Assignment

Within twenty (20) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most seniority.

However, in cases of emergencies or where severe staffing shortages exist in the employee's incumbent program, assignment may be delayed up to sixty (60) calendar days after the posting of notice.

When a position is filled all employees who bid will be notified electronically.

E. Deletions

If a bid position is deleted, then the employee in that position may bid on any vacant posted position or he/she will be transferred at management's discretion to any vacant position.

F. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action. If, on

appeal, the employee is exonerated, his/her right to bid shall be restored.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored.

Employees losing their right to bid as outlined above may be administratively transferred at the discretion of the State.

G. Limits of Bid

An employee may not make more than one (1) successful bid each twelve (12) months except that if an employee's bid position is deleted. Exceptions to this limitation may be granted following a request in writing to the Human Resources post and bid administrator.

Management may deny a bid, which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in

conflict with the work limitation(s) described by his/her physician.

H. Nepotism

An employee may lose his/her right to hold and/or bid a position based on nepotism. If such bid or position creates a nepotistic situation, notice must be given to the employee. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days. Nothing in this subsection shall prohibit the employee and/or Union from filing a grievance.

I. Meet and Discuss

Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedures. This request will be honored by the non-requesting party within thirty (30) days of the request.

J. Management shall designate an official who shall be responsible for the administration of the Post and Bid process. Upon request, the Post and Bid administrator shall meet periodically with Union representatives for the purpose of reviewing compliance with the Post and Bid procedures.

K. For the purpose of this provision "seniority" is defined as one (1) point for each qualifying month of full-time State service. In case of ties in seniority, assignments will be made by service in class. If further tie breaking is necessary a tie breaker will be utilized.

L. Post and bid will be 605/4035 with 50/50 of the primary positions to the relief positions shared between the State and the Union.

Union Proposal
Bargaining Unit 20
Date 8/18/19

Proposal No: 5

The Union proposes the following language:

**20.12.20 Post and Bid Procedure for Vacant LVN Positions,
CDCR (Unit 20)**

I. Introduction: The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority. Contained in this section are the provisions for the "24 Month P&B Process" which allows employees to bid twenty four (24) month assignments and the "Interim Vacancy Bidding Process" which addresses vacancies that occur while the twenty four (24) month assignments are in effect.

- A. The Chief Nurse Executive (CNE) or their designee shall have responsibility for implementation and maintenance of this procedure at each facility and shall ensure compliance.
- B. The work "assignment" as used in this section is synonymous with that of "position."
- C. Participation in the P&B process is limited to eligible

employees. An eligible employee:

- i. Must be a permanent full-time licensed vocational nurse (LVN); probationary employees are excluded.
- ii. Must be permanently assigned to and work at the institution. Eligible employees may participate only in their institution's P&B process. There shall be no inter-institution bidding on assignments.

~~D. Excluded Assignments: Specialty areas shall be excluded from the P&B process. Such areas shall be dialysis, PACU, ICU, utilization management, and surgical assignments. Those LVN qualifying posts which are considered specialty areas shall be counted as neutral assignments, that is, they shall not be counted in either Management's or Union's positions.~~

~~E. Special Qualifications: Employees bidding on assignments which require specialized training shall meet the skills, knowledge, and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.~~

~~F.D.~~ Seniority: Defined as one (1) point for each qualifying month of full-time Departmental Unit 20

service, with ties broken by one point for each qualifying month of full-time State service. If a further tie exists, then ties will be broken by "lottery" thereafter.

RR
K7
W
MK

G E. Limits on Bid: An employee may not make more than one (1) successful open assignment bid. All employees shall remain in their initial successful bid for each twelve (12) months from the day the post is awarded except when an employee's bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section "VII" subsections "A" and "B" or if an employee is granted a bid under the provisions of section "IX." If these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.

II. Twenty-four (24) Month Bid Process

- A. There shall be seventy-five percent (7075%) of the LVN qualifying post assignments (~~excluding specialty areas~~ in the California Department of Corrections and Rehabilitation (CDCR) allotted according to seniority at each facility that provides healthcare).
- B. The specific posts that comprise the seventy-five percent (7075%) and the ~~thirty~~ twenty-five percent

(~~2530~~%) will be established through a meet and discuss. The Union and Management will identify an equitable distribution of the preferred work areas, watches, and RDOs between Management and bid assignments. Upon request, post orders and duty statements will be provided for each of the positions prior to the meet and discuss.

C. Participation in the twenty-four (24) month P&B process is voluntary. The choice not to participate shall result in management assigning the individual to an assignment that remains unfilled after this bid process is completed.

D. Timeframes:

- i. The twenty-four (24) bid cycle begins in the month of October for those employees who wish to participate. An updated seniority roster and a listing of all available assignments open for bid shall be posted no later than October 1st every other year.
- ii. Unless otherwise contested by October 15, an employee's seniority as posted on October 1, shall determine the employee's placement on the

State

seniority list.

- iii. All approved bid request forms must be completed and submitted, in accordance with the BIDDING provision below, no later than 4 p.m. on November 1, or 4 p.m. on the following Monday if the date falls on the weekend. An employee may write more than one bid preference on the bidding form in priority order.
- iv. An employee may voluntarily withdraw from participation in the twenty-four (24) month Bid Process by submitting a written request to his/her supervisor. Employees who withdraw will be assigned at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management's or Union's positions.
- v. Failure on the part of the employee to submit a request form by 4 p.m. on November 1, shall result in a no preference indicated (NPI) for the employee. The employee will then be assigned an assignment at management's discretion. These assignments shall be counted neutral; that

is, they shall not be counted in either
Management's or Union's positions.

vi. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management's discretion.

vii. The new assignments will begin the second Monday in January first watch.

viii. The time frames will be agreed upon at the local level by the Union and Management.

III. Interim Vacancy Bidding Process

A. The interim bidding process is designed as a method to provide current employees the opportunity to move to vacant assignments, if Management determines to fill the positions, created while the twenty-four (24) month assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments, that have been determined by Management to be filled by bid shall be subject to the terms and conditions of this section.

B. As LVN assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting.

C. The filling of vacancies by either promotions from eligible list or external lateral transfers is not subject to P&B.

D. If the State determines to fill the assignment without posting, the assignment may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such assignments may be advertised where appropriate, but will be filled through the sole discretion of the state.

E. Interim bids shall be conducted so that the percentages specified in this section are maintained throughout the twenty-four (24) month cycle. Upon request, SEIU shall be provided updated information regarding the post and bid split in order to ensure maintenance of the ratio as described above.

F. The excess of non-posted assignments over posted assignments at each institution shall not exceed two (2) at any time.

G. Each notice shall remain posted as provided for in

"POSTING ASSIGNMENTS" for no less than fifteen (15) calendar days. Employees may bid for these assignments using the "BIDDING" process below. All bids must be submitted by 4 p.m. on the fifteenth (15th) day of posting.

H. At the end of the fifteen (15) day bid period, the eligible bidded employee with the highest seniority score shall be placed in the assignment. Any assignment that received no bid shall be filled at management's discretion and shall be counted neutral.

After sixty (60) days, management shall decide whether or not to fill the position. If management fills the position it shall be counted neutral until the next twenty-four (24) month bid cycle.

D. In the event the employee is unable to assume the assignment within the sixty (60) calendar days, the employee may be placed in another assignment at management's discretion.

VI. Other Factors

A. Short term absences of not more than sixty (60) calendar days from the employee's assignment, including special assignments, injuries on the job, and acting assignments, will not preclude the employee's return to the assignment after being determined they qualify to resume each duties.

- i. If absence is more than sixty (60) calendar days, the appointing authority may authorize an employee's return to the assignment or same watch/regular day off (RDO) if the absence was

The Union proposes the following language:

**20.16.20 Post and Bid Procedure for Dental Assistant
Positions, CDCR (Unit 20)**

I. Introduction:

The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority. Contained in this section are the provisions for the "Annual P&B Process" which allows employees to bid twelve (12) month assignments and the "Interim Vacancy Bidding Process" which addresses vacancies that occur while the twelve (12) month assignments are in effect. The Inaugural Annual Post and Bid will become effective January 1, 2014 and will result with the P&B assignment placements occurring in July 1, 2014

when an employee's bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section "VII" subsections "A" and "B" or if an employee is granted a bid under the provisions of Section "IX." If these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.

II. Annual Bid Process

- A. There shall be ninety percent (90%) of all of the DA qualifying positions allotted according to seniority at each California Department of Corrections and Rehabilitation (CDCR) facility that provides dental care.
- B. The specific posts that comprise the ninety percent (90%) will be established through a meet and discuss. The Union and State will identify an equitable distribution of the preferred work areas, watches, and Regular Days Off (RDOs) between management and bid assignments. Upon request, post orders and duty statements will be provided for each of the positions prior to the meet and discuss.
- C. Participation in the Annual P&B process is voluntary. The choice not to participate shall result in

management assigning the individual to an assignment that remains unfilled after this bid process is completed. The awarding of the ninety percent (90%) P&B assignments will be based on seniority. For example, the most senior DA bidding for a P&B assignment will be awarded his/her first choice. This awarding of P&B assignments will continue in order of seniority until the P&B process is completed, with all the ninety (90%) assignments being awarded or the bids submitted have been exhausted.

D. Timeframes:

- i. The annual bid cycle begins in the month of April for those employees who wish to participate. An updated seniority roster and a listing of all available assignments open for bid shall be posted no later than April 1st every year.
- ii. Unless otherwise contested by April 15, an employee's seniority as posted on April 1, shall determine the employee's placement on the seniority list.
- iii. All approved bid request forms must be completed and submitted, in accordance

- vi. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management's discretion.
- vii. The new assignments will begin the first Monday in July on the first watch.
- viii. The time frames will be agreed upon at the local level by the Union and Management.

III. Interim Vacancy Bidding Process

- A. The interim bidding process is designed as a method to provide current employees the opportunity to move to vacant assignments, if the State determines to fill the vacant position, created while the annual assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments that have been determined by the State to be filled by bid shall be subject to the terms and conditions of this section.
- B. As DA assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting.

C. The filling of vacancies by either promotions from eligible list or external lateral transfers is not subject to P&B.

D. If the State determines to fill the assignment without posting, the assignment may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service system. Such assignments may be advertised where appropriate, but will be filled through the sole discretion of the State.

E. Interim bids shall be conducted so that the percentages specified in this section are maintained throughout the twelve (12) month cycle. Upon request, the Union shall be provided updated information regarding the post and bid split in order to ensure maintenance of the ratio as described above.

F. Each notice shall remain posted as provided for in "POSTING ASSIGNMENTS" for no less than fifteen (15) calendar days. Employees may bid for these assignments using the "BIDDING" process below. All bids must be submitted by 4 p.m. on the fifteenth (15th) day of posting.

G. At the end of the fifteen (15) day bid period, the eligible bidden employee with the highest seniority score shall be placed in the assignment. Any assignment that

received no bid shall be filled at management's discretion and shall be counted neutral.

IV. Posting Assignments: Those assignments which are determined to be posted, shall be posted in a prominent place where such notices are customarily posted. The posted notice shall be dated and on a form designed for that purpose and shall include the following criteria:

- A. Identification posting number
- B. Unit (or ward), yard, or other assignment
- C. Shift
- D. Days off or rotation pattern and cycle
- E. Time base
- F. Deadline for bid submittal and where to be submitted
- G. Special qualifications (if any)

V. Bidding

A. Employees may bid on the posted assignment by filling out a bid form provided by the State. The bidding employees shall submit the completed bid form to the following:

- i. The original to the location designated on the bid form,

ii. A copy to the Union designated steward,
and

iii. The bidding employee.

B. Bid forms shall include the

- i. Identification posting number,
- ii. the employee's name,
- iii. classification,
- iv. seniority points,
- v. current work location, and
- vi. business telephone number.

The form must be dated and signed by the employee.

C. An otherwise eligible employee absent from the work site during the bid process for such reasons, including but not limited to EIDL, SDI, Worker's Compensation, leave of absence, annual military leave, illness, etc., may participate in the bid process. Employees must assume the assignment within sixty (60) days of the posting of the bid results. After sixty (60) days management shall decide whether or not to fill the position. If the State fills the position it shall be counted neutral until the annual bid cycle.

D. In the event the employee is unable to assume the assignment within the sixty (60) calendar days, the employee may be placed in another assignment at the State's discretion.

VI. Other Factors

A. Short term absences of not more than sixty (60) calendar days from the employee's assignment, including special assignments, injuries on the job, and acting assignments, will not preclude the employee's return to the assignment after being determined he/she qualify to resume each duties.

i. If an absence is more than sixty (60) calendar days, the appointing authority may authorize an employee's return to the assignment or same watch/regular day off (RDO) if the absence was generated by a management decision.

ii. An employee exceeding the sixty (60) calendar day limit for an absence due to EIDL will be assigned to the same

assignment or same watch/RDO for the remainder of the bid period.

- iii. An employee exceeding the sixty (60) calendar day limit for any other reason will at least be assigned commensurate with his/her watch preference.

B. A waiting list will be established with those employees who have been removed from an assignment as a result of a correction to a seniority date or due to management error in assigning the employee.

C. Employees who laterally transfer after May 1 will be precluded from the bid process until the next open bid process.

VII. Deletions and Changes

D.A. If a bid assignment is deleted due to reduced allocations or for other reasons, and there is an employee in the deleted assignment, then the employee may bid on any vacant posted assignment.

A.B. If because of coverage or other legitimate operational need, it is determined that a bid assignment's posting

criteria must be altered, the employee filling that assignment shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered assignment, he/she shall notify management of that desire within five (5) calendar days and shall remain in the assignment. An assignment shall not be considered altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

VIII. Transfers:

Employees holding bid assignments shall not, except in cases of emergency or as otherwise provided for in this section, be involuntarily transferred to another assignment.

IX. Denial of Bid

- A. Employees who have adverse action taken against them shall lose their right to hold a bid assignment and/or bid on any assignments for a period of up to six (6) months if such assignment or bid is meaningfully related to the cause of action. If the employee is

exonerated on appeal, his/her right to bid or hold assignments shall be restored. Employees who are charged with wrongdoing which is also grounds for adverse action may lose their right to bid and/or hold a bid assignment for a period of up to six (6) months, if such assignment of bid is meaningfully related to the cause of action. A meeting before the Director or designee is required prior to such denial.

B. An employee may be temporarily removed from the bid assignment pending a personnel/EEO investigation, but will be assigned to substantially similar start/stop time and RDO if possible. Once the investigation has been conducted and if the charges have not been substantiated, the employee shall be returned to his/her bid assignment.

C. Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid assignments for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold

assignments restored. The reason for denial to bid shall be in writing and given to the employee.

D. Employees losing their right to bid or hold assignments as outlined above may be administratively transferred to the same watch without regard to RDO. Employees who have been absolved of wrongdoing as stated above, shall be accorded one successful bid so long as the bid is exercised within three (3) months of the decision absolving the employee.

E. If for some reason, other than specified previously, it becomes necessary to change an employee who has exercised his/her eligibility for a bid assignment, that employee shall be job changed to a new post possessing similar RDO's on the same watch, if available and if requested by the employee.

F. Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Director or designee prior to the final decision regarding the employee's ability to bid.

X. Floating:

If it becomes necessary to temporarily float employees to another Unit 20 DA position in order to provide coverage, each CDCR institution shall establish a rotational system that distributes floating by inverse seniority on an equitable basis.

XI. Involuntary Removal:

Management may remove an employee from a bid position when the employee fails to demonstrate that they have the knowledge and skills required to perform the duties of the position. The employee shall be placed in a position with the same RDO's and substantially similar start/stop times. The vacated position shall be subject to the interim bid process.

XII. Nepotism:

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department's nepotism policy in accordance with the following:

Although it is not the intent of the State to unnecessarily infringe upon teacher's preparation time, it is recognized by both parties that it may be appropriate for teachers to be assigned other duties during this time.

Over the last two (2) years, the State of California and SEIU Local 1000 have struggled to find a balance between the State's operational needs and the Union's need to access the employees it represents at their worksites. As with all agreements, both sides had to compromise. This Agreement, however, is intended to provide a proactive framework for facilitating Union access and addressing disputes before they escalate.

In that spirit, the State and the Union are fully committed to the following principles:

- Department/Union cooperation in seeking solutions to access issues
- Swift resolution of disagreements when they occur
- An ongoing understanding of, and respect for, each others' particular operational needs

We now look to you to implement this Agreement in the spirit in which it was negotiated. There will be joint training provided on the Agreement at a date still to be determined.

Union Proposal

Master Table

Date 9/3/19

Proposal No: 1

The Union proposes the following rollover language:

Appendix 2.17 – FLSA Exempt Employee Differential (Unit 17)

**FLSA EXEMPT EMPLOYEE DIFFERENTIAL FOR
EXTREMELY ARDUOUS WORK AND EMERGENCIES**

Effective: 9/1/93

Revised: 7/1/99

CRITERIA

At the discretion of the appointing authority, excluded employees who are exempt from the Federal Fair Labor Standards Act (FLSA) shall be eligible to receive the differential when performing arduous work that exceeds the normal demands of State service employment. Excluded employees are eligible for this pay differential for up to four (4) months per fiscal year (or per event for emergencies involving

loss of life or property). **All of the following conditions must be met in order to apply this pay differential:**

Appropriate Duties

The duties and responsibilities may not include work that is covered by the provisions of FLSA.

Non-negotiable Deadline or Extreme Urgency

The work must have a deadline or completion date that cannot be controlled by the employee or his/her supervisor, or must constitute an extreme urgency. The deadline or extreme urgency must impose upon the employee an immediate and urgent demand for his/her work that cannot be avoided or mitigated by planning, rescheduling, postponement or rearrangement of work, or modification of deadline. For example, preparing and presenting to the Governor's Office, Legislature, or Legislative Committees fiscal/line item analysis and budgetary information concerning the State Budget or departmental and line program budgets by a specific date, or testifying before the Legislature or Legislative Committees at their request, or responding to a declared emergency situation.

Work Exceeds Normal Work Hours and Normal Productivity

The work must be extraordinarily demanding and time consuming, and of a nature that it significantly exceeds the normal workweek and work productivity expectations of the employee's work assignment. Employees who are excluded from FLSA are expected to work variable work schedules as necessary to meet the demands of the job. They may regularly be required to work more than forty (40) hours per week to complete their work. This pay differential is not intended for employees who regularly or occasionally work in excess of the normal workweek to meet normal workload demands. It is intended where in addition to working a significant number of hours in excess of the normal workweek, there is a demand for and achievement of greater productivity or result.

Work is Unavoidable

The work must be of a nature that it cannot be postponed, redistributed, modified, reassigned or otherwise changed in any way to provide relief.

Work Involves Extremely Heavy Workload

The work is of a nature that it cannot be organized or planned to enable time off in exchange for the extra hours worked.

The absence from work would cause difficulty or hardship on others and would result in other critical work not being completed. Occasional heavy workload of less than twelve (12) to fourteen (14) days in duration would not normally satisfy this requirement because time off can be arranged as compensation for this demand. For example, in an emergency involving extreme health, safety and/or cost consequence, an employee may be required to work evenings and weekends for several weeks, averaging more hours of work than can be scheduled/arranged for time off.

No Other Compensation

The employee who is receiving this pay differential is not eligible for any other additional compensation for the type and nature of the above described work.

The Circumstances That Support This Pay Differential Must Be Documented

Departments must maintain records of the employees and amounts paid in each pay period, and a brief description of the circumstances for which the differential was provided. Departments are delegated responsibility

for the review and approval of payment. Their review should occur after the work is completed to ensure that all of the conditions that warrant the pay differential were present. Application of the pay differential provisions is subject to audit or review by the California Department of Human Resources as necessary.

Rate

Three hundred dollars (\$300) per workweek, up to one thousand two hundred dollars (\$1,200) total per pay period. Any workweek that overlaps months should be counted in the month that the workweek ends.
