

## SEIU 1000 MEMBER POLITICAL ACTION PROGRAM

Building a Powerful Union Together by  
Informing, Involving & Activating Members in the Political Process

### SIGN UP TODAY!!!

The time to get involved in the political process is right now. As state workers we must mobilize to send a clear message to the Governor and Legislature that we won't stand for them balancing the budget on our backs or by slashing the vital services we provide to Californians. We are ramping up our political program and we will have many opportunities for members to get involved in politics. Please put an "X" next to all of political activities that interest you.
