

Let's Build a California for All of Us!

We, the undersigned, believe that if the State of California – the fifth largest economy in the world is truly committed to building a 'California for All,' that must include state workers. A 'California for All' means that:

- We can afford to live where we work
- We can access quality, affordable healthcare
- We are recognized for our education and experience

We are bargaining with the State of California right now and we need your support!

Please call your Department Director today and let them know that you value your employees and want to see CalHR value us as well. Ask your Director to call CalHR and let them know how important this contract is for each and every one of us, our families, and the people we serve every day.
