Dear Director Ortega:

SEIU Local 1000 represents all represented CDCR and CCHCS employees in the attached health and safety grievance. This health and safety grievance that was filed against both CCHCS and CDCR was elevated to Cal HR for possible resolution pursuant to Article 10.30 of the current bargaining agreement. We received Cal HR's response yesterday afternoon but it does not fully address our concerns which continue to be ongoing and very serious. Under Article 10.30 and its expedited timelines we are submitting this important matter to arbitration which must occur within 14 days unless there is an agreement to do otherwise.

I may be reached at (559) 313-8243 if you have any questions or concerns.

Sincerely,

A handwritten signature in black ink, appearing to read "D. Luna".
