

### Regional Activity/Sponsorship Request Form

The Committee will consider activities for sponsorship/involvement outside of the current members of the Committee. If you are a member of SEIU Local 1000 and have an idea for becoming involved with a community activity in your region, the Latin@ Committee can help sponsor/support your event. Please note that each event will be considered based on the criteria listed above and the focus of the activity. Your proposal will be reviewed and voted on by the Committee and you will be notified of the Committee's decision in writing. Please fill out the form below. Fill out each section as incomplete applications will not be considered.

I'm interested in hosting/being a part of an activity linked to the Latin@ Community in my region.
