1. An employee is working "out-of-class" when he/she spends a majority (i.e., more than fifty percent [50%]) of his/her time over the course of at least two (2) consecutive work weeks performing duties and responsibilities associated with a higher level existing classification that do not overlap with the classification in which said employee holds an appointment.

Duties that are appropriately assigned to incumbents in the employee's current classification are not out of class.

Duties appropriately assigned are based on the definition and typical tasks enumerated in the California SPB specification.
