LOCAL 1000 PURPOSE STATEMENT

Local 1000 is a strong member led union. The purpose of Local 1000 is to have the power necessary to give our members—and all Californians—the opportunity to have a good life, live in sustainable communities and enjoy the fruits of social, economic and environmental justice.

We will achieve this by engaging and developing our members and by creating strategic alliances with key leaders and organizations who share our purpose and values.

CHANGES IN LOCAL 1000 GOVERNANCE

In September, 2023, the Local 1000 Board of Directors adopted changes in the governance structure of our Union to make Local 1000 stronger and more responsive to the needs of the employees we represent.

Here are the highlights of the changes:

- There are two elected Statewide Officers: President and Vice-President/Secretary-Treasurer.
- Ranked-choice voting will be used for these two positions when there are more than two candidates.
- Using ranked-choice voting will ensure that the candidate who is elected has received a majority of votes in the final round.

More information on the governance changes is available on the Local 1000 website at **www.seiu1000.org/local1000future**

ABOUT RANKED-CHOICE VOTING

Ranked-choice voting will be used to elect the statewide Local 1000 President and Vice President/Secretary-Treasurer positions when there are more than two candidates for the position. This process allows union voters to select candidates that more accurately represent their preferences and ensures the winning candidate will receive 50% +1 (a majority) vote.

The following ranked choice voting rules shall apply. For information about how to fill out your ballot, please read the ballot instructions on page 4.

- Voters rank the candidates for a given office by indicating up to three preferences on their ballots, using the following steps:
 - Step 1: Choose your top candidate. This is your first-choice candidate and will be the vote that is considered first.
 - Step 2: If you have a second choice (not required), you may select another candidate. This must be different from your first-choice candidate.
 - Step 3: If you have a third choice (not required), you may choose another selection. This must be different from your first and second choices.
- Ranked-choice voting will not be utilized when there are only two candidates and an outright majority of votes (i.e., 50 percent plus one) for a candidate will be declared the winner.
- If a candidate wins an outright majority of first-preference votes (i.e., 50 percent plus one), the candidate will be declared the winner.

- If, on the other hand, no candidate wins an outright majority of first-preference votes, the candidate with the fewest first-preference votes is eliminated, and the counting proceeds to another round.
 - All first-preference votes for the eliminated candidate are also eliminated, lifting the next- preference choices indicated on those ballots and counting them as first-preference ballots for the next highest ranked candidate in the same round.
- In each new round a tally of active ballots is conducted to determine whether any candidate has won a majority of ballots.
- The process is repeated until a candidate wins the majority in a round (i.e., 50 percent plus one).
- In ranked-choice voting, in the case of a tie in the final round, the winner shall be determined by lot. In traditional voting, in the case of ties among candidates, the winner shall be determined by lot.

For more information on ranked-choice voting, please visit **seiu1000.org/leadership-elections**

CANDIDATE STATEMENTS

STATEMENTS: Local 1000 President

Jared Reece: Leadership should be held by someone who effectively inspires and unites all, regardless of background or bipartisan affiliation. Someone who can conduct themselves in a professional manner and help facilitate relationships with our State Government. I have been a Steward for almost 8 years holding a variety of positions (including DLC President) while also working as an ITS1 for the State Controller. We have an opportunity to capitalize on our collective experiences as long as we unite. I ask for your vote, faith and opportunity to bring fresh air to Local 1000. If you want something different, elect someone different.

William "Bill" Hall: I am running for Local 1000 President. As your board chair for the past 22 months and with 24 years of experience as a union steward, I am extremely qualified. If elected I will continue the work to build a more aggressive organization that will win for us. Continue to build and engage membership. I will lead our members in the ongoing fight against workplace bullying. I will protect our pensions and continue to improve healthcare benefits. I respectfully ask for your support and vote. Please support and vote for likeminded leaders Danielle Fiore (Storey) and the members4members 2024 team.

Troy Phillips: As union president, I am dedicated to promoting transparency, advocating for fair treatment, and amplifying our members' voices through strong representation, fostering a more inclusive and empowered workforce.

Anica Walls: Social justice activist, CDSS employee and UC graduate; Elected VP in 2018. I fight for consistent communication and member development; fight to enforce your rights in the workplace; and in 2023 your only statewide officer to get arrested during bargaining; forcing the state back to the table. When elected we will fight for permanent telework, greater access to healthcare and higher wages. I will not tolerate pay discrimination, bad contracts, hostile work environments, or bad bosses. I will flex our union muscle to protect and expand union jobs by whatever means necessary. Hasta la victoria siempre. Sama sama tayo!

Irene Green: With all my heart, I believe in this union, our work to be stronger, united—effective. Throughout the state I’ve had the privilege of listening to your stories as we fight for better pay and working conditions. I’ve felt your passion, pain and relentless spirit through successes and setbacks. That spirit is our greatest strength. As president of SEIU Local 1000, I’ll focus our collective energy on our development as a local and as leaders in your own right through: Collaboration; Communication; Creativity; Respect; Trust; Results. Together, we can lead this union through its next chapter. Vote for Irene Green.

Christina "CC" Calugcugan: My name is Christina Calugcugan aka "CC"! I have been an EDD employee for 15 years and lately, I have not been happy with the direction our union has been moving in. Our voices are no longer being heard. We must ignite our members to take action. We need fresh and innovative ideas with inspiring out of the box thinking and together, it can be done. We must demand the State’s respect and stop letting them walk all over us! The time is NOW! We can no longer sit quietly. We must stand up and fight! Vote CC for President!

STATEMENTS: Local 1000 Vice President/Secretary-Treasurer

David Jimenez: As VP-Secretary/Treasurer, I diligently worked to ensure our union is solvent by taking measures that saved us millions, protected our reserve, while prioritizing our members’ needs. As the State continues to try solving budget problems through us (return-to-office orders, telework stipend, etc.), we must have trained leaders who aren’t afraid to challenge and hold it accountable. I have the experience and fortitude to fight for us. When elected, my priorities are keeping us solvent; investing in our leaders (training/leadership development); and providing tools/resources for stewards to organize/represent while increasing membership and mobilizing members into action.

Danielle "Storey" Fiore: I work at CDE and come to SEIU 1000 with proven, strong union leadership skills. I am running for VP/Secretary/Treasurer to share my knowledge and experience in order achieve the 4 pillars of the Members 4 Members 2024 campaign; to build a more aggressive union that supports representation that demands respect for members, build/engage membership through education, to empower members to respond swiftly to workplace bullying by the state, to protect pensions, strengthen healthcare, improve wages and working conditions. Vote for strength, a more aggressive union, vote Danielle Storey Fiore VP/Secretary/Treasurer, William "Bill" Hall President, and Members 4 Members 2024.

LOCAL 1000 PURPOSE STATEMENT

Local 1000 is a strong member led union. The purpose of Local 1000 is to have the power necessary to give our members—and all Californians—the opportunity to have a good life, live in sustainable communities and enjoy the fruits of social, economic and environmental justice.

We will achieve this by engaging and developing our members and by creating strategic alliances with key leaders and organizations who share our purpose and values.
