Upon the establishment of a new or revised classification or series, a new duty statement shall be provided to each affected incumbent.
The Union proposes the following rollover language:

14.8 Contracting Out

A. Purpose

The purpose of this section is to guarantee that the State does not incur unnecessary, additional costs by contracting out work appropriately performed at less expense to the State by bargaining unit employees, consistent with the terms of this section. In achieving this purpose the parties do not intend this section to expand the State’s ability to contract out for personal services. The parties agree that this section shall not be interpreted or applied in a manner which results in a disruption of services provided by State departments.

B. Policy Regarding Personal Services Contracts and Cost Savings

Except in extremely unusual or urgent, time-limited circumstances, or under other
circumstances where contracting out is recognized or required by law, Federal mandate, or court decisions/orders, the State must make every effort to hire, utilize and retain bargaining unit employees before resorting to the use of private contractors. Contracting may also occur for reasons other than cost savings as recognized or required by law, Federal mandate, or court decisions/orders.

C. Information Regarding Contracts To Be Let

1. Departments will provide the Union’s designated representative with copies of Requests for Proposals (RFPs) and Invitations for Bid (IFBs) for personal services contracts when released for publication if they call for services found in bargaining unit class specifications.

2. To the extent that a department is preparing to enter into a contract (or amend a contract) and it does not require an RFP or IFB, the department shall provide the Union’s designated representative with a copy of the
Standard Form 215 (or its departmental equivalent) if and when the Form 215 is completed, but no less than five (5) business days thereafter, provided the contract is/will be for services found in bargaining unit class specifications. If the Form 215 contains confidential or proprietary information, it shall be redacted as discussed below in subsection D (1).

3. The purpose of this subsection C is to provide the Union with notice and an opportunity to present alternatives which mitigate or avoid the need for contracting out, while still satisfying the needs of the State to provide services. Directors (or their designee) shall therefore meet with the Union for this purpose, if requested by the Union.

D. Review of Personal Services Contracts In Existence

1. Upon request of the Union each department shall submit copies of any or all personal services contracts that call for services found in
bargaining unit class specifications. For each contract, departments shall provide additional documents establishing the number, scope, duration, justification, total costs of all such contracts, and payment of all overhead and administrative costs paid through each contract, provided it does not disclose confidential or proprietary information, in which case it shall be redacted as discussed below. The requested contract and related information shall be provided as soon as reasonably possible. The parties expect that this shall be provided no more than twenty-one (21) calendar days following the request by the Union, or longer if approved by the Union and the department. This shall include contracts that may otherwise be protected from public disclosure, if they provide for services found in bargaining unit class specifications. However, the State may redact those portions of protected contract(s) that are proprietary, necessary to protect the competitive nature of the bid process, and that which does not pertain to the costing of personnel services found in bargaining unit
classifications. The goal shall be to protect against disclosure of information which should remain confidential, while at the same time providing the Union with sufficient information to determine whether unnecessary, additional costs are being incurred by contracting out work found in bargaining unit class specifications. Costing information provided to the Union for protected contracts shall include total personnel costs for personnel services found in bargaining unit classifications plus any overhead charges paid to the contractor for these services, provided such disclosure does not breach confidentiality requirements or include proprietary information.

2. Within ten (10) workdays after receipt of the personal services contracts and associated documents as provided for in paragraph D(1) above, the Union and the department shall begin reviewing the contracts. The Union and the department shall examine the contracts based on the purpose of this section, the terms of the contracts, all applicable laws, Federal
mandates and court decisions/orders. In this regard, the Union and the department will consider which contracts should and can be terminated immediately, which contracts will take additional time to terminate, which contracts may continue (for how long and under what conditions) and how (if necessary and cost effective) to transition contract employees or positions into civil service. All determinations shall be through express mutual agreement of the Union and department.

3. The Union and the department will continue to meet as necessary to examine personal services contracts which have been let.

4. If savings are generated by the termination of personal services contracts under this provision, it is the intent of the State to implement agreements of the Union and the department for utilization of said savings. Such agreements may include:
a. Contributing toward position reductions which would otherwise be accomplished by the layoff, salary reduction or displacement of bargaining unit employees;

b. Enabling the employment of bargaining unit employees for services currently performed by contractors;

c. Enabling of the conversion to bargaining unit civil service employment of qualified contract employees who wish to become State employees, as otherwise permitted by law, regulations, provisions of the contracts and resolutions by the SPB;

d. Providing timely, adequate and necessary recruitment efforts. These efforts may include focused recruitment, publicizing in professional journals, use of the media, job fairs, expedited hiring, expedited background checks, spot testing authorized by the SPB, State employee
registries, and recruitment and retention incentives;

e. Such other purposes as may be mutually agreed upon.

E. Displacement Avoidance

1. The objective of this subsection is to ensure that bargaining unit employees have preference over contract employees consistent with, but not limited to the following principles:

   a. The duties at issue are consistent with the bargaining unit employee’s classification;

   b. The bargaining unit employee is qualified to perform the job; and,

   c. There is no disruption in services.

2. To avoid or mitigate bargaining unit employee displacement for lack of work, the appointing power shall review all existing personal services contracts to determine if work consistent with the affected employee’s classification is being performed
by a contractor. Displacement includes layoff, involuntary demotion, involuntary transfer to a new class, involuntary transfer to a new location requiring a change of residence, and time base reductions. If the Union and the department that review personal services contracts determine that the terms and purpose of the contract permit the State to assign the work to a bargaining unit employee who would otherwise be displaced, this shall be implemented consistent with the other terms of this section. The State and the Union shall meet and confer for purposes of entering into an agreement about the means by which qualified employees are notified and provided with such assignments. This shall include developing a process that ensures that savings realized by terminating the contract and reassigning the work to a bargaining unit employee to avoid displacement, are utilized to offset that employee’s moving and relocation costs, the amount of which shall be consistent with the
Moving/Relocation section of the parties' collective bargaining agreement.

F. Nothing in this section shall be interpreted or applied in such a manner as to interfere with the State or Federal court orders, the authority of the State or Federal courts or the authority of the special masters or receiver.

G. Relationship Between This Section And Related Statutes

The State is mindful of the constitutional and statutory obligations (e.g., Govt. Code § 19130) as it pertains to restriction on contracting out. Thus, nothing in this section is intended to interfere with pursuit of remedies for violation of these obligations as provided by law (e.g., Public Contract Code § 10337).
The Union proposes the following language:

14.9.1 Classification Study: Investigative Auditor Work

If changes to the class specification becomes necessary, such changes will be done in accordance with section 14.1 of this Agreement.
The Union proposes the following language:

14.9.11 Laboratory Assistant Classification (Unit 11)

A. Within six (6) months of ratification of this agreement, the State agrees to conduct a classification review of the Laboratory Assistant and Laboratory Assistant (Correctional Facility) Series. The purpose of this classification review is to determine if the current class specifications adequately describe all facets of the work, (including but not limited to any required certifications or licensure), and establishes appropriate qualifications for the classification.

B. Any changes to the classification shall be handled consistent with Section 14.1 of this MOU.

The State agrees to provide Unit 14 with a written status report, within six (6) months of ratification of this Contract. The purpose of the classification review is to determine if the current class specification adequately describes all facets of the work.

B. Upon completion of the classification review, the State will provide the Union with a copy of the results and recommendations. The State and the Union agree to meet and discuss the results of the review and recommendations, including the following:

If the analysis indicates an existing classification more accurately describes the work of the Exhibit

The joint labor management committee shall complete one (1) classification review prior to the commencement of a

If changes to the class specification become necessary, such changes will be done in accordance with section 14.1 of this Agreement.
The Union proposes the following rollover language:

15.1 Appeal of Involuntary Transfer

A. The State shall make reasonable efforts to avoid involuntary transfers. An involuntary transfer which reasonably requires an employee to change his/her residence may be grieved under Article 6 only if the employee believes it was made for the purpose of harassing or disciplining the employee. If the appointing authority or the CalHR disapproves the transfer, the employee shall be returned to his or her former position, shall be paid the regular travel allowance for the period of time he/she was away from his/her original headquarters; and his/her moving costs both from and back to the original headquarters shall be paid in accordance with the CalHR laws and rules.

D. Employees, who are unwilling to accept the geographical transfer required by their current department, may pursue other options, such as but not limited to voluntary transfer, voluntary demotion, reduced work-time program, authorized partial service retirement, or voluntary retirement or resignation. Such employees who meet the CalHR, SROA definition, shall be considered surplus. The department head or designee shall make job opportunity bulletins and materials available to all eligible surplus employees. Eligible surplus employees shall be permitted to apply and compete for vacant positions of their current class or other classes to which he/she can transfer, pursuant to the SROA process. Article 16 shall govern employee rights and appeals under these conditions.
E. With prior supervisory approval, employees shall be allowed a reasonable amount of State paid time to participate in employment interviews associated with the efforts described in paragraph D above.

F. When a department has two (2) or more qualified employees in a class who are subject to an involuntary transfer which reasonably requires an employee to change his/her residence, the employee(s) to be involuntarily transferred shall be selected in inverse order of seniority. As an exception to inverse seniority, an employee in the same class and affected work unit who is qualified and more senior may request to be involuntarily transferred in lieu of a less senior employee. An employee whose request for transfer is granted, shall be entitled to moving and relocation expenses in accordance with Section 12.1. However, any associated reimbursements shall be subject to applicable IRS and FTB regulations.
The Union proposes the following rollover language:

15.2.15 Joint Labor/Management Appeal of Involuntary Transfer (Unit 15)

A. Joint Labor/Management Committee

In the event that it becomes necessary for a department to involuntarily transfer five (5) or more employees in Bargaining Unit 15 covered by this agreement, the State and the Union will form a Joint Labor/Management Committee to address the affects of such transfer, including but not limited to the following issues:

1. Job placement assistance at the worksite to provide advice, counsel and placement of employees.

2. Available vacancies in other departments in employees' current classifications or other classes to which they can transfer.
3. Publication and dissemination of job opportunity bulletins.

4. Reasonable amount of State paid release time for employees to participate in employment interviews associated with the efforts described above.

The committee shall have equal number of representatives from the State and the Union and shall convene within no less than sixty (60) calendar days of the effective date of the involuntary transfer and shall be provided a reasonable amount of State paid release time to meet with affected employees at the workplace to discuss employees' rights and options in accordance with Government Code, and the Contract.

B. Change In Work Location

The State's intent is to provide a Unit 15 employee with thirty (30) calendar days, but in no case shall the State provide less than fifteen (15) calendar days notice of a permanent change in their work location when the change is made at
other than the employee's request. Unit 15 
employees will be given the reasons in writing.

An employee can submit a written request to change 
his/her work location. The department shall respond in 
writing no later than fifteen (15) calendar days of the 
request. Requests shall not be unreasonably denied.
The Union proposes the following rollover language.

15.3 Hardship Transfer

The State and the Union recognize the importance of hardship transfers as a way of dealing with work and family issues. An employee experiencing a verifiable hardship, e.g., domestic violence, mandatory job transfer of a spouse or domestic partner as defined in Family Code section 297, family illness, serious health condition, injury or death of family members, may request a transfer to another geographic area to mitigate the hardship.

The State shall endeavor to reassign the employee to a comparable or lesser (if comparable is not available) position in the requested geographic area. If the employee accepts a position in a lower paid classification, the State shall endeavor to reinstate the employee to their former classification and comparable salary level.

Transfers under this section shall be considered voluntary and any associated relocation costs shall be
subject to the applicable CalHR laws and rules.

A department shall provide the employee and the Union, in writing, reason(s) for the inability to grant the transfer no later than sixty (60) days after the written request is made.

This section shall be grievable and filed with the department head and appealed to CalHR; it shall not be arbitrable.

The Union proposes the following rollover language:

15.4.3 Employee Opportunity Transfer (Unit 3)

A. The parties recognize that when the State deems it necessary to fill a vacant position, the needs of the State must be given first priority. The needs of the State include the right to fill vacant positions using existing eligible or promotional lists, involuntary transfers, reassignments, or other selection methods for reasons such as affirmative action, special skills, abilities, or aptitudes.

B. The parties also recognize the desirability of permitting a permanent employee to transfer within his/her department and classification to another location which the employee deems to be more desirable. To this end, permanent full-time employees may apply for an Employee Opportunity Transfer to a position at another location within his/her department in accordance with the following procedure:
1. Employees desiring an Employee Opportunity Transfer shall apply in writing to his/her department head or designee in a manner prescribed by the department. Such transfer requests shall be to permanent positions in the same department within his/her current classification.

C. Whenever a department head or designee elects to fill a vacancy through an Employee Opportunity Transfer, a permanent full time employee who already has an Employee Opportunity Transfer application to that location on file with the department shall be selected. 16.1 Layoff and Reemployment

A. Application

Whenever it is necessary because of a lack of work or funds, or whenever it is advisable in the interest of economy to reduce the number of permanent and/or probationary employees (hereinafter known as “Employees”) in any State agency, the State may layoff employees pursuant to this section.

B. Order of Layoff

Employees shall be laid off in order of seniority pursuant to Government Code sections 19997.2 through 19997.7 and applicable SPB and CalHR rules.

C. Notice

1. The State agrees to forward a copy of the layoff plan and a copy of the SROA/Surplus list (as it relates to a potential layoff) to SEIU.
Local 1000 as soon as each is approved by CalHR. It is understood that the layoff plan and the SROA/Surplus list may be approved at different times.

2. Employees compensated on a monthly basis shall be notified thirty (30) calendar days in advance of the effective date of layoff. Where notices are mailed, the thirty (30) calendar day time period will begin to run on the date of the mailing of the notice. The State agrees to notify the Union no later than sixty (60) calendar days prior to the actual date of layoff. The notice to the Union shall also include the reason for the layoff, the area of the layoff, the anticipated classifications affected, the total number of employees in each affected classification, the estimated number of surplus employees in each classification and the proposed effective date of the layoff.

D. Grievance and Arbitration
Any dispute regarding the interpretation or application of any portion of this layoff provision shall be resolved solely through the grievance and arbitration procedure.

E. Transfer or Demotion in Lieu of Layoff

The State may offer affected employees a transfer or a demotion in lieu of layoff pursuant to Government Code sections 19997.8 through 19997.10 and applicable CalHR rules. If an employee refuses a transfer or demotion, the employee shall be laid off.

F. Reemployment

In accordance with Government Code sections 19997.11 and 19997.12, the State shall establish a reemployment list by class for all employees who are laid off. Such lists shall take precedence over all other types of employment lists for the classes in which employees were laid off. Employees shall be certified from department or sub-divisional reemployment lists in accordance with section 19056 of the Government Code.

G. State Service Credit for Layoff Purposes
In determining seniority scores, one (1) point shall be allowed for each qualifying monthly pay period of full-time State service regardless of when such service occurred. A pay period in which a full-time employee works eleven (11) or more days will be considered a qualifying pay period except that when an absence from State service resulting from a temporary or permanent separation for more than eleven (11) consecutive working days falls into two (2) consecutive qualifying pay periods, the second pay period shall be disqualified. Veterans will receive additional credits in accordance with Government Code section 19997.6.

H. Departmental Vacancies

Departments filling vacancies shall offer positions to employees facing layoff, demotion in lieu of layoff or geographic transfer in accordance with current SROA procedures.

I. Employees who are affected by layoff, reduction in time-base or other similar circumstances under this Article will be entitled to continuation of health,

Union Proposal
Bargaining Unit 17
Date 8/16/2019

Proposal No: 1

The Union proposes the following rollover language:

19.1.17 Hours of Work (Unit 17)
The regular work week of full-time Unit 17 employees shall be forty (40) hours and eight (8) hours per day. Work weeks and work days of a different number of hours may be scheduled by the State in order to meet the varying needs of the State.
The Union proposes the following rollover language:

19.1.21 Hours of Work (Unit 21)

A. Employees in Work Week Group (WWG) 2 required to work in excess of forty (40) hours per week shall be compensated for such ordered overtime either by cash payment or compensating time off (CTO) in the following manner:

1. Cash compensation shall be at one and one-half (1½) times the hourly rate.

2. Compensating time off shall be authorized at one and one-half (1½) hours for each overtime hour worked.

3. Employees in classes assigned to WWG 2 shall be compensated for ordered overtime of at least one-quarter (¼) hour at any one time. Overtime will be credited on a one-quarter (¼) hour basis with a full quarter of an hour credit granted if half or more of the
period is worked. Smaller fractional units will not be accumulated.

B. Overtime may be compensated on a cash or CTO basis at the discretion of the department head or designee. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different for employees in the same or similar situations.

C. Notwithstanding any other provision of the MOU, for the purpose of computing the number of hours worked, time when an employee is excused from work because of holidays, sick leave, vacation, annual leave, compensated time off, or any other leave shall not be considered as time worked by the employee for the purpose of computing cash or compensating time off for overtime.

D. Notwithstanding any other contract provision, departmental policy or practice, the travel time of employees who are covered by FLSA shall only be considered as time worked if it
meets the definitions and requirements of travel time in sections 785.41 of Title 29 of the Code of Federal Regulations.

E. No employee in a classification assigned to WWG E shall have his/her salary reduced (docked) for absences of less than an entire day.

The Union proposes the following rollover language:

19.2 Overtime (Excludes Units 17 and 21)

A. Overtime is earned at the rate of one and one-half (1½) times the hourly rate for all hours worked in excess of forty (40) hours in a regular workweek and is compensable by cash or CTO if it meets the following criteria:

1. Ordered overtime of at least fifteen (15) minutes at any one time;

2. Overtime will be credited on a fifteen (15) minute basis with a full fifteen (15) minute credit to be granted if seven (7) minutes is worked. Smaller fractional units will not be accumulated.

B. For the purpose of computing the number of hours worked, time when an employee is excused from work because of holidays, sick leave, vacation, annual leave, or compensating time off, or any other leave not listed below shall not be considered as time worked by the employee for the purpose of computing cash or
compensating time off for overtime. Time spent on jury leave, military leave or subpoenaed witness leave under the provisions in paragraph E below, shall be included for the purpose of computing cash or compensating time off for overtime.

C. Overtime may be compensated on a cash or CTO basis at the discretion of the department head or designee. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different for employees in the same or similar situations. However, in the event that the DIR determines that this provision is inconsistent with Labor Code section 204.3, the parties agree to immediately meet and confer regarding the impact of that determination.

D. Overtime must be authorized in advance, except in an emergency, by the State or its designated representative. This authorization must also be confirmed in writing not later than ten (10) days after the end of the pay period during which the overtime was worked. Each State agency shall maintain complete and accurate records of all compensable
overtime worked by its employees.

E. Before an employee is required to work mandatory overtime, management will make every effort to schedule appropriate available employees prior to mandating overtime. This shall include, but not be limited to: Permanent Intermittent employees, Retired Annuitants and volunteers. In addition management will make every effort to schedule overtime first for those employees who have not taken leave during the week and such employees may be mandated overtime only as a last resort.

As a last resort and in order to meet required staffing needs, if an employee in Bargaining Units 4, 11, 14, 15 or 20 is mandated to work overtime in the same week in which they use approved leave then that approved leave will be considered hours worked for purposes of calculating overtime. Sick leave is excluded from this provision.

F. The time when CTO may be taken shall be at the discretion of the State. When CTO is ordered, reasonable advance notice (at least 24 hours) should be provided the employee. CTO may be
taken only in units of time of fifteen (15) minutes or multiples thereof.

G. CTO for employees shall be earned on a time one and one-half (1½) basis and may be authorized in lieu of cash compensation. If an employee is not allowed CTO within twelve (12) pay periods following the pay period in which the overtime was worked, payment shall be made for such overtime on the next payroll.

H. Employees may accrue up to two hundred forty (240) hours of CTO. All hours in excess of two hundred forty (240) CTO hours shall be compensated in cash.

I. Normally, an employee who has an accumulation of two hundred forty (240) hours or thirty (30) days of authorized overtime shall not be required to work additional overtime.

J. Notwithstanding any other contract provision, departmental policy, or practice, the travel time of employees who are covered by FLSA shall only be considered as time worked if it meets the definitions and requirements of travel time in sections 785.34 through 785.41 of Title 29 of the
Code of Federal Regulations, except as provided in 1, 2 and 3 below.

1. Effective January 31, 2002, all time spent on required travel to an alternate worksite shall be compensated consistent with the requirements of the FLSA. For FLSA covered employees, the State shall endeavor to accommodate travel to an alternate worksite to occur during an employee’s normal work hours. However, the State will also consider the business needs of the department including the costs of travel arrangements.

2. Notwithstanding the above, FLSA covered employees traveling on state business, outside of their normal work hours (as defined in FLSA) will be granted a special allowance for actual time spent traveling. Employees shall receive this special allowance equivalent to the employee’s regular hourly rate on a straight time, hour for hour basis, in cash or CTO, at the discretion of the department head or designee. This is not overtime compensation and shall not be considered as time worked for
calculation of overtime. This paragraph also applies to passengers in carpools, vans or other vehicles, traveling on state business. This paragraph does not apply to employees who voluntarily choose to travel outside their normal work hours.

3. FLSA covered drivers of a carpool, a vanpool, or other vehicle traveling on state business will be compensated consistent with FLSA for purposes of overtime and shall not receive the special allowance described in J(2) above.
The Union proposes the following rollover language:

**19.2.17 Overtime (Unit 17)**

A. Overtime is defined as any authorized time worked in excess of forty (40) hours per week.

B. For the purpose of computing the number of hours worked, time when an employee is excused from work because of holidays, sick leave, vacation, annual leave, compensating time off, or any other leave not listed below shall not be considered as time worked by the employee for the purpose of computing cash or compensating time off for overtime. Time spent on jury leave, military leave, subpoenaed witness leave, or under the provisions listed in paragraph J below shall be included for the purpose of computing cash or compensating time off for overtime.

C. Payment for authorized overtime may be by cash payment or compensating time off (CTO), at the discretion of the State.
D. Rate of payment for authorized overtime, whether cash or CTO, shall be at one and one-half (1-1/2) times the regular rate of pay for each hour of overtime worked, or fraction thereof rounded in accordance with the workweek group.

E. If the State does not schedule CTO within one year from the date the overtime was earned, the State must provide cash payment for the overtime or may, at the request of the employee, extend the time the employee can take CTO. For the purposes of this contract section, authorized overtime is defined as overtime pre-approved by a designated supervisor. When an employee attempts to reach the designated supervisor for approval no later than thirty (30) minutes before the end of his/her shift, in order to request approval for overtime to complete mandated duties, failure of the supervisor to respond to the request or contact within thirty (30) minutes shall be construed as approved overtime authorization. Attempts for authorization must be supported by documentation as determined by departmental
policy.

F. A Unit 17 employee may initiate a request for scheduling CTO which will not be denied without a work-related reason.

G. Both parties agree and understand that a different type of overtime payment (cash or CTO) may be provided to employees at different times and may even be different from employees in the same or similar situations.

H. Employees in classes assigned to WWG 2 shall be compensated for ordered overtime of at least fifteen (15) minutes at any one time. Overtime will be credited on a one-quarter (¼) hour basis with a full quarter of an hour credit granted if seven (7) minutes is worked. Smaller fractional units will not be accumulated.

I. In the DSH and DDS an employee shall have the choice of cash or CTO for overtime hours worked. Management shall have the option each fiscal year to compensate employees up to forty (40) hours with CTO. Prior to working overtime, the employee or the employer shall be notified if the
overtime is to be paid in CTO. Employees may accrue up to one hundred (100) hours of compensating time off. All hours in excess of the one hundred (100) hour CTO maximum shall be compensated in cash. If cash compensation is paid to an employee for accrued CTO, such compensation shall be paid at the regular rate earned by the employee at the time the employee receives such payment. Employees shall have the right to hold up to forty (40) hours of accrued CTO exempt from mandatory buyout.

J. Effective the pay period following ratification before an employee is required to work mandatory overtime, management will make every effort to schedule appropriate available employees prior to mandating overtime. This shall include, but not be limited to: Permanent Intermittent employees, Retired Annuitants and volunteers. As a last resort, to meet required staffing needs, when an employee is mandated to work overtime during a week with approved leave, other than sick leave, they will earn premium (1 ½ time) overtime compensation for hours worked over forty (40) combined leave use,
other than sick leave, and hours worked in that week.
The Union proposes the following rollover language:

19.3 Rest Periods (Excludes Units 14, 15, 17 and 21)

A. An employee may be granted a rest period on State time not to exceed fifteen (15) minutes each four (4) hours of his/her work shift not to exceed thirty (30) minutes each workday. B. Meal periods shall not be counted as part of total hours worked except for those employees who are required by the State to perform assigned duties or remain at their work station during meal periods. When employees are required to work through their meal period, the State shall either adjust the employee's workweek schedule or credit the employee for the time worked.
The Union proposes the following rollover language:

19.5 Set Up/Shut Down Time
Time necessary to "set up" and/or "shut down" a State function shall be part of the employee's workday.
The Union proposes the following rollover language:

19.6.11 Seasonal Employee Work Schedules (Unit 11)
Management will endeavor to provide notice of future work schedule changes to seasonal employees before the end of their work shift and in no event less than four (4) hours prior to the beginning of the next scheduled work shift. If management fails to provide a seasonal employee notice that there is a lack of work for the next scheduled work shift, management will either provide four (4) hours of work or four (4) hours of compensation at management’s discretion.
The Union proposes the following rollover language:

19.6.17 Show Up Time (Unit 17)

A. The provisions of this section shall apply only to Unit 17 employees in WWG 2.

B. An employee who shows up for work at an assigned starting time and has not been notified by the employer prior to reporting not to so report, shall be guaranteed at least four (4) hours of work or shall be paid a minimum of four (4) hours at the employee’s appropriate rate of pay.

C. When a training session is scheduled on an employee’s authorized day off and the training session is canceled without prior notice to the employee, the employee shall be guaranteed at least four (4) hours of work or shall be paid for a minimum of four (4) hours at the employee’s regular rate of pay.

D. When a training session is scheduled on an employee’s scheduled work day and outside the employee’s
scheduled work shift, and the employee is required to attend and the training session is canceled without prior notice, the employee shall be compensated for the actual time from the beginning or end of his/her shift to the notice of cancellation.
The Union proposes the following rollover language:

19.7.17 Report Preparation Time (Unit 17)

In twenty-four (24) hour institutions there are numerous reports required by the hospital, and/or licensing, and/or Joint Commission for Accreditation, and/or court governing agencies. Many of these reports can only be performed by the Unit 17 professional licensed staff. In the interest of allowing Unit 17 employees to do thorough and timely reports, their day shall take into consideration the time necessary to complete these reports.
The Union proposes the following language:

19.8 Flexible Work Hours (Excludes Units 17 and 21)

A. Every department shall offer a flexible work hours program which shall include flexible work hours, an alternate workweek schedule, and/or reduced workweek schedule.

B. Upon request by the Union or an employee, the State shall not unreasonably deny a request for flexible work hours, an alternate workweek schedule or reduced workweek schedule. Employees who have flexible work hours or are placed on an alternate workweek or reduced workweek schedule will comply with procedures established by the department.

C. Any denial of requests made under subsection A or B shall be provided in writing. A copy of the written denial shall also be sent Attn: SEIU Local 1000 Headquarters. In addition, a department head or designee may, upon thirty (30) days notice to affected employees cancel or make permanent...
changes to flexible work hours, alternate work schedules, or reduced work time schedules.

CD. An "alternate workweek schedule" is a fixed work schedule other than standard work hours.

"Flexible work hours" allows for the change of work schedules on a daily basis. "Reduced work time" is defined in Government Code sections 19996.20 through 19996.29.
The Union proposes the following rollover language:

19.8.17 Flexible Work Hours and Alternate Work Schedules (Unit 17)

A. Departments shall establish policies for flexible work hours and alternate work schedules for Unit 17 employees who desire to participate. It is understood, however, that all Unit 17 employees will comply with any sign-in procedures established by a department. Requests for participation in a flexible work hour or alternative work schedule program shall not be unreasonably denied.

At the request of the Union, the departments agree to schedule a meeting at each facility to discuss Union proposals related to flexible hours and alternate work schedules, for level of care employees. Additional meetings may be scheduled with mutual agreement.

B. “Flexible work hours” allow for the change of
work schedules on a daily basis. An “alternate work schedule” is a fixed work schedule other than regular/standard work hours.

C. A regular alternate work schedule shall not exceed twelve (12) hours per work day.

D. The affected employees shall be surveyed to determine the preferred work schedule. In the instance of a twelve (12) hour day workweek schedule, the choice shall be between 6 o’clock to 6 o’clock and 7 o’clock to 7 o’clock. A simple majority vote shall determine which twelve (12) hour schedule will prevail. The State may start the shift at thirty (30) minutes to the hour. The survey shall be jointly conducted by the Union and the Department designee. A written tabulation of the results shall be submitted to the Union. Atascadero State Hospital may continue its twelve (12) hour day scheduling program on a pilot basis for the term of this Contract.

E. Alternate work schedules include, but are not limited to four (4) consecutive ten (10) hour days (also known as “4 ten 40’s” and “9 eight 80’s”).

F. Any denial of requests made under this section shall be in writing. In addition, permanent changes or cancellations to flexible work hours, alternate work schedules or reduced work time schedules shall not be made without prior adequate notice of at least thirty (30) calendar days to affected employees.

G. Upon request of the Union, departments will provide a copy of their formal written flexible work hours and alternate work schedule policies.

H. When a department intends to either establish and/or make major modifications in their existing flexible work hours and/or alternate work schedule policy, they shall notice in accordance with Article 24.1.
The Union proposes the following rollover language:

19.9.1 Exchange of Time Off - Multi-Shift Operations (Unit 1)

2. The supervisor(s) approve the exchange; and

3. The employees exchanging time off shall not be entitled to any additional compensation (e.g., overtime or overtime meals, holiday credit/pay, shift differential), which they would not have otherwise received.

B. Each employee shall be responsible for the coverage...
of the work assignment he/she accepts. If the employee who exchanges with another employee fails to report for duty for the exchange, he/she shall be subject to repaying the actual time (hour-for-hour) of filling in behind the assignment. The State shall first use accrued time credits for the repayment; then use "accounts receivable" should time credits be insufficient for the repayment. In the event the employee fails to report for duty because of illness or injury, he/she may be required to provide medical verification in accordance with section 8.2 of this Contract.

C. An employee who fails to report for duty for the exchange and has not provided a medical verification of illness as described, shall not be allowed to participate in an exchange for one hundred eighty (180) calendar days from the date of the missed exchange.

D. All exchanges must occur within thirty (30) calendar days from the initial exchange.

Proposal No: 1

The Union proposes the following rollover language:

19.10 Work In Multiple Time Zones

When traveling into a different time zone, the first day’s time is computed using the time zone in which the employee started. The time worked on subsequent days is computed by using the time zone in which the employee is working. The time worked on the return trip is computed using the time zone from which the employee departed.

Date ________________
The Union proposes the following rollover language:

19.11 Call Back Time

A. An employee who has completed a normal work shift, when ordered back to work, shall be credited with a minimum of four (4) hours work time provided the call back to work is without having been notified prior to completion of the work shift, or the notification is prior to completion of the work shift and the work begins more than three (3) hours after the completion of that work shift.

B. When such an employee is called back under these conditions within four (4) hours of the beginning of a previous call or an additional call is received while still working on an earlier call back, the employee shall not receive an additional four (4) hours credit for the new call back.

C. When such an employee is called back within four (4) hours of the beginning of the employee’s next shift, call back credit shall be received only for the hours
remaining before the beginning of the employee’s next shift.

D. When staff meetings, training sessions, or work assignments are scheduled on an employee’s authorized day off, the employee shall be credited with a minimum of four (4) hours of work time. When staff meetings and training sessions are scheduled on an employee’s normal workday and outside the employee’s normal work shift, overtime compensation shall be received in accordance with the rules governing overtime.

E. For reporting purposes, compensable time begins when the employee reports to the job site or begins work from a different site, which may include the employee’s home, approved by the department head or designee.
The Union proposes the following rollover language:

19.12 Standby Time

A. “Standby” is defined as the express and absolute requirement that an employee be available during specified off-duty hours to receive communication regarding a requirement to return to work and be fit and able to return to work, if required. It shall not be considered standby when employees are contacted or required to return to work but have not been required to be available for receipt of such contact.

B. Each department or designee may establish procedures with regard to how contact is to be made (e.g., electronic paging device, phone) and with regard to response time while on standby.

C. An employee who is required to be on standby status will be compensated in the following manner: for every eight (8) hours on standby, an
employee shall receive two (2) hours of CTO, which may be prorated on the basis of fifteen (15) minutes CTO for each one hour of standby. Standby may not be scheduled in less than one hour increments.

D. No standby credit will be earned if the employee is called back to work and receives call back credit.

E. Standby and CTO credited as a result of standby shall not be considered time worked for purposes of qualifying for overtime.
The Union proposes the following rollover language:

19.13.1 Overtime Assignments for Work Week Group 2 (WWG 2) Employees (Unit 1)

A. Where the use of overtime is prevalent and there are more than three (3) equally qualified employees within a work unit, the department shall establish a seniority system to request and utilize volunteers to perform overtime work from within the appropriate work area(s) and classification(s). Through the establishment of a seniority volunteer overtime system, departments will endeavor to reduce the amount of mandatory overtime, distribute overtime fairly among volunteers insofar as circumstances, security, or health and safety permit and provide employees with prior notice of possible or actual overtime assignments. However, the Union recognizes a department's right to require overtime or the completion of work in progress by the employee performing the work at the time the determination was made that
overtime was necessary.

B. When assigning mandatory overtime inverse seniority shall be used insofar as circumstances, security, or health and safety permit. The special needs of employees who have documented medical problems, childcare problems, or other significant reasons which would impact on the employee’s ability to work the overtime assignment(s) shall be considered.

C. For the purpose of this section, seniority shall be defined as the same seniority as used to determine vacation accrual. Any ties shall be broken by lot.
The Union proposes the following rollover language:

19.13.4 Overtime Assignments for Work Week Group 2 (WWG 2) Employees (Unit 4)

A. Where the use of overtime is prevalent and there are more than three (3) equally qualified employees within a work unit, the department shall establish a seniority system to request and utilize volunteers to perform overtime work from within the appropriate work area(s) and classification(s).

Through the establishment of a seniority volunteer overtime system, departments will endeavor to reduce the amount of mandatory overtime, distribute overtime fairly among volunteers insofar as circumstances, security, or health and safety permit and provide employees with prior notice of possible or actual overtime assignments.

However, the Union recognizes a department's right to require overtime or the completion of work in progress by the employee performing the work at the time the determination was made.

The Union proposes the following rollover language:

19.13.11 Overtime Assignments for Work Week Group 2 (WWG 2) Employees (Unit 11)

C. For the purpose of this section, seniority shall be defined as the same seniority as used to determine vacation accrual. Any ties shall be broken by lot.
The Union proposes the following rollover language:

19.13.14 Overtime Assignments for Work Week Group 2 (WWG 2) Employees (Unit 14)

A. Overtime will be distributed in class by seniority. When work in progress requires overtime on a given shift, preference shall be given to the employee or crew doing the work. If the employee or crew performing the work declines the overtime, the State shall request volunteers in class by seniority on that given shift prior to assigning overtime. If no volunteers come forward overtime will be assigned to the least senior employee(s) in that classification on that shift. Seniority for the purposes of this section is defined as total State service as used to calculate vacation accrual rates.

B. The first forty (40) hours of ordered overtime during a fiscal year shall be compensated with either CTO or cash, at the employee's discretion. Thereafter, compensation (CTO or cash) shall be determined by the employer.
The Union proposes the following language:

19.13.15 Overtime Distribution for Employees (Excluding CDCR-Adult Programs) (Unit 15)

A. Where the use of overtime is prevalent, the department shall establish a seniority system to request and utilize volunteers to perform overtime work from within the appropriate work area(s) and classification(s). Through the establishment of a volunteer overtime seniority system, departments will endeavor to reduce the amount of mandatory overtime by distributing overtime fairly among volunteers as permitted by operational needs, security, health, safety, and emergencies. Whenever possible, the department will provide employees with prior notice of possible or actual overtime assignments. However, the Union recognizes a department's right, within budgetary constraints, to require overtime, or the completion of work in progress by the employee performing the work at the time the determination was made that overtime was necessary or to assign the work to another appropriately classified employee from the volunteer list.
B. When assigning mandatory overtime by inverse seniority, i.e. the least senior employee first, the special needs of employees who have documented medical problems, substantiated childcare problems, or other significant reasons which would impact on the employee's ability to work the overtime assignment(s) will be considered.

C. The department shall endeavor to refrain from assigning employees mandatory overtime on their regular day off (RDO) or any pre-approved time off. For the purposes of this section, an employee's RDO begins immediately after the completion of their normal shift before the RDO.

D. No food service Unit 15 employee will be required to work in excess of sixteen (16) hours continuously in a twenty-four (24) hour period, nor shall a food service Unit 15 employee be required to work more than two (2) double shifts within his/her scheduled workweek, unless mutually agreed to.

E. Exceptions to seniority for overtime may be made due to employee attendance restrictions and adverse actions or ward or client safety and/or staff familiarity or training, if such reasons are directly related to the performance of the overtime work. Requests for overtime shall not be unreasonably denied and upon request, a denial shall be made in writing.

F. For purposes of this section, departments shall establish a seniority system based on an employee's total seniority in the
classification. Ties shall be broken first by total State service and then by lot.

G. Upon request of the Union, the parties shall meet at the local level to resolve any concerns regarding the overtime seniority system for Unit 15 employees at the specific facility, institution, or hospital.

ARTICLE 19

19.13.20 Overtime Mandatory Scheduling – Excluding CDCR LVNs and CNAs (Unit 20)

A. The Departments recognize and understand the importance of reducing mandatory overtime to Unit 20 Employees. To this end, the Department will make every effort to schedule staff in a manner that will reduce the need for mandatory overtime. Both parties agree that mandatory overtime is an undesirable method of providing staff coverage.

B. There shall be no mandatory overtime on an employee’s Regular Day Off (RDO) or pre-approved day off (an employee’s RDO begins immediately after completion of their normal shift before their RDO), except:

1. In an emergency situation such as a natural disaster; or
2. During a state of emergency declared by the State or Federal authorities; or
3. During an emergency situation declared by a Warden, Superintendent, Executive Director or designee; or
4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
5. When the employees shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available; or
6. When all other options have been exhausted.

C. Except in cases of emergency, or planned program activity, employees shall not be required to:

1. Work more than four (4) five (5) mandatory overtime shifts of at least two (2) hours of duration in a month, effective January 2, 2020; August 1, 2016, and implement reductions in accordance with Article 19.X and the Joint Labor Management Task Force; or
2. Work in excess of sixteen (16) continuously in a forty-eight (48) hour period; or
3. Work in excess of two (2) mandatory overtime shifts per work week.

D. It is not the intent to mandate employees to work overtime in classifications other than their own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than their own.

E. Upon request, and where practical, the State shall, upon consultation with the Union, establish a system to request and utilize qualified volunteers to perform overtime work from within the appropriate work area(s). Through the establishment of such a system, the State will endeavor to reduce the amount of mandatory overtime and number of mandatory holdovers, distribute overtime fairly insofar as circumstances of health and safety permit, and provide employees notice of possible or actual overtime assignments. [Moved to 19.13.20 V]

F. Before an employee is required to work mandatory overtime, a reasonable effort will be made to find an acceptable volunteer within the program where the employee works. Overtime shall first be offered to level-of-care employees for level-of-care overtime assignments before allowing other BU 20 classifications to work overtime.

G. Upon request of an employee who has been on duty continuously for sixteen (16) hours, the employer shall have the option to:

1. Allow the employee to take the next shift off on vacation, CTO, or Holiday credit if staffing permits.

2. Adjust the employee’s shift starting time to provide a ten (10) hour break between shifts.

3. Allow the employee to take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break. Management will take into account the employee’s preference.

G. Employees shall not be made to work mandatory overtime on the same holidays in two (2) consecutive years. Holidays are defined as those listed in Article 7.1.

H. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met their overtime obligation, in accordance with section C 1 above.

I. The department will endeavor to provide employees notice of at least ninety (90) minutes in advance notice of possible or actual mandatory overtime assignments.
J. While on vacation, pre-approved absence, or on full work day absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, employees will not be considered for mandatory overtime.

*This includes instances where an employee was unable to complete their regular shift due to illness and had to be released from duty to go home.

H. The Department of Developmental Services:

1. Facilities that utilize the red-dot-blue-dot system for assigning overtime will count time worked, as a result of either a “red-dot-blue-dot” assignment, toward the mandatory overtime limitations.

2. At management's discretion all Unit 20 employees at a facility may be included in the mandatory overtime distribution process.

In accordance with Article 5.10 (Labor/Management Committees), each Department's Labor Management Committee will address overtime issues within this Article.
The Union proposes the following language:

19.13.20 V Overtime Voluntary Scheduling – Excluding CDCR LVNs and CNAs (Unit 20)

A. Upon request, and where practical, the State shall, upon consultation with the Union, establish a system to request and utilize qualified volunteers to perform overtime work from within the appropriate work area(s). The State shall distribute overtime fairly insofar as circumstances of health and safety permit, and provide employees notice of possible or actual overtime assignments.

B. Overtime shall first be offered to level-of-care employees for level-of-care overtime assignments before allowing other BU 20 classifications to work overtime.

C. BU 20 employees may volunteer to work overtime in classifications other than their own.
The Union proposes the following language:

19.14.15 Overtime Distribution for Employees (CDCR - Adult Programs) (Unit 15)

A. In order to reduce the amount of mandatory overtime, the department shall establish a seniority system to request and utilize volunteers to perform overtime work from within the appropriate work area(s) and classification(s). Through the establishment of a volunteer overtime seniority system, departments will endeavor to reduce the amount of mandatory overtime by distributing overtime among volunteers as permitted by operational needs, security, health, safety, and emergencies. Whenever possible, the department will provide employees with prior notice of possible or actual overtime assignments. However, the Union recognizes a department's right, within budgetary constraints, to require overtime, or the completion of work in progress by the employee performing the work at the time the determination was made that
overtime was necessary or to assign the work to another appropriately classified employee from the volunteer list.

B. When assigning mandatory overtime by inverse seniority, i.e. the least senior employee first, the special needs of employees who have documented medical problems, substantiated childcare problems, or other significant reasons which would impact on the employee's ability to work the overtime assignment(s) will be considered.

C. The department shall endeavor to refrain from assigning employees mandatory overtime on their regular day off (RDO) or pre-approved time off. For the purposes of this section, an employee's RDO begins immediately after the completion of their normal shift before the RDO.

D. No food service employee will be required to work in excess of sixteen (16) hours continuously in a twenty-four (24) hour period, nor shall a food service employee be required to work more than two (2) double shifts within his/her scheduled
workweek, unless mutually agreed to. Institutions that have overlapping shifts of 30 minutes (or less) are not exempt from this prohibition and shall not circumvent this protection by deducting the 30 minute (or less) overlap from the total hours.

E. Exceptions to seniority for overtime may be made due to employee attendance restrictions and adverse actions or inmate safety, and/or staff familiarity or training, if such reasons are directly related to the performance of the overtime work. Requests for overtime shall not be unreasonably denied and upon request, a denial shall be made in writing.

F. For purposes of this section, departments shall establish a seniority system based on an employee’s total seniority in the classification. Ties shall be broken first by total state service and then by lot.

G. Upon request of the Union, the parties shall meet at the local level to resolve any concerns, regarding the overtime seniority system for Unit 15.
employees at the specific facility, institution, or hospital.

H. The distribution of overtime for Correctional Supervising Cooks in CDCR, adult facilities shall be completed using a voluntary/involuntary system. When management determines that overtime is necessary, it shall be offered based on the seniority of the employees available to work (for ties, see Section F. of this Article). Seniority is defined in Section F. of this Article. Management shall utilize the voluntary system before resorting to the involuntary system. In accordance with Section A. of this Article, it may not always be practical, in every instance, to offer overtime to the most senior employee (e.g., operational needs, security, health, safety, and emergencies). However, except for the permissions expressed in Section A. of this Article, institutions will endeavor to afford overtime as outlined below in Sections I and J of this Article.

I. VOLUNTARY SYSTEM
Management will offer overtime shifts on a rotational basis to the senior employee first, then in seniority order until an employee volunteers to cover the vacant shifts. Employees shall be eligible to select one (1) shift per rotation, and the rotation will continue until all shifts are covered or there are no employees who elect to take remaining shift(s).

Overtime opportunities shall be posted as soon as possible after it becomes known that overtime is available. This may be accomplished via an overtime signup sheet. Management shall offer voluntary shifts from the single signup sheet to ensure all eligible employees are offered the opportunity to accept or decline the overtime shift. The voluntary overtime distribution system should include a log, or other verifying methods, that notes overtime was offered in order of seniority using the single signup sheet.

The log/verifying method should also include: the scheduled shift; date and time; the name of the employee that was contacted; who made the
contact; and the outcome of the contact (example: answering machine, no answer, employee declined, employee accepted). A copy of the log shall be made available at the request of an employee. When it is alleged that a violation of this section has occurred, the Union may file a grievance directly to Step 2 of the grievance procedure outlined in Article 6 of this Contract.

J. INVOLUNTARY SYSTEM

When assigning involuntary or mandatory overtime, Management will utilize an inverse seniority system, where the least senior employee will be assigned the overtime, unless the employee is protected by the provisions of Section C. of this Article. The assignment of involuntary overtime will be documented to track the employees that have been assigned overtime shifts. Institutions will endeavor to provide advance notice to employees when the use of the involuntary overtime system is required.

19.14.17 Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services (Unit 17)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When an overtime assignment becomes available, either expected or unexpected, the CDCR/CCHCS shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 17 (BU 17) nursing staff (by classification) who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments. When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, on-duty full and part-time BU 17 employees, and contract nursing registry, in this order. After these avenues have been exhausted, a BU 17 classification employee may be mandated to work overtime as outlined below.

Voluntary Overtime

A. BU 17 classification employees shall be assigned voluntary overtime by departmental seniority, on a rotational basis by classification. Seniority scores will be determined by counting one point for each month of full-time qualifying service, i.e., from full-time hire date, less any time off for unpaid leave, suspensions, etc. In the event of ties, total state service will be used to determine seniority scores.

B. The CDCR/CCHCS shall establish lists of BU 17 employees by classification in seniority score order. BU 17 employees may sign up for voluntary overtime by adding their name to the VOR. To ensure equitable volunteer overtime opportunity, BU 17 employees shall be provided an opportunity to choose a
voluntary overtime slot once. Thereafter, all other BU 17 employees will be provided the same volunteer overtime opportunity once, assuring each BU 17 employee is provided an opportunity for one sign-up before returning to the most senior employee and beginning the process again (i.e., the rotation will again start at the top of the seniority list and work its way down).

C. If a specific position was indicated for the voluntary request, and was changed or no longer needed, the nursing supervisor will make all reasonable attempts to notify the affected BU 17 employee. If the BU 17 employee arrives to find the position changed or no longer needed, the BU 17 employee shall not be required to work that position, but may be offered an alternate assignment. If no alternate assignment is available, the BU 17 employee may choose to leave.

D. Once a BU 17 employee has signed up for voluntary overtime, it is their responsibility to work that position, unless they have given the nursing supervisor, or their designee, seventy-two (72) hours notice to enable the timely scheduling of a replacement.

E. A BU 17 employee may "bump" a scheduled registry nurse at any time during the month, provided they give the nursing supervisor, or their designee, seventy-two (72) hours notice to enable them to notify the Registry that they will not be needed for the affected position. [moved to 19.14.V]

Involuntary Overtime

A. BU 17 employees (by classification) shall be assigned involuntary overtime on a rotating basis by inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority of all full-time and part-time BU 17 employees (by classification). Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.

a. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met their overtime obligation.

C. The State shall refrain from assigning mandatory overtime on a BU 17 employee's RDO. For the purpose of this section, an employee's RDO begins immediately after completion of their normal shift before the RDO.

D. It is not the State's intent to mandate BU 17 employees to work involuntary overtime in classifications other than their own. Consistent with that expressed

intent, a BU 17 employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. (This expressed intent, however, does not preclude BU 17 employees from volunteering to work overtime in classifications other than their own, when it is appropriate.)

E. Management shall make every attempt not to schedule BU 17 employees:

1. More than three (3) involuntary overtime shifts per month, effective January 2, 2020, and implement reductions in accordance with Article 19.X and the Joint Labor Management Task Force; or

2. In excess of sixteen (16) hours continuously; or

3. In excess of two (2) overtime shifts within an employee’s scheduled work week; or

4. More than two (2) consecutive calendar days; or

5. On the same holidays in two (2) consecutive years. Holidays are defined as those listed in Article 7.1.

F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employer shall have the option to allow the employee to:

1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.

2. Adjust his/her shift starting time to provide a ten (10) hour break between shifts.

3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

G. A mandated holdover of two (2) hours or more is considered a mandated overtime.

H. While on vacation, pre-approved absence, or on full workday absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, BU 17 employees will not be considered for mandatory overtime. Upon return to work, the BU 17 employee will return to the involuntary rotation in seniority order.

*This includes instances where an employee was unable to complete their regular shift due to illness and had to be released from duty to go home.

19.15.17 Overtime Mandatory Scheduling (Excluding CDCR) (Unit 17)

A. The Departments recognize and understand the importance of reducing overtime to Unit 17 employees. To this end, the Departments will make every effort to schedule staff in a manner that will reduce the need for mandatory overtime. Both parties agree that mandatory overtime is an undesirable method of providing staff coverage.

B. There shall be no mandatory overtime on an employee's RDO (an employee's RDO begins at the end of the employee's last scheduled shift in the workweek), or pre-approved day off, except:

1. In an emergency situation such as a natural disaster; or
2. During a state of emergency declared by the State or Federal authorities; or
3. During an emergency situation declared by a Superintendent, Executive Director or designee; or
4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
5. When the employee’s shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available;
6. When all other options have been exhausted.

C. Except in cases of emergency or planned program activity employees shall not be required to work:

1. More than three (3) four (4) mandatory overtime shifts per month of at least two (2) hours of duration, effective January 2, 2020; and implement reductions in accordance with Article 19.x and the Joint Labor Management Task Force; or
2. In excess of sixteen (16) hours continuously in a forty-eight (48) hour period; or
3. In excess of two (2) mandatory overtime shifts in an employee’s scheduled work week; or

AND NO MORE THAN 2 OVERTIME SHIFTS PER MONTH EFFECTIVE JUNE 1, 2021
4. When an employee is required to work twelve (12) to sixteen (16) hours that employee shall not be mandated to work overtime the next calendar day.

D. It is not the intent to mandate employees to work overtime in classifications other than their own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than their own.

E. Upon request, and where practical, the State shall, upon consultation with the Union, establish a system to request and utilize qualified volunteers to perform overtime work from within the appropriate work area(s). Through the establishment of such a system, the State will endeavor to reduce the amount of mandatory overtime and number of mandatory holdovers, distribute overtime fairly insofar as circumstances of health and safety permit, and provide employees notice of possible or actual overtime assignments. The State shall also consider the use of intermittents, in-house registries, or float pools.

J. While on vacation, pre-approved absence, or on full work day absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, employees will not considered for mandatory overtime.

for the affected position. [moved to 19,15,20 V]

Involuntary Overtime

A. BU 20 CNAs shall be assigned involuntary overtime on a rotating basis by
inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority,
of all full-time and part-time BU 20 CNAs. Staff shall only be assigned an
involuntary slot once, until the entire list has been depleted.

   a. For the purpose of mandatory overtime rotation, employees who are charged
      FMLA leave shall be considered to have met their overtime obligation.

C. There shall be no mandatory overtime on a BU 20 CNA's RDO or pre-approved
day off, (for the purposes of this section, an employee's RDO begins immediately
after completion of their normal shift before the RDO) except:

   1. In an emergency situation such as a natural disaster; or

   2. During a state of emergency declared by the State or Federal
      Authorities; or

GJC
Management Counter Proposal

3. During an emergency situation declared by a Warden, Superintendent, Executive Director, Chief Executive Officer or designee; or

4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or

5. When the employees shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available; or

6. When all other options have been exhausted.

D. Management shall make every attempt not to schedule BU 20 CNAs:

1. More than four (4) five (5) involuntary overtime shifts per month, effective January 2, 2020 through August 1, 2021, and implement reductions in accordance with Article 19.X and the Joint Labor Management Task Force; or

2. In excess of sixteen (16) hours continuously; or

3. In excess of two (2) overtime shifts within an employee’s scheduled work week; or

4. More than two (2) consecutive calendar days; or

5. On the same holidays in two (2) consecutive years. Holidays are defined as those listed in Article 7.1.

E. It is not the intent to mandate employees to work overtime in classifications other than their own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than their own.

F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employee shall have the option to:

1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
Management Counter Proposal

2. Adjust his/her shift starting time to provide a ten (10) hour break between shifts.

3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

G. A mandated holdover of two (2) hours or more is considered a mandated overtime.

H. While on vacation, pre-approved absence, on a full workday absence due to sick leave*, Union leave, State release time, or any other authorized absence from the facility, BU 20 CNAs will not be considered for mandatory overtime. Upon return to work, the BU 20 CNA will return to the involuntary rotation in seniority order.

*This includes instances where an employee was unable to complete their regular shift due to illness and has been approved to be released from duty to go home.

I. In accordance with section 5.10 (Labor/Management Committee), CDCR/CCHCS’s Labor Management Committee will address overtime issues within this section.
The Union proposes the following language:

19.15.20- V Overtime Voluntary Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services CNAs (Unit 20)

When an overtime assignment becomes available, either expected or unexpected, the CDCR/CCHCS shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 20 (BU 20) nursing staff who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments.

Nothing in this provision would preclude the scheduling of a PIE in lieu of overtime.

A. BU 20 CNAs shall be assigned voluntary overtime by BU 20 departmental seniority, on a rotational basis. Seniority scores will be determined by counting one point for each month of full-time BU 20 qualifying service, i.e., from full-time hire date,
less any time off for unpaid leave, suspensions, etc. In the event of ties, total state service will be used to determine seniority scores.

B. The CDCR/CCHCS shall establish lists of BU 20 CNAs in seniority score order. BU 20 CNAs may sign up for voluntary overtime by adding their name to the VOR. To ensure equitable volunteer overtime opportunity, BU 20 CNAs shall be provided an opportunity to choose a voluntary overtime slot once. Thereafter, all other BU 20 CNAs will be provided the same volunteer overtime opportunity once, assuring each BU 20 CNA is provided an opportunity for one sign up before returning to the most senior employee and beginning the process again (i.e., the rotation will again start at the top of the seniority list and work its way down).

C. If a specific position was indicated for the voluntary request, and was changed or no longer needed, the nursing supervisor will make all reasonable attempts to notify the affected BU 20 CNA. If the employee arrives to find the position changed or no
longer needed, the employee shall not be required to work that position, but may be offered an alternate assignment. If no alternate assignment is available, the BU 20 CNA may choose to leave.

D. Once a BU 20 CNA has signed up for voluntary overtime, it is their responsibility to work that position, unless they have given the nursing supervisor, or their designee, seventy-two (72) hours notice to enable the timely scheduling of a replacement.

E. A BU 20 CNA may “bump” a scheduled registry CNA at any time during the month, provided they give the nursing supervisor, or their designee, seventy-two (72) hours notice to enable them to notify the Registry that they will not be needed for the affected position.

F. BU 20 employees may volunteer to work overtime in classifications other than their own.
The Union proposes the following rollover language:

19.16.14 Shift Changes (Unit 14)

A. The State shall endeavor to provide employees with thirty (30) calendar days advance notice, but not less than fifteen (15) working days, of permanent changes in shift assignments, except in emergencies. Permanent shift assignment is defined as an assignment of thirty (30) calendar days or more.

B. The parties agree that voluntary movement between shifts is always desirable, and to the extent practicable, the filling of vacancies shall be preceded by an announcement, posted for ten (10) working days, opening the available shift for voluntary movement, before filling the position as a “new hire”.

C. Shift changes will be assigned based on operational needs, and selection of personnel shall be based on skills and knowledge. Total in-class...
seniority may be used to break ties between equally qualified individuals.

D. Shift changes required by emergency situations shall last no longer than the emergency that occasioned the change.

Union Proposal
Bargaining Unit 17
Date 8/19/2019

Proposal No: 1

The Union proposes the following rollover language:

19.16.17 Change in Shift Assignment (Unit 17)

A. The State will attempt to provide Unit 17 employees with thirty (30) calendar days, but no less than fifteen (15) calendar days advance written notice of permanent shift changes including the reporting date of the change, shift start/stop times and regular days off (RDOs) when the change is made at other than the employee's request. Upon written request by the employee, the department or its designee will provide the employee with a reason for the shift change in writing.

1. If an employee receives fifteen (15) calendar day notice, he/she may request to meet with management to discuss an extension for an additional fifteen (15) calendar days and requests shall not be unreasonably denied. This request shall
not exceed a total of thirty (30) calendar days.

B. Unit 17 employees wishing to change shifts within a facility or program, if employed in twenty-four (24) hour facility, shall submit a written request to the facility/program management or designee. When management determines that a vacancy on the requested shift is available to a Unit 17 employee, the supervisor shall consider employees with shift change requests based on the needs of the clients/patients/wards/students/inmates, seniority, employee skills and abilities, performance and attendance, staffing requirements, and needs of the facility.

C. Unit 17 employees wishing to change shifts within the same ward or unit, if employed in a twenty-four (24) hour facility, shall submit a written request to the facility/program management or designee. When management determines that a vacancy on the requested shift is available to a Unit 17 employee, the supervisor shall consider employees with shift change requests based on
the needs of the
clients/patients/wards/students/inmates, seniority,
performance and attendance, staffing
requirements, and needs of the facility.

D. It is the intent of the State not to arbitrarily make
temporary shift changes for punitive reasons or
to avoid the payment of overtime.
The Union proposes the following rollover language:

**19.16.21 Shift Change (Unit 21)**

A. Except in emergencies, the State shall provide fourteen (14) calendar days advance notice of permanent shift changes so that the employee has an opportunity to reschedule his/her obligations.

B. When a department has approved an educational program for an employee and subsequently requires the employee to change his/her shift, as defined above, the department will support the employee's claim for reimbursement of the nonrecoverable cost of tuition for the educational program, if the shift change requires the employee to discontinue the educational program.
The Union proposes the following rollover language:

19.17.17 Mixed Shift Work Weeks (Unit 17)

A. A mixed shift work week is one in which an employee is regularly scheduled to work more than one shift or watch in fulfilling his/her normal forty (40) hour work week schedule.

B. Within thirty (30) days of receiving a written request from SEIU Local 1000, the State agrees to meet at the local worksite to discuss issues relating to the scheduling of mixed shift work weeks. At these local meetings, the parties shall seriously consider alternative scheduling methods for mixed shift work weeks as well as the following alternatives in lieu of full-time mixed shift work week assignments: using in-house registries, outside registries and intermittent work. Up to three (3) representatives of the Union shall be released without loss of compensation for these
meetings.

C. It is the intent of the State not to arbitrarily make mixed shift work weeks for punitive reasons.
The Union proposes the following rollover language:

19.18.17 Rescinding Approved Time Off (Unit 17)

A. Approval for the use of accrued compensating time off (CTO), holiday credit, personal holiday, or vacation/annual leave credits shall not be rescinded unless the State determines the employee’s presence is necessary for coverage, workload, or the continuation of services. The State shall provide advance notice of such cancellation, whenever possible.

B. When scheduled CTO, holiday time off or vacation/annual leave is rescinded the State shall give priority consideration to the employee’s request to reschedule the rescinded time off.

C. If the employee suffers a financial loss from the cancellation of vacation/annual leave, holiday time off or CTO time approved in writing, the employee may submit a Victims Compensation and Government Claims Board claim for nonrefundable
expenditures which can be verified. The department shall support the claim, whenever possible.
The Union proposes the following rollover language:

19.18.20 Rescinding Approved Time Off (Unit 20)

A. Approval for the use of accrued compensating time off (CTO), vacation, or annual leave credits will not be rescinded unless the State determines the employee's presence is necessary for coverage, workload, or the continuation of services.

B. When scheduled CTO, vacation, or annual leave is rescinded, the State shall give priority consideration to the employee’s request to reschedule the rescinded time off.

C. If the employee suffers a financial loss from the cancellation of CTO, vacation or annual leave that has been approved in writing, the employee may submit a Victim Compensation and Government Claims Board claim for nonrefundable expenditure which can be verified. The employer will support the claim.
The Union proposes the following rollover language:

19.19.3 Work Week Group E or SE (Unit 3)

The State of California (CalHR), employer, and Service Employees International Union, Local 1000, as the exclusive representative for Bargaining Unit 3 (Professional Educators and Librarians), agree that:

A. In the agreement between the parties (7/1/99 to 7/2/01), the parties agreed to place all Bargaining Unit 3 employees in Work Week Group 4C.

B. In February 2000, in order to be consistent with the structure of the Fair Labor Standards Act (FLSA), the employer changed the name of Work Week Group 4C to either E or SE.

C. In Unit 3, all employees designated E or SE remain covered by section 19.1.3, paragraph F, regardless of E or SE designation.

D. Section 19.1, paragraphs A through D, generally describe hours of work for State
employees. However, section 19.1.3, paragraph F, Work Week Group Policy for FLSA – Exempt/Excluded Employees specifically describes the provisions of the Work Week Group designations for BU3 specified above.

The Union proposes the following rollover language:

19.19.17 Work Week Group (WWG) Definitions (Unit 17)

A. WWG “2” applies to those classifications in State service subject to the provisions of the Fair Labor Standards Act (FLSA). Overtime for employees subject to the provisions of the FLSA is defined as:

“all hours worked in excess of forty (40) hours in a period of one hundred sixty-eight (168) hours or seven (7) consecutive twenty-four (24) hour periods.”

B. WWG “E” includes classes that are exempted from coverage under the FLSA because of the “white-collar” (administrative, executive, professional) exemptions. To be eligible for this exemption a position must meet both the “salary basis” and the “duties” test. Consequently, WWG “E” applies to classes and positions with no minimum or maximum number of hours in an average workweek. Exempt employees are paid
on a “salaried” basis, and the regular rate of pay is full compensation for all hours worked to perform assigned duties. However, these employees shall receive up to eight (8) hours holiday credit when ordered to work on a holiday. A “salaried” employee may not receive any form of overtime compensation, whether formal or informal.

C. WWG “SE” applies to those positions that under the FLSA are statutorily exempted, (physicians, attorneys, and teachers) from coverage.
The Union proposes the following rollover language:

19.19.21 Work Week Group E - Policy (FLSA-Exempt) (Unit

State employees who are exempt from the FLSA are not hourly workers. The compensation they receive from the State is based on the premise that they are expected to work as many hours as is necessary to provide the public services for which they were hired. Consistent with the professional status of these employees, they are accountable for their work product, and for meeting the objectives of the agency for which they work.

Following is the State's policy for all employees exempt from the FLSA:

1. Management determines, consistent with the current MOU's, the products, services, and standards which must be met by FLSA-exempt employees.

2. The salary paid to FLSA-exempt employees is full compensation for all hours worked in providing the product or service.
3. FLSA-exempt employees are not authorized to receive any form of overtime compensation, whether formal or informal.

4. FLSA-exempt employees are expected to work within reason as many hours as necessary to accomplish their assignments or fulfill their responsibilities.

5. Consistent with the services which management has determined must be provided, FLSA-exempt employees are to be given discretion in establishing their work hours. Employees are responsible for keeping management apprised of their schedule and whereabouts, must receive approval from management for the use of formal leave (e.g., vacation, sick leave, personal leave) and for absences of one day or more, and must respond to directions from management to complete work assignments by specific deadlines.

6. Consistent with the salaried nature of FLSA-exempt employees, these employees:

   1. Shall not be charged any paid leave for absences in less than whole day increments.

   2. Shall not be docked for absences of less than a day.
3. Shall not be suspended for five (5) days or less when facing discipline.

4. Shall not have absences of less than a day recorded for attendance, record keeping, or compensation purposes.

5. May be allowed, with approval of appointing power, absences with pay for one or more whole days due to excessive work load or other special circumstances not defined in their duty statement.

Proposal No: 1

The Union proposes the following rollover language:

19.19.21(a) Guidelines for Applying Work Week Group E  
Policy (Unit 21)

The purpose of this document is to provide additional guidelines for both supervisor and the employee to assist them in applying the WWG E work week group policy as implemented on January 24, 1994.

Not discussed fully in the WWG E policy is the essential need for ongoing communication between supervisor and employee. This is, of course, two way communication not merely one way. While no one can lay down absolute rules for how often supervisors and employees need to have dialogue, they must do so frequently enough so that both are provided with information they need for each to fulfill their roles in completing work and achieving the mission and goals of the organization.

WWG E employees are not paid for time spent per se, but for work performed. It is therefore appropriate that the focus of the dialogue between supervisors and employees be primarily on what work is to be done, when it is to be completed, and
perhaps, how it is to be completed. This includes, not only, specific work and products that have definite deadlines, but also ongoing functions such as interaction with or providing consultation to other employees. Generally, prescribing specific hours should not be necessary. The needs of those receiving consultation or advice and their availability, coupled with the other work requirements an employee has, should indicate how these important needs can be met. This may be by a variety of methods and it may employ time frames that change from week to week, in some cases, while in others the time spent in providing consultation to colleagues, etc, may be fairly fixed and consistent.

As much as possible, the employee should be given flexibility in determining how and when this is done, provided that this function is being adequately taken care of. If an employee fails to fulfill this function, it may indicate the need for a more fixed schedule in terms of being available. It is important, also, that if work requirements and/or deadlines or other situations change, that the supervisor continue to inform the employee on a timely basis of such factors so that the employee is able to make whatever adjustments are necessary in terms of effort, time, and/or changing priorities to meet the changing expectations of the supervisor.
From the supervisor's point of view, it is important that the employee not only be diligent in working towards completion of various assignments, but also be diligent concerning providing the ongoing assistance and/or performance of his/her duties that may be necessary for the effective operation of the particular work unit. This means that as situations change or as work progresses, the supervisor needs to receive feedback from the employee on a fairly frequent basis, especially when any problem or change takes place that might require some adjustment in work, product, methodology, etc. It is also important in case changes occur that a supervisor must be able to communicate with an employee if needed. This makes it essential that employees are diligent in keeping their office informed of their whereabouts and their schedules. While it is not always possible, it should be done probably at least on a weekly basis. Where changes occur, these should be reported and the schedule adjusted accordingly. This does not necessarily mean the filling out of long detailed written schedules, in practically all cases, these are unnecessary. What is necessary is whatever it takes so that if a supervisor on Tuesday morning at 10 a.m. finds it essential to discuss an issue with an employee, that the employee’s secretary or colleagues know the employee’s schedule and how, if possible, he/she may be reached.
In the case of an employee's being at a doctor's appointment or in court or in a variety of other situations, the employee may not be reachable at a given time, but information should have been provided so that the supervisor knows when the employee will next either call in or be available for discussion. In some cases, arrangements which for example provide that the employee will be available during specific hours a given day may be useful in providing opportunities for either discussions with the supervisor and/or colleagues needing or providing assistance. These matters, of course, should all be discussed thoroughly by both supervisor and employee so there is a clear understanding of the expectations both have with regard to availability, completion of work assignments, etc.

You will note that in the paragraphs above, while times for consultation, etc. were discussed, there was little mention made of any sort of fixed hours or work schedule, except in the one hypothetical example in the last paragraph. This approach is in keeping with the WWG E concept since it avoids the notion that the employee is required to work a fixed work schedule. This is, in fact, the basic concept of the WWG E work week group policy and is what distinguishes it from WWG 2. Fixed work schedules that are not based on actual operational needs are not appropriate to the WWG E policy. While it is true that the typical
business hours of most State agencies and offices is from 8:00 a.m. to 5:00 p.m., Monday through Friday, this does not translate into requiring an 8:00 a.m. to 5:00 p.m. or other fixed schedule for all employees. While it may, in fact, be necessary for a particular WWG E employee to generally work a schedule that appears to follow the 8:00 a.m. to 5:00 p.m. regime, this should only occur because the work being performed dictates such a schedule. If in fact the work need not be performed during those specific hours, there is no operational need to require those specific hours, or any other specific hours for that matter. Counting hours is antithetical to the WWG E concept.

Supervisors should be aware that it is not the time spent in the office, or even the time spent in the actual performance of duties that should be the subject of evaluation of an employee. Rather, the quality of work performed, the work product itself and the fulfillment of professional duties should be the focus of evaluation. If there are deficiencies in these areas, the corrective action/adverse action procedures should be followed.

If an employee is not available for consultation with other employees and is therefore not fulfilling that responsibility, that must be the focus of attention, not whether the employee is available during specific hours in the office. Employees need to be aware, however, that if they are not fulfilling their obligations
in terms of consultation with other employees, etc. management does have the right to temporarily impose a more fixed work schedule in order to insure that these duties are being performed. If this becomes a matter of dispute, then outside help should be sought so that the difference of opinion can be resolved. Where this does not occur, the expedited dispute procedure which has been negotiated should be followed.

2. The Master Overtime List will include the names of every Counselor, regardless of their area assignment. The Counselors will be ranked on
the list by the amount of overtime hours they have been offered since the beginning of the academic school year. The Counselor at the top of the list will be the Counselor who has been offered the least amount of overtime hours since the beginning of the academic school year; the list will progress down to the Counselor at the bottom of the list who has been offered the most amount of overtime hours since the beginning of the academic school year.

3. The Elementary Area Overtime List will include only those Counselors who are assigned to the Elementary Area. The Counselors will be ranked on the list by the amount of overtime hours they have been offered since the beginning of the academic school year. The list will be a progression as described in the above paragraph.

4. The Middle School Area Overtime List will include only those Counselors who are assigned to the Middle School Area. The Counselors will be ranked on the list by the amount of overtime hours they have been offered since the beginning of the academic
school year.

5. The High School Area Overtime List will include only those Counselors who are assigned to the High School Area. The Counselors will be ranked on the list by the amount of overtime hours they have been offered since the beginning of the academic school year. The list will be a progression as described above.

6. The Special Needs Area Overtime List will include only those Counselors who are assigned to the Special Needs area. The Counselors will be ranked on the list by the amount of overtime hours they have been offered since the beginning of the academic school year. The list will be a progression as described above.

B. If an overtime opportunity arises for an Area, Counselors on the applicable list will be offered the opportunity first. The Counselor on the applicable Area overtime list who is at the top of the list (i.e., has been offered the least amount of overtime hours) will be offered the opportunity first; if that
Counselor declines the opportunity, the Counselor next on applicable Area overtime list will be offered the opportunity, and so on until the applicable Area overtime list is exhausted.

If an overtime opportunity arises that does not have an Area need (for example, bus duty or homecoming), the opportunity will be offered using the Master Overtime List. The Counselor who is at the top of this list (i.e., has been offered the least amount of overtime hours) will be offered the opportunity first; if that Counselor declines the opportunity, the Counselor next on the list will be offered the opportunity, and so on until the list is exhausted.

C. Management will record the number of hours of overtime each employee is offered.

D. On the 15th of every month, new lists will be created by management to adjust the ranking of the employees on the lists by number of hours of opportunity they were offered. The list will be posted at the DOR office upon it being updated on the 15th of each month and e-mailed to all Counselors and
Night Attendants.

E. An Overtime Preference Survey form shall be circulated to all affected staff. If an employee has indicated on a signed survey form that he/she is unavailable and does not choose to work overtime on certain days and/or times, he/she will not be offered overtime for those days and/or times. (This section shall not change/amend any provision in the current Contract’s regarding State’s Rights on mandatory overtime.)

F. The overtime lists will be followed except where precluded by emergency. Emergency is defined as a sudden happening or unforeseen situation that needs immediate action or attention.

G. If overtime becomes available two (2) hours or less prior to the start time of the overtime assignment, the assignment will be offered to the employee at the top of the applicable list, who is currently on duty, and who is available to work the overtime.

H. Night Attendants will not be offered Counselor overtime unless the Counselor overtime list has been exhausted. Counselors will not be offered Night
Attendant overtime unless the Night Attendant list has been exhausted.

I. Employees may submit an Overtime Preference Survey form five times per school year (September 15, November 15, January 15, March 15, and May 15). Management will use the most recent Overtime Preference Survey form on file for each employee.

J. If an employee is called at home, and management reaches an answering machine/service, management will leave a message advising the employee of the overtime opportunity. Management will then continue through the overtime list(s). If the employee calls back before another employee accepts the overtime, that employee will be allowed to accept the overtime. If the employee calls back after another employee accepts the overtime, that employee will not be allowed to accept the overtime.

K. Disputes involving this provision may be addressed at a Labor/Management Committee (Riverside).
The Union proposes the following rollover language:

Subject: HOURS OF WORK AND OVERTIME

19.X Mandatory Overtime

The State and the Union agree that mandatory overtime should be reduced. Over the term of this agreement, the number of mandatory overtime shifts employees are required to work shall be reduced. The first reduction shall occur on January 2, 2020. The second reduction is proposed to take effect on July 1, 2021.

The California Department of Human Resources, the Department of Finance, and the affected departments shall develop recommendations to successfully implement the proposed reductions in mandatory overtime. No later than January 31, 2021 the State and the Union shall meet and confer over the implementation of the proposed reductions. If the State or the Union do not mutually agree that the reductions proposed for July 1, 2021 can be implemented successfully, the reductions shall occur on July 1, 2022.

This section applies to the following provisions:

19.13.20 Overtime Mandatory Scheduling – Excluding California Department of Corrections and Rehabilitation LVNs and CNAs (Unit 20)
- 19.14.17 Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services (Unit 17)
- 19.14.20 Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services LVNs (Unit 20)
- 19.15.17 Overtime Mandatory Scheduling (Excluding CDCR)(Unit 17)
- 19.15.20 Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services CNAs (Unit 20)
The Union proposes the following language:

20.1.1 Employment Development Department (EDD) Post and Bid Agreement (Unit 1)

Hiring for Employment Program Representative (EPR) and Disability Insurance Program Representative (DIPR) permanent full-time positions in the EDD will be based on the following:

A. General Provisions

1. When EDD decides to fill vacant EPR or DIPR positions, vacancies will be announced on the EDDNet using a ratio of fifty percent (50%) by post and bid and fifty percent (50%) by other hiring methods. Human Resource Services Division (HRSD) will be the single point of contact in receiving all "Request for Position Action" documents. The HRSD will ensure fair application of the 50-50 ratio.

2. The EDD reserves the right to exempt
placements from this section where there are clearly articulated operational needs. Positions subject to SROA or layoff lists, and safety transfers, Americans with Disabilities Act (ADA) reasonable accommodation requests, etc. shall come out of the department's fifty percent (50%) and thus are not available for this post and bid process. The EDD will provide a report monthly to the Union, indicating the number of exempt placements by category. Individual employee hardship transfer requests will be determined by management based on the compelling nature of the request. As used in this section, compelling is defined as: Requests to maintain the unity and continuity of the employee's immediate family unit. Examples include but are not limited to:

a. Marriage;

b. Move to a new area to accompany a spouse or domestic partner who has changed the location of his or her employment;
c. Documented need to provide care for a family member where a change of employee’s residence is required;

d. Documented circumstances which require the employee to leave the area to avoid physical harm or injury at the hands of an abusive spouse, family member or other individual; or

e. Employee’s legal obligation requiring that he/she relocate to another area.

3. Each employee is responsible for checking the posting of positions on the EDDNet.

4. Employees being reassigned under this section waive any rights to claim moving and relocation expenses. This does not preclude payment of such expenses, at management’s discretion.

B. Eligibility to Participate in Post and Bid

1. Employees must be currently employed by EDD, either in the EPR or DIPR classifications
and have permanent civil service status in the class.

2. The PI employees must either meet the requirements of Rule 277, or have reinstatement rights to a permanent position, to be eligible to participate in the post and bid process.

3. Bidders must meet all requirements of the posted position, including any special requirements (e.g., language skills, Veterans status, etc.).

4. Employees must have overall satisfactory performance in their current job. In the absence of any current annual performance appraisal, or performance evaluation material to the contrary, the employee's performance shall be deemed satisfactory.

5. An employee who has an adverse personnel action with an effective date within twelve (12) calendar months which relates to the employee's job performance will be precluded from participation in the bid process.
6. No bid shall be denied based solely on personal relationships. However, if the awarding of the post and bid violates EDD's nepotism policy, the bid will be denied. The employee and the Union will be notified within five (5) working days of denial.

C. Seniority Provisions

1. For the post and bid process, seniority is defined as total months of State service. When two (2) or more employees apply for a specific position and have equal State seniority, the tie shall be broken in the following order: total months of service with EDD, then total in-class seniority, then by lot.

2. The EDD shall prepare seniority lists of EPRs and DIPRs every February 15th, (reflecting seniority information current as of January 1) and every August 15th (reflecting seniority information current as of July 1st). This information will be provided electronically to SEIU Local 1000. An updated paper copy shall be made available at all EDD worksites.
every six (6) months.

3. EDD will distribute the seniority list defined above at each worksite employing EPRs and DIPRs.

4. The lists above as modified by any successful protest(s) shall be the sole determinants of seniority for post and bid selections during the respective bidding periods.

D. Posting Process

1. The EDD shall post vacancies on the EDDNet, consistent with current practice, for ten (10) calendar days. This posting shall state the following:

   • The opening date and closing date and time to apply for the vacancy;

   • The location of the vacancy;

   • Description of the vacant position including the duties, responsibilities and requirements of the position;
• The Single Point of Contact (HRSD) to whom the bid is to be sent.

2. The EDD shall provide SEIU Local 1000 with a copy of the EDDNet posting at the same time they are distributed.

E. Bidding Process

1. For post and bid positions, the employee must submit his/her bid for a vacant position on a form provided by EDD.

2. Employees who have been selected through the post and bid process are precluded from bidding on any position for a period of one (1) year from the date they were finally “awarded” a position.

F. Post and Bid Selection Process

1. The most senior eligible employee meeting the requirements as described in the Eligibility To Participate in Post and Bid section, supra, will be selected for a position.

2. The tentative “awarding” of the position will
be announced on the EDDNet within five (5) working days after the bidding process is closed. The notice will include the employee's name and seniority score.

3. The protest period will be three (3) working days from the date the tentative "award" is posted on the EDDNet. Employees selected under the terms of this section shall have eight (8) working days after the bidding process is closed in which to accept or reject a job offer unless otherwise agreed by the hiring supervisor.

4. The final award will be announced on the EDDNet within five (5) working days from the end of the protest period.

5. The employee will be expected to report to his/her new position on a date selected by EDD. Consideration will be given to employee and management needs in selecting the reporting date. The reassignment must be completed within thirty (30) calendar days of the date the
employee accepted the award.

6. Employees who bid on the position shall not be required to interview for the position.

G. Miscellaneous Provisions

1. The EDD will provide training deemed necessary by EDD for the employee to be successful in the new job.

2. Whenever no bids are submitted for a position opening or whenever no employee submitting a bid is eligible for appointment to the position, EDD shall select an employee to fill the position through other hiring methods.

3. The EDD shall retain the bids for a period of twelve (12) months. During this period, the bids shall be available for inspection by the Union representatives, who may request a copy.

4. All awardees are entitled to a thirty (30) calendar day trial period, during which time employees can
opt to return to their former position as defined in Government Code section 18522.
The Union proposes the following rollover language:

20.3.11 Post and Bid Program (Unit 11)

A. When Post and Bid Applies

1. This section shall apply to employees in the following classifications:

   a. Disaster Assistance Program Specialists
   
   b. Fish & Wildlife Technician
   
   c. Water Resources Engineering Associate
   
   d. Water Resources Technicians
   
   e. Sanitary Engineering Associate
   
   f. Sanitary Engineering Technician
   
   g. All Unit 11 classifications used by the Caltrans.

2. The parties recognize the value of allowing permanent employees to voluntarily transfer between positions. The parties also
recognize that when vacancies occur in the Unit 11 classifications listed in A (1) above, and the State elects to fill the position, the needs of the State must also be considered. The parties therefore agree that the State may elect to fill vacancies using methods that include but are not limited to mandatory reinstatements; placement in lieu of layoff/demotion, appointment from a State Restriction of Appointment/Surplus list, reemployment list, limited duty (vacancy to be available at the end of temporary appointment); appointments pursuant to court orders, settlement agreements, SPB decisions, or the like; hardship transfers; reassignments (rotations, position “trades,” etc.); involuntary transfers in lieu of geographic relocation; promotions in place*; or an eligible employee who must be provided a reasonable accommodation.

*Promotion in place: Management shall have the option to promote employees in place
without using Post and Bid provisions. For the purposes of this section, promotion in place is defined as 1) there is no true vacancy; and 2) there is no change of position, assignment, or supervisory/subordinate relationship of the employee; 3) the promotion is clearly identified as typical in cases where the employee is to move to the next higher series.

The parties also agree that when a vacancy occurs, the following provisions apply.

B. Bid Notice Posting:

Appointing authorities shall post a notice inviting bids (unless there are no incumbents in the classification that will be used to fill the vacancy).

1. Bid notices will be posted in the department where the vacancy exists.

2. Bid notices shall be posted in the same place where job announcements are customarily posted.
3. Bid notices shall be posted for a period of no less than ten (10) working days before the final date bids must be postmarked or fax stamped.

4. Bid notices shall at a minimum include:

   a. The classification of the vacancy;

   b. Department, section and geographic location of the vacancy;

   c. Present working hours associated with the vacancy;

   d. A complete description of the duties and any personal attributes including objective qualifications that may enable the bidder to be successful in the position (e.g., any special education, training, work experience, and/or experience using particular types of equipment). The duty statement for the position shall be provided to the bidder upon request;

   e. Any required license or certificate, such as a Class A/B CDL;

   f. The final date by which bids must be
postmarked and/or fax stamped;

g. The place to submit bids, and fax number, if applicable;

h. Where bid forms may be acquired (if the appointing power requires that bids be submitted on a specific form);

i. The name and telephone number of the supervisor or another person to contact for additional information;

j. How soon the employee accepting the position will be expected to report to his/her new position.

C. Eligibility to Bid:

Employee eligibility to bid shall be subject to the following criteria:

1. Status in Class:

   a. The employee must already be employed by the department with the posted position and:
b. Currently have permanent full-time civil service status in the same civil service classification as the posted position; or
c. Currently have permanent intermittent civil service status in the same civil service classification as the posted position and meet the necessary criteria under SPB rule 277 for such a time-base change.

2. Acceptable Level of Performance: Unless expressly waived by management in conjunction with a particular position and employee, employees must have satisfactorily performed the duties of their position during the twelve (12) month period before bids are due. Employees shall be deemed to have performed satisfactorily if they received an overall rating of "satisfactory" on an annual performance evaluation or probationary report during the same twelve (12) month period and they received no intervening counseling and/or
corrective memos. If an employee did not receive a written performance evaluation during the twelve (12) month period before bids are due (e.g., annual evaluation), the employee shall be deemed to have performed satisfactorily unless s/he received a counseling and/or corrective memo during the same twelve (12) month period.

3. Disciplinary Action: Employee must not have received a formal disciplinary action as specified in Government Code section 19572 within the twelve (12) months of when bids are due.

4. Other Restrictions: An employee may be denied the right to bid for specific positions under this program for reasons related to safety, security or for other job related reasons (e.g., to avoid violating nepotism policies or where the appointment would pose a demonstrable threat to the health and safety of any employee).
D. Additional Bids

1. An employee who successfully bids pursuant to this section shall not be eligible to bid for another position for twelve (12) months following the employee’s bid appointment effective date.

2. When an employee has two (2) or more bids pending and s/he accepts an offer as the result of one of the bids, the employee shall immediately withdraw all outstanding bids.

E. Bid Submittal

1. Eligible employees may bid for posted positions by submitting a form specified on the notice inviting bids as specified by the hiring department (appointing authority). Bid forms shall be postmarked or fax stamped on or before the date specified in the posted bid notice.

2. It is the responsibility of the employee to provide the employer with an alternate means of notification if the employee is unavailable (i.e., vacation) anytime during a
thirty (30) day period following the close of the bidding period.

F. Seniority

For purposes of this section "seniority" is defined as one (1) point for each qualifying month of State service as used for purposes of determining leave (e.g., vacation) accrual. If an employee believes there is an error in the computation of the employee's seniority points, s/he shall provide documentation and request correction through the department personnel office. If two (2) or more employees are tied for most senior then the following shall be used in the order shown until the tie is broken:

1. Most qualifying pay periods in the department with the vacancy;

2. Most qualifying pay periods in the classification of the vacancy;

3. Coin flip.

G. Selection

When management decides to fill a vacancy:
1. The most senior timely bidder who satisfies the eligibility criteria shall be offered the position. Management may contact, meet with and/or make inquiries to ensure that bidders satisfy the eligibility criteria and understand the objective qualifications. If the most senior bidder is ineligible or disqualified for any reason listed in subsection C above, that bidder will be notified of the ineligibility or disqualification at the time the selection is announced.

2. If the most senior employee offered the position declines the offer and there are remaining bidders who qualify, then the second most senior employee shall be offered the position until there are no remaining bidders who qualify.

3. Employees offered positions pursuant to this subsection shall have a maximum of three (3) working days to accept or reject the offer unless the appointing power agrees to more time. Failing to respond within three (3) working days after being contacted (or longer as agreed
to by the appointing power) may be deemed a rejection of the offer by management.

4. The winning bidder shall report for work on the start date listed in the bid notice. The start date may be altered by mutual agreement.

5. Once a position is awarded, management shall notify all bidders in writing that the position has been awarded, identifying the successful bidder and how many qualifying months of state service the successful bidder possesses.

6. Within thirty (30) days of appointment under this procedure, all employees have the right to return to their former position (as defined in Government Code).

H. Other Related Matters

Bidding employees who accept appointments waive any and all right to claim moving, relocation and associated travel and per diem expenses. This does not, however, preclude payment of such expenses at management’s discretion.
2. Nothing in this provision will prevent management from posting positions, and simultaneously beginning other methods to solicit applicants (e.g., sending contact letters out to employees on promotional lists), so no time is lost in filling the positions should, for example, there be no bidders. Such solicitation shall include the notice that the position is subject to post and bid process.
The Union proposes the following language:

20.4.15 Post and Bid Procedure for Vacant Positions (Unit 15)

A. Introduction

The post and bid process is designed as a method to allow employees in the same classification to secure a post assignment/position based on seniority. The post and bid process shall be implemented where a variety of work schedules, Regular Days Off (RDOs), shifts, and assignments exist for eligible Unit 15 employees. There are two (2) types of post and bid: the continuous post and bid and the annual post and bid.

The continuous post and bid process allows eligible Unit 15 employees to bid on vacant post assignments/positions on a continual year round basis. The following departments shall implement the continuous post and bid process for all eligible Unit 15 employees: Department of Corrections and Rehabilitation (Adult Programs) (CDCR); California
Department of Corrections and Rehabilitation - Juvenile Justice (CDCR-DJJ); California Correctional Health Care Services (CCHCS); California Science Center (CSC); Department of Developmental Services (DDS); Department of General Services (DGS); Department of State Hospitals (DSH); and the Department of Veteran’s Affairs (DVA).

The annual post and bid process allows eligible Unit 15 employees to bid on vacant post assignments/positions once per year. The awarded bids are for a twelve (12) month appointment. The following departments shall implement the annual post and bid: CDCR; CDCR-DJJ; and CCHCS.

The annual post and bid process complements and works along with the continuous post and bid process in the manner described in this Article.

B. Key Definitions and Terms (Excludes DGS):

1. **Vacancy**: A vacancy exists when a budgeted permanent position is unoccupied as a result of retirement, transfer, termination, resignation, reassignment, new position, promotion, change in tenure to permanent, or new
funding. As posts/positions in designated Unit 15 classifications become available or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without posting, in order to maintain the ratio of eligible to non-eligible posts in each department.

2. **Seniority**: One (1) point for each qualifying month of full-time State service in their classification.

3. **Posting of Seniority Scores**:

   a. Departments (excluding CDCR, CDCR-DJJ, and CCHCS) shall publish an updated seniority list the first week in January and the first week in July of each year. The list shall be published in an accessible location in the facility or worksite.

   b. For CDCR, CDCR-DJJ, and CCHCS, departments that implement an annual post and bid, the seniority list shall be published according to the annual post and bid process described below.
4. **Contested Seniority Scores:** An employee who participates in the continuous post and bid process who believes that their seniority score is computed in error shall submit his/her complaint to the appropriate Local Labor Relations Office within ten (10) calendar days of the seniority scores being published. The department shall publish a corrected seniority list within five (5) business days when errors in seniority scores are identified and confirmed.

An employee who participates in the annual post and bid process who believes that their seniority score is computed in error shall submit his/her complaint to the local Post and Bid Joint Labor Management Committee (JLMC) by the last Friday in August. The local Post and Bid JLMC, which is created annually for this process, shall be the final level of review. The department shall publish a corrected seniority list within ten (10) days when errors in seniority scores are identified and confirmed.

Unless otherwise contested, an employee’s seniority score, as initially published shall
determine the employee’s placement in the post
and bid process.

Employees who have been removed from a
bidded post as a result of a correction to a
seniority score or due to management error will
be eligible for the continuous post and bid
process.

Placement of an employee in an eligible post
assignment/position due to the discovery and
correction of a seniority date computed in error
shall not be grievable by the employee being
replaced.

5. Ties in Seniority: If two (2) or more employees
with the same amount of classification seniority

1) Total departmental seniority
2) Total State service
3) Draw lots

C. Employee Eligibility for Post and Bid (CSC; DDS;

F. Method and Implementation (Excludes DGS):

Post and bid procedures shall apply when a department has at least the minimum number of positions in the same classification and time base at a particular institution, work location, or worksite and where a variety of work schedules (RDO, shifts, etc.) exist.

The table below provides the breakdown of the number of positions and time base in a classification that are required to initiate the post and bid process at a worksite or institution within a respective department and the percentage of total posts that are eligible for post and bid:

CDCR-DJJ shall implement two (2) separate post and bid processes for all eligible Unit 15 employees in the Cook Specialist I, Cook Specialist II, or Correctional Supervising Cook classifications; one for the full-time and one for the half time positions.

Eligible posts that become vacant as a result of retirement, transfer, termination, reassignment, or new funding will be assigned an eligible employee through the post and bid process. If the eligible post remains vacant after the post and bid process, then management reserves the right to fill the post by hire, transfer, promotion or any other method allowed by the State Civil Service System. This post shall be designated as neutral, and once it is assigned and filled by an employee, that employee will have the right to stay in the position for ninety (90) days before the post will become available for bid through the post and bid process.
bid process again.

Management reserves the right to fill vacant posts that are not eligible for post and bid by hire, transfer, promotion or any other method allowed by the State Civil Service System.

1. **Continuous Post and Bid (Excludes DGS):**

   a. **Announcement of Eligible Posts:** Vacant posts shall be announced or advertised the first Monday of each month and remain on display for no less than ten (10) calendar days, excluding weekends and holidays. The announcement shall be published in a prominent location accessible to Unit 15 employees that is designated by each facility or institution. The vacant post notice shall be on a form designed for that purpose and shall include the following criteria:

   - Identification posting number
   - Level of position
   - Work location (as defined by each facility)
• Regular Days Off or rotation pattern or cycle
• Regular Work Hours/Shift
• Deadline for bid submittal
• Time base
• Location where bid is to be submitted
• Special Instructions, if required for the position

Post will be awarded within seven (7) calendar days of removing the announcement. However, in emergencies or where severe staffing shortages exist, delays in awarding the position are permissible for up to thirty (30) days.

b. **Bid Request Form:** Management shall make available paper copies of the bid request form in an accessible location for all eligible employees. The bid request form may be made available on the department’s intranet.

The bid request form must include the employee’s name, current classification,
work address, phone number, current work week/shift/hours, day time phone number.

c. **Submission of Bid Request Form:** A department’s bid request form shall be completed by the eligible employee requesting to be reassigned to any eligible vacant post in their current classification. Requests must be signed by the employee and be submitted or postmarked by the close of business after the second Friday after the initial announcement of the vacant post.

Bid request forms shall be submitted in triplicate with the employee submitting the original to the appropriate office or supervisor, a copy to the Union, and the employee retaining a copy. Bid request forms shall be date-stamped by the appropriate office or supervisor to verify receipt.

An employee may use one (1) bid request form if they are bidding for multiple
positions, and shall list them in priority order.

Bid request forms shall be kept on file.

d. **Award and Acceptance of Successful Bids:** Successful bids for post will be awarded to the most senior bidder by the third Friday of the month. Employees will have five (5) calendar days to reject the awarded bid, and may do so in writing to the appropriate office or supervisor and a copy to the Union.

At the DVA only, an employee selected for a bidded position has a maximum of three (3) days in which to accept or reject a job offer unless the hiring supervisor agrees to a longer period. If the awarded bid is not accepted within three (3) days, it will go to the next senior bidder.

The employee shall assume the awarded bid post on the first day of the following month, but may delay assuming the new post for up to sixty (60) days in the event
that the employee is out on leave. If the employee is unable to assume the awarded bid, the post will be filled through the continuous post and bid process, in accordance with subsections C., D., and E. of this Article.

An employee that accepts a bid award under the continuous post and bid process shall not be eligible to participate in the continuous post and bid process for twelve (12) months.

2. Annual Post and Bid (CDCR;CDCR-DJJ; and CCHCS):

The Appointing Authority shall have overall responsibility for the implementation and maintenance of this process at each institution. Each Appointing Authority shall implement the annual post and bid process separately and distinctly, even in locations where multiple Appointing Authorities operate at the same institution.
a. Post and Bid Joint Labor Management Committee (JLMC): The Appointing Authority or the Appointing Authority’s designee will ensure compliance through the department’s designee and a local Post and Bid JLMC. The local JLMC shall consist of an equal number of management and Union representatives. The Union representatives shall be a SEIU Local 1000 representative assigned by the Union job stewards.

No later than the first Monday in August, the JLMC will establish the specific posts that comprise the eighty percent (80%) of the posts that are eligible for post and bid. In order to accomplish this, the department’s designee shall provide the following:

1) A seniority score list

2) An updated post assignment schedule
3) Current budgeted position orders

The JLMC shall divide the eligible posts among the work areas, watches and RDOs in the same proportion as their percentage of the total number of qualifying posts. Posts that cannot be agreed upon by the JLMC will be resolved by the Appointing Authority.

For the purpose of determining assignments on each shift, those institutions comprised of multi-facilities will be considered as one (1) entity within each Appointing Authority.

Management retains the right to determine individual duties assigned to posts.

b. **Announcement of Eligible Posts**, Position Orders and Seniority Scores:

No later than the second Friday in August, the department’s designee shall publish in an accessible location an updated post assignment schedule, the current budgeted position orders and the seniority scores for
all eligible employees.

An employee who believes their seniority score is computed in error shall refer to subsection B.4 (“Contested Seniority Scores”) in this Article.

c. Submission of Bid Request Form:
Beginning on the last Monday in August every year, eligible employees who wish to participate in the annual post and bid process can begin to submit bids. Employees may bid for multiple posts. All approved bid request forms must be completed and submitted to the department’s designee no later than close of business on the first Friday in September.

Bid request forms shall be date-stamped by the Appointing Authority or their designee to verify receipt.

An employee may voluntarily withdraw from participation in the post and bid process by submitting a written request to the
Appointing Authority’s designee. The employee who withdraws from the post and bid process will be assigned a post assignment at management’s discretion after the bidded posts have been filled. The vacated post will be subject to the continuous post and bid process.

Failure on the part of an employee to submit a bid request form shall result in a no-preference indicated (NPI) for the employee for the annual post and bid process. The employee will be assigned a post assignment at management’s discretion, but may participate in the subsequent continuous post and bid process.

Management may assign its twenty percent (20%) of the posts prior to the first bid or at the conclusion of the annual post and bid process, management will fill any vacant or bid management assignment. These post assignments shall become effective the first Monday in October.
d. **Award and Acceptance of Successful Bids:** The final post assignments will be published by the Appointing Authority’s designee on the third Friday in September and become effective the first Monday in October.

Employees who are successful in obtaining their bid must assume the post within sixty (60) calendar days of publication of the bid results. Until such time as the employee assumes the post, the post will temporarily revert to management.

In the event the employee is unable to assume the post within sixty (60) calendar days, upon his/her return, the employee will be placed in an post assignment at management's discretion. The post that the employee was unable to assume will be subject to the continuous post and bid process.

e. **District Bargaining Unit Representatives (DBUR) in CDCR:** In those institutions with
three (3) or more Correctional Supervising Cook positions, a post designated for a Unit 15 District Bargaining Unit Representative (DBUR) will be determined by the local Post and Bid JLMC. The DBUR post will be counted in that institution’s eighty percent (80%) of eligible posts. Any additional eligible posts shall be distributed through the annual post and bid process.

3. **Deletion or Change of a Post:** If an eligible post assignment/position is deleted or altered because of coverage or other legitimate operational needs, the employee in that post assignment/position shall be notified in writing at least fifteen (15) days prior to any change. If an employee desires to remain in an altered post assignment/position, he/she shall notify management of that desire within five (5) calendar days and shall remain in that altered post assignment/position. If the employee does not desire to remain in the altered post assignment/position, he/she may bid on any
vacant post assignment/position. The employee shall remain in the altered post assignment/position until such time as he/she successfully bids or applies for a new post assignment/position.

A post assignment/position shall not be considered to be altered when training is conducted on a shift other than the employee’s regularly scheduled shift and the employee is required to attend.

A post assignment/position shall not be altered unless the need to alter the post assignment/position is substantiated by management in writing to the employee and the Union.

This section does not apply to post assignments/positions awarded through the annual post and bid process.

4. **Preservation of Eligible Post Ratios:** When management alters or modifies the shift and/or RDO of a post that was awarded through the annual post and bid process prior to the end of
the twelve (12) month appointment, management shall implement an interim annual post and bid process. Post assignments that are awarded through the interim annual post and bid process shall remain effective until the implementation of the regular annual post and bid process.

5. Substandard Performance Review, Discipline and Loss of Post and Bid Eligibility:
Management may remove an employee from a bid position when the employee fails to demonstrate that they have the knowledge and skills required to perform the duties of the position. In order to substantiate that the employee does not possess the required knowledge and skills, management must clearly substantiate the concerns with the employee’s knowledge and skills in the employee’s performance evaluation, which supports the below standard rating. The employee shall be placed in a position with the same RDO’s and substantially similar start/stop times. The employee will be permitted to bid in the subsequent continuous post and bid period. The
vacated post shall be subject to the continuous post and bid process.

a. The decision to remove the employee from his/her post must be approved by the Appointing Authority or designee on a case-by-case basis.

An employee may be temporarily removed from his/her post pending a personnel investigation/EEO investigation, but will be assigned to a shift with substantially similar start/stop times and RDOs. Once the investigation has been concluded and the charges have not been substantiated, the employee will be returned to his/her post.

An employee may be removed from his/her post upon the effective date of an adverse action related to job performance (after the conclusion of the Skelly hearing process and/or time frames associated with that process) if the employee has not filed an appeal to the State Personnel Board (SPB). If an appeal has been filed, an employee may be removed from his/her post only after the
SBP has upheld the adverse action. Such movement will be to the same shift without regard to RDOs or start/stop times. The employee shall be excluded from participating in the subsequent post and bid process. The vacated post shall be subject to the continuous post and bid process.

If the employee is exonerated from the adverse action or the wrongdoing, his/her right to bid and/or hold positions shall be restored.

6. **Floating (DDS):** If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis.

7. **Nepotism:** No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a post based on the department's nepotism policy. If awarding of the bid, or the post creates a nepotistic situation and is in violation of the department's
policy the bid will be denied. The Union and the employee will be notified within five (5) business days of the denial.

Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.

Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

8. Disputes: Where applicable, either party may request a local Joint Labor Management Committee to conduct a meet and discuss regarding any problem or concern with the post and bid process. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request.

Disputes concerning the post and bid process shall be grievable to the departmental level and not arbitrable.

G. Post and Bid Process for the Department of General Services (DGS):
1. **Key Definitions:**

   a. **Vacancy:** A permanent full-time position unoccupied as a result of retirement, transfer, termination, reassignment, or new funding, and where a variety of work schedules (days off, shifts, etc.) exist.

   b. **Permanent full-time status employee:** A full-time employee who has successfully passed probation in their current classification in the Department of General Services by the final filing date of the position being advertised.

   c. **Post and Bid Request Form:** The written request form provided by respective DGS offices and completed by the permanent full-time status employee requesting to be reassigned to any position/assignment in their current classification. Requests must be
submitted by the final filing date of the position(s) being advertised.

The position will be advertised on CalHR's CalCareer website and in an accessible location for all BU 15 employees in the management units for a minimum of seven (7) calendar days. This notice shall include the classification, a duty statement or description of duties, requisite skills and abilities required of the position, reporting location, the shift and days off for the position to be filled, the final filing date, and the contact person's name and telephone number. Employees interested in a posted position must indicate interest by submitting a departmental bid request form to the specified contact person by the final filing date. The bid forms will be posted on CalHR's CalCareer website and copies will be kept in an accessible location for all
BU 15 employees.

d. Seniority: Seniority is determined by permanent full-time status employees with the greatest amount of continuous permanent full-time statewide seniority in the class. Continuous permanent full-time statewide seniority in the class shall be time in class, before and after the return from a temporary separation (including time spent on a limited-term appointment or Temporary Authorization Appointment-TAU) followed by a mandatory reinstatement. When determining seniority for a specific position, the seniority will be calculated up to the last day of the pay period prior to the final filing date of the JOB. In the event of a tie in the seniority scores, the tie shall be broken using (1) total statewide service seniority; (2) departmental seniority; (3) by lot.
e. **Seniority Post and Bid Lists:** After the close of business on the final filing date for the position(s) being advertised, the hiring office will submit a list of the bids received to the Office of Human Resources (OHR) for calculation of the seniority scores. See Special Considerations/Exclusions. Seniority lists shall be developed by OHR within three (3) working days following the close of business on the final filing date and OHR will provide the seniority scores to the hiring office. The employee with the most seniority will be offered the position. The bidder can request the results of the bid from the hiring office five (5) days after close of the bid.

2. **SPECIAL CONSIDERATIONS/EXCLUSIONS:**

a. **Limit On Bids:** An employee may not make more than one (1) successful bid each twelve (12) months. (A successful bid is when the bidder accepts the
position and reports for work). The exception is if an employee's bidded position is altered and the employee elects not to stay in the position.

b. **Promotion:** Management has the option to use a civil service list in lieu of these Post and Bid provisions to promote Bargaining Unit 15 employees only after the Post and Bid process has been used.

c. **Mandatory Placement:** These Post and Bid provisions do not apply when management chooses to retain a Limited-Term or TAU by a permanent appointment or when an employee must be placed by mandatory reinstatement, promotion in place, changing a permanent intermittent employee to permanent full-time, placement of an employee subject to layoff, State Restriction of Appointments/Surplus lists, proper placement (i.e. reasonable accommodation), limited light duty, or
other clearly articulated operational reasons including client demands.

d. **Requisite Skills and Abilities:**
   Employees placed under the Post and Bid provisions must possess the requisite knowledge, skills, aptitude, and abilities of the position to perform at an acceptable level. If an employee lacks the position requisites, the supervisor will notify the employee. Training may be made available if an employee requests to be trained in other work functions within their assigned facility; such requests shall not be unreasonably denied.

e. **Discipline/Substandard Review:**
   Management is not required to consider an employee who has a sustained formal disciplinary action or received an overall substandard performance review within the last twelve (12) months. The commencement of the 12-month period will be the effective date of the action, not the ending date of the action.
f. **Security/Safety or Other Reasons:**
   These Post and Bid provisions do not preclude management from transferring or assigning employees for verifiable security, safety, or clearly articulated operational reasons. Prior to initiating such actions, the Labor Relations Office should be contacted.

g. **Shift Changes with No Vacancy:** Post and Bid does not apply when there is no vacancy and internal permanent or temporary shift changes are initiated. Such placement of employees will be done based on operational needs (i.e. client demands) and in accordance with Unit 15 provisions. Prior to initiating such actions, the Labor Relations Office should be contacted.

h. **Security Background Clearance:** For those facilities that require an employee background security clearance, the most senior qualified bidder will be selected.
i. **Post and Bid Acceptance:** An employee offered a bidded position has a maximum of three (3) work days in which to accept or reject a job offer unless a longer period is agreed to by the hiring supervisor. If an employee requests or is reassigned temporarily to do different work, this does not negate the position they accepted through these Post and Bid procedures.

j. **New Regional Offices:** When new Regional Offices are established, DGS shall advertise and accept applications from employees statewide. In accordance with these procedures, the most senior qualified employee shall be selected. If there are no qualified bidders, DGS may fill the positions by other valid hiring means. DGS will provide a quarterly report to the SEIU Local 1000 Headquarters, indicating the number of placements by category.

3. **EMPLOYEE PROCEDURES:**
Permanent full-time Unit 15 employees who wish to be considered for a position or shift assignment vacancy, in their current classification, must submit a Post and Bid Reassignment/Transfer Request form. This form must be submitted or postmarked by the close of business on the final filing date of the position being advertised. The employee is responsible to deliver or mail the bid form to the contact person.

The employee must submit a bid form each time a position(s) is advertised that they are interested in bidding for, however, if multiple positions are being advertised on the same advertisement, one bid form will be sufficient. This form is available with the advertisement posted on CalHR’s CalCareer website. Management will also keep copies of the form available in an accessible location for all BU 15 employees.

The request form must include the employee’s current permanent classification, work address and phone number, current work week/
shift/hours, day time phone number or an alternate person to contact with a day time phone number, and the current supervisor's name and phone number. The contact person must have full authority on behalf of the employee to accept or decline a position. If there is no contact person or the contact person is not available or willing to accept or decline the position, it shall be considered a waiver and the next most senior person on the list shall be offered the position.

The OHR will notify employees who do not meet the Post and Bid MOU provisions.

Employees should contact their supervisor to resolve discrepancies in seniority scores.
The Union proposes the following rollover language:

20.5.15 Work Assignment or Shift Changes (Unit 15)

A. Unit 15 employees who are not covered by a Post and Bid Agreement and who request a work assignment or shift change not involving a geographic relocation shall submit a written request to the facility/program management or designee. When the employer determines that a vacancy in the requested work assignment or shift is available, employees with written requests on file shall be considered and the decision to grant or deny the request shall only be based on the following factors:

- Permanent status;
- The needs of the students, clients, patients, wards, inmates, etc;
- Skills and abilities;
- Needs of the facility, including security and safety;
• Staffing requirements;
• Satisfactory performance and attendance;
• Seniority.

Such requests shall not be unreasonably denied and all written requests shall remain on file until granted or withdrawn by the employee.

B. If two (2) or more employees request the same assignment or shift and meet the above qualifications, the most senior employee will be granted the position.
The Union proposes the following rollover language:

20.6.17 Post and Bid Procedure for Vacant Registered Nurse Positions – Veteran’s Homes (Unit 17)

A. Vacant Positions

As Registered Nurse positions become available, or vacant, they shall be posted. The post and bid process is designed as a method to advertise and fill current position vacancies with existing employees.

B. Posted Positions

Positions shall be posted in a prominent place where such notices are customarily posted on each unit and, in addition, may be advertised by each Veteran’s Home newsletter, e-mail bulletin board and any other method of advertisement. The posted notice shall be on a form designed for that purpose and shall include the following posted criteria:

1. Identification posting number
2. Level of position

3. Unit (or ward) or other assignment

4. Shift

5. Days off or rotation pattern and cycle

6. Time base and/or tenure

7. Deadline for bid submittal

8. Typical assigned duties if not a level of care
   Registered Nurse position

9. Description of duties to be performed (knowledge, skills and abilities)
   Each notice shall remain posted for no less than ten (10) calendar days.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be submitted in triplicate with the employee submitting the original to the appropriate central office, a copy to the Union, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee's
name, classification, seniority points, current work location and business telephone number. The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

D. Special Qualifications

Employees bidding on assignments which require specialized training shall meet the skills, knowledge and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.

E. Assignment

Within twenty (20) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most State service seniority. However, in emergencies or where severe staffing shortages exist in the employee’s incumbent program, assignment may be delayed up to forty-five (45) calendar days after the posting of the notice.
F. Deletions and Changes

If a bid position is deleted due to reduced allocations or for other reasons, then the employee in that position may bid on any vacant posted position.

If, because of coverage or other legitimate operational need, it is determined that a bid position's posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered position, he/she shall notify management of that desire within five (5) calendar days and shall remain in the position. A position shall not be considered to be altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

G. Floating

If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that
distributes floating on an equitable basis. The RN Shift Lead shall not be included in floating.

H. Transfers

Employees holding bid positions shall not, except in cases of emergency, be involuntarily transferred or moved except as otherwise provided in this section.

I. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to hold a bid position and/or to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action. If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored. Employees who are charged with wrongdoing which is also grounds for adverse action may lose their right to bid and/or hold a bid position for a period of up to six (6) months, if such position or bid is meaningfully related to the cause of action. A hearing before the Veteran’s Home
Administrator or designee may be requested by the employee.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored. The reason for denial to bid shall be in writing and given to the employee.

Employees losing their right to bid or hold positions as outlined above may be administratively transferred at the discretion of the State. Employees who have been absolved of wrongdoing as stated above, shall be accorded one successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.

J. Limits on Bid

An employee may not make more than one (1)
successful bid each twelve (12) months except that if an “employee” bid position is altered and the employee elects not to stay in the position, or if an employee is granted a bid under the provisions in subsection I above, these bids shall not be counted under this subsection. Exceptions to this limitation may be granted. Only permanent, full-time employees are eligible to bid in the Post and Bid process. Employees on probationary status shall not be eligible to bid on posted positions.

Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Veteran’s Home Administrator or designee prior to the final decision regarding the employee’s ability to bid.

K. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the
Department’s nepotism policy in accordance with the following:

1. If such bid or position creates a nepotistic situation, notice must be given to the employee.

2. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.

3. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

L. Meet and Discuss

Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request.

M. Post and Bid Review

At each Veteran’s Home, management shall designate an official who shall be responsible for the administration of the Post and Bid provision. Upon
request, the Post and Bid administrator shall meet periodically with SEIU representatives for the purpose of reviewing compliance with the Post and Bid provision.

N. For purpose of this Agreement, “seniority” is defined as one (1) point for each qualifying month of full-time State Service.

O. Implementation and Applicability

The provisions of this section will be implemented six (6) months after ratification of the Agreement by both the State and the Union membership.
The Union proposes the following language:

20.7.17 Post and Bid Procedure for Vacant Positions – DDS & DSH (Unit 17)

A. Vacant Positions

As management determines that Registered Nurse positions become available, or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without posting.

If the State determines to fill the position without posting, the position may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such positions may be advertised where appropriate, but will be filled through the sole discretion of the State. As positions become vacant and determinations are made by the State, the excess of non-posted positions over posted positions shall not exceed two (2) at any hospital or developmental center at any time. In no case shall more than sixty-five percent (65%) of the filled Registered Nurse
positions in a hospital/developmental center be held by employees through successful bids.

The post and bid process is designed as a method to advertise and fill current position vacancies with existing employees. The filling of vacancies by either promotion from an eligible list or external lateral transfers is not subject to the post and bid procedure.

B. Posted Positions

Those positions which are determined to be posted shall be posted in a prominent place where such notices are customarily posted on each unit and, in addition, may be advertised in each hospital's/developmental center's publication. The posted notice shall be on a form designed for that purpose and shall include the following posting criteria:

1. Identification posting number
2. Level of position
3. Program and unit (or ward) or other assignment
4. Shift
5. Days off or rotation pattern and cycle

6. Time base

7. Deadline for bid submittal

8. Indication of an "incentive bid position"

9. Location where bid is to be submitted

Each notice shall remain posted for no less than seven (7) calendar days.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be submitted in triplicate with the employee submitting the original to the appropriate central office, a copy to the Union, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location and business telephone number. The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

Posted positions shall be available for bid only to
those employees in the civil service classification specified on the posted notice.

D. Assignment

Within fifteen (15) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most seniority. However, in emergencies or where severe staffing shortages exist in the employee’s incumbent program, assignment may be delayed up to sixty (60) calendar days after the posting of notice. If no bids are received, management shall withdraw the bid notice. The withdrawn notice does not count against either party’s ratios or 65/35 60/40 position count. These positions may be filled:

1. In accordance with subsection A above, or

2. Hire, promotion, reinstatement, transfer from within the facility or from another State hospital/developmental center or other State agency.

If that position is filled or committed within sixty (60) days of withdrawal of posting under (2) above, it shall not count in the 50/50 posting ratios.
E. Incentive Bid Position

A vacant position that is posted two (2) consecutive times and remains unbid may be identified as an “incentive position” on the third consecutive posting. In a program identified as a “designated program” an unbid position may be identified as an incentive position on the second consecutive posting.

An employee who successfully bids an incentive position and remains in the position for one (1) year shall be accorded super-seniority for their next successful bid. When two (2) or more employees with super-seniority bid, the position shall be awarded as follows:

1. Length of super-seniority

2. Seniority

3. By lot

Incentive positions that are not bid upon may be filled through internal transfer from within the hospital without counting in the posting ratios or position counts. He/she is then eligible to receive super-
seniority in the same manner as an employee who bid the position. Employees who successfully bid an incentive position and are bidding in-place (same unit and shift as the posted position) shall not be eligible to earn the super-seniority. In "designated programs" the super-seniority eligibility shall be limited to positions awarded to employees from outside the program only.

The facility shall provide the Union with a weekly listing of "designated programs."

An employee in an incentive position that is deleted or altered in accordance with subsection E shall retain the eligibility to earn super-seniority if he/she elects to remain in the altered or changed position. Employee absences due to illness or injury shall not be counted after the fourteenth (14th) consecutive calendar day toward the one (1) year qualifying period to earn super-seniority.

F. Deletions and Changes

If a bid position is deleted due to reduced allocations or for other reasons, then the employee in that position may bid on any vacant posted position.
If, because of coverage or other legitimate operational need, it is determined that a bid position’s posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered position, he/she shall notify management of that desire within five (5) calendar days and shall remain in the position. A position shall not be considered to be altered when training is conducted on a shift other than the employee’s regularly scheduled shift and the employee is required to attend.

G. Floating

If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis.

H. Exempt Positions

When a non-licensed employee receives his/her license and is subsequently appointed to the Registered Nurse classification, he/she shall not be considered as a new hire for purposes of counting
positions under subsections A, C, D, or E.

I. Transfers

Employees holding bid positions shall not, except in cases of emergency, be involuntarily transferred or moved except as otherwise provided in this section.

J. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to hold a bid position and/or to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action. If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored. Employees who are charged with wrongdoing, which is also grounds for adverse action, may lose their right to bid and/or hold a bid position for a period of up to six (6) months, if such position or bid is meaningfully related to the cause of action.

A hearing before the Executive Director or designee is required prior to such denial.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may
lose their right to hold and/or bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored.

Employees losing their right to bid or hold positions as outlined above may be administratively transferred at the discretion of the State. Employees who have been absolved of wrongdoing as stated above, shall be accorded super-seniority for one (1) successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.

K. Limits on Bid

An employee may not make more than one (1) successful bid each twelve (12) months except that if an employee's bid position is altered and the employee elects not to stay in the position, or if an employee is granted a bid under the provisions in subsection J above, these bids shall not be counted under this subsection. Exceptions to this limitation may be granted. Employees on probationary status shall not be eligible to bid on posted positions.
Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Executive Director or designee prior to the final decision regarding the employee's ability to bid.

L. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department's nepotism policy in accordance with the following:

1. If such bid or position creates a nepotistic situation, notice must be given to the Union.

2. Representatives of the Union and the State shall meet and review the situation.

3. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.

4. Nothing in this subsection shall prohibit the
employee and/or the Union from filing a grievance.

M. Meet and Discuss

Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request.

N. At each hospital or developmental center, management shall designate an official who shall be responsible for the administration of the Post and Bid provision. Upon request, the Post and Bid administrator shall meet periodically with SEIU Local 1000 representatives for the purpose of reviewing compliance with the Post and Bid provision. At the request of the local SEIU Local 1000 job steward or representative, the Post and Bid administrator shall provide information relative to the specific post and bid request.

At each facility, the Post and Bid administrator shall maintain information relative to the post and bid process specific to Unit 17 employees. This report shall include, at a minimum, a month by month
record of all post and bid and management discretion positions filled, including position regular days off, cycle schedule, shift and location; identify positions posted, bids received and awarded, positions posted receiving no bids and those subsequently filled without counting against management discretion.

O. For purposes of this Agreement, “seniority” is defined as one (1) point for each qualifying month of full-time State service.

P. Implementation and Applicability

The provisions of this section will be implemented six (6) months after ratification of the Agreement by both the State and the Union membership. As used in this section, the term “Registered Nurse” refers to the classification of “Registered Nurse” in the Department of Developmental Services and to the classification of “Registered Nurse (Forensic Facility)” in the Department of State Hospitals or Department of Developmental Services.
The Union proposes the following rollover language:

20.8.17 Post and Bid Procedure CDCR/DJJ (Unit 17)

A. Introduction

The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority. Contained in this section are the provisions for the “24 Month P&B Process” which allows employees to bid twenty-four (24) month assignments and the “Interim Vacancy Bidding Process” which addresses vacancies that occur while the twenty-four (24) month assignments are in effect.

1. The Chief Medical Officer (CMO) or their designee shall have responsibility for implementation and maintenance of this procedure at each facility and shall ensure compliance.

2. The word “assignment” as used in this section is synonymous with that of “position”.

Proposal No: 1
3. Participation in the P&B process is limited to eligible employees. An eligible employee:

   a. Must be a permanent full-time RN; probationary employees are excluded.

   b. Must be permanently assigned to and work at the institution; eligible employees may participate only in their institution’s P&B process. There shall be no inter-institution bidding on assignments.

4. Excluded Assignments

   Specialty areas shall be excluded from the P&B process. Such areas shall be Intensive Treatment Program nurses, Intensive Behavioral Treatment Program nurse, Infection Control nurse, Utilization Review nurse, Sick and Vacation Relief, Special Program at Preston, ICF/DMH Program at SYCRCC and CTC/MH Programs. Those RN qualifying posts which are considered specialty areas shall be counted as neutral assignments, that is, they shall not be counted in either Management’s or Union’s positions.

5. Special Qualifications
Employees bidding on assignments which require specialized training shall meet the skills, knowledge, and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.

6. Seniority

For purposes of this Agreement, “seniority” is defined as one (1) point for each qualifying month of full-time Division of Juvenile Justice Unit 17 service, with ties broken by one (1) point for each qualifying month of full-time Unit 17 service.

7. Limits on Bid

An employee may not make more than one (1) successful open assignment bid each twelve (12) months except when an employee’s bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section G (1) and G (2) or if an employee is granted a bid under the provisions of subsection I if these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.
8. Pre-Bid Meet and Discuss

Prior to each P&B cycle, a local meet and discuss at each complex and/or facility to discuss the 70/30 pattern shall occur. Upon request, prior to the meet and discuss, each facility shall provide post orders and job descriptions for each position.

B. Twenty-four (24) Month Bid Process

1. There shall be seventy percent (70%) of the RN qualifying post assignments (excluding specialty areas) in the CDCR allotted according to seniority at each facility.

   Any new seniority positions as a result of the increase in percentages of the total seniority shall be posted for bid within ninety (90) calendar days of the ratification of the Contract by both parties. The term for these positions will end at the same time as the institution's original post and bid period.

2. Participation in the twenty-four (24) month P&B process is voluntary. The choice not to participate shall result in management
assigning the individual to an assignment that remains unfilled after this bid process is completed.

3. Timeframes

a. The twenty-four (24) month bid cycle begins in the month of April 2008, for those employees who wish to participate. An updated seniority roster and a listing of all available assignments open for bid shall be posted no later than April 1st every other year.

b. Unless otherwise contested by April 15, an employee's seniority as posted on April 1, shall determine the employee's placement on the seniority list.

c. All approved bid request forms must be completed and submitted, in accordance with the BIDDING provision below, no later than 4:00 p.m. on May 1, or 4:00 p.m. on the following
Monday if the date falls on the weekend. An employee may write more than one (1) bid preference on the bidding form in priority order.

d. An employee may voluntarily withdraw from participation in the twenty-four (24) month Bid Process by submitting a written request to his/her supervisor. Employees who withdraw will be assigned at management’s discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management’s or Union’s positions.

e. Failure on the part of the employee to submit a request form by 4:00 p.m. on May 1, shall result in a no preference indicated (NPI) for the employee. The employee will then be assigned an assignment at management’s discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management’s or Union’s positions.
f. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management’s discretion.

g. The new assignments will begin the second Monday in July first watch.

h. The time frames will be agreed upon at the local level by the Union and Management.

C. Interim Vacancy Bidding Process

1. The interim bidding process is designed as a method to provide current employees the opportunity to move to vacant assignments, if management determines to fill the vacant position, created while the twenty-four (24) month assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments that have been determined by management to be filled by bid shall be subject to the terms and conditions of this section.
2. As RN assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting.

3. The filling of vacancies by either promotions from eligible list or external lateral transfers are not subject to P&B.

4. If the State determines to fill the assignment without posting, the assignment may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such assignments may be advertised where appropriate, but will be filled through the sole discretion of the State.

5. The excess of non-posted assignments over posted assignments at each institution shall not exceed two (2) at any time. In no case shall more than seventy percent (70%) of the filled RN assignments (as defined above) be held by employees through successful bids.

6. Each notice shall remain posted as provided for in "POSTING ASSIGNMENTS" for no less than
fifteen (15) calendar days. Employees may bid for these assignments using the “BIDDING” process below. All bids must be submitted by 4:00 p.m. on the fifteenth (15th) day of posting.

7. At the end of the fifteen (15) day bid period, the eligible bidded employee with the highest seniority score shall be placed in the assignment. Any assignment that received no bid shall be filled at management’s discretion and shall be counted neutral.

D. Posting Assignments

Those assignments, which are determined to be posted, shall be posted in a prominent place where such notices are customarily posted. The posted notice shall be dated and on a form designed for that purpose and shall include the following criteria:

1. Identification posting number

2. Unit (or ward) or other assignment

3. Shift

4. Days off or rotation pattern and cycle
5. Time base

6. Deadline for bid submittal and where to be submitted

7. Special qualifications (if any)

E. Bidding

1. Employees may bid on the posted assignment by filling out a bid form provided by the State. The bidding employee shall submit the completed bid form to the following:

   a. The original to the location designated on the bid form,

   b. A copy to the Union designated steward, and

   c. The bidding employee.

Bid forms shall include the identification posting number, the employee’s name, classification, seniority points, current work location, and business telephone number. The form must be dated and signed by the employee.
2. An otherwise eligible employee absent from the work site during the bid process for such reasons, including but not limited to EIDL; SDI; Worker's Compensation; leave of absence; annual military leave; illness, etc., may participate in the bid process. Employees must assume the assignment within sixty (60) days of the posting of the bid results. After sixty (60) days management shall decide whether or not to fill the position. If management fills the position it shall be counted neutral until the next twenty-four (24) month bid cycle.

3. In the event the employee is unable to assume the assignment within the sixty (60) calendar days, the employee may be placed in another assignment at management's discretion.

F. Other Factors

1. Short term absences of not more than sixty (60) calendar days from the employee's assignment, including special assignments, injuries on the job, and acting assignments, will not preclude the
employee’s return to the assignment after being determined they qualify to resume such duties.

a. If absence is more than sixty (60) calendar days, the appointing authority may authorize an employee’s return to the assignment or same watch/RDO’s if the absence was generated by a management decision.

b. An employee exceeding the sixty (60) calendar day limit for an absence due to EIDL will be assigned to the same assignment or same watch/RDO for the remainder of the bid period.

c. An employee exceeding the sixty (60) calendar day limit for any other reason will at least be assigned commensurate with his/her watch preference.

2. A waiting list will be established with those employees who have been removed from an assignment as a result of a correction to a seniority date or due to management error in assigning the employee.

3. Employees who laterally transfer after May 1 will
be precluded from the bid process until the next open bid period.

G. Deletions and Changes

1. If a bid assignment is deleted due to reduced allocations or other reasons, and there is an employee in the deleted assignment, then the employee may bid on any vacant posted assignment.

2. If because of coverage or other legitimate operational need, it is determined that a bid assignment's posting criteria must be altered, the employee filling that assignment shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered assignment, he/she shall notify management of that desire within five (5) calendar days and shall remain in the assignment. An assignment shall not be considered altered when the training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.
H. Transfers

Employees holding bid assignments shall not, except in cases of emergency or as otherwise provided for in this section, be involuntarily transferred to another assignment.

I. Denial of Bid

1. Employees who have adverse action taken against them shall lose their right to hold a bid assignment and/or bid on any assignments for a period of up to six (6) months if such assignment or bid is meaningfully related to the cause of action. If the employee is exonerated on appeal, his/her right to bid or hold assignments shall be restored. Employees who are charged with wrongdoing which is also grounds for adverse action may lose their right to bid and/or hold a bid assignment for a period of up to six (6) months, if such assignment of bid is meaningfully related to the cause of action. A meeting before the Director or designee is required prior to such denial.

2. An employee may be temporarily removed from the bid assignment pending a personnel/EEO
investigation, but will be assigned to substantially similar start/stop time and RDO if possible. Once the investigation has been concluded and if the charges have not been substantiated, the employee shall be returned to their bid assignment.

3. Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid assignments for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold assignments restored. The reason for denial to bid shall be in writing and given to the employee.

4. Employees losing their right to bid or hold assignment as outlined above may be administratively transferred to the same watch without regard to RDO. Employees who have been absolved of wrongdoing as stated above, shall be accorded one (1) successful bid so long as this bid is exercised within three (3) months of
the decision absolving the employee.

5. If for some reason, other than specified previously, it becomes necessary to change an employee who has exercised his/her eligibility for a bid assignment, that employee shall be job changed to a new post possessing similar RDO’s on the same watch, if available and if requested by the employee.

6. Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Director or designee prior to the final decision regarding the employee’s ability to bid.

J. Floating

If it becomes necessary to temporarily float employees to another Unit 17 position in order to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis. The RN Shift Lead shall not be
K. Involuntary Removal

Management may remove an employee from a bid position when the employee fails to demonstrate that they have the knowledge and skills required to perform the duties of the position. The employee shall be placed in a position with the same RDO's and substantially similar start/stop times. The vacated position shall be subject to the interim bid process.

L. Nepotism

1. No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department’s nepotism policy in accordance with the following:

2. If such bid or position creates a nepotism situation, notice must be given to the employee.

3. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.
4. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

M. Disputes

1. Disputes concerning this section shall be grievable to the Director's level of review and shall not be arbitrable;

2. Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request;

3. An employee alleging seniority date errors/disputes and is unable to resolve the problem with verbal communication shall submit his/her complaint to the first formal level of review within the normal time frames specified in the grievance process;

4. Errors in favor of the employee will result in the adjustment of the employee's seniority date. The employee shall then have first preference on the first available bid position; or
5. The employee has the right to go on a waiting list for the next available slot matching the employee’s bid for the watch and RDO.

N. Implementation and Applicability

Contractual right to Post and Bid for Shift Preference/RDO’s shall remain in effect with no position changes at those affected institutions until Article 20.8.17 is implemented and the yearly bid process begins in April 2008. Implementation of the Post and Bid process at new institutions will begin the first April following activation (receipt of youth).

O. Other Considerations

For the initial process in 2008, it is the intent to make every attempt to begin the process March 1, 2008, but no later than as defined in section B.3.
The Union proposes the following language:

20.9.17 Post and Bid Assignments by Seniority – CDCR (Unit 17)

A. Introduction

The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority. Contained in this section are the provisions for the “24 Month P&B Process” which allows employees to bid twenty-four (24) month assignments and the “Interim Vacancy Bidding Process” which addresses vacancies that occur while the twenty-four (24) month assignments are in effect.

1. The Chief Nurse Executive (CNE) or their designee shall have responsibility for implementation and maintenance of this procedure at each facility and shall ensure compliance.

2. The word “assignment” as used in this section is synonymous with that of “position”.

3. Participation in the P&B process is limited to eligible employees. An eligible employee:

   a. Must be a permanent full-time RN; probationary employees are excluded.

   b. Must be permanently assigned to and work at the institution. Eligible employees may participate only in their institution's P&B process. There shall be no inter-institution bidding on assignments.

4. Excluded Assignments

   Specialty areas shall be excluded from the P&B process. Such areas shall be dialysis, PACU, ICU, utilization management, and infection control surgical assignments. Those RN qualifying posts which are considered specialty areas shall be counted as neutral assignments, that is, they shall not be counted in either Management's or Union's positions.

5. Special Qualifications

   Employees bidding on assignments which require specialized training shall meet the skills,
knowledge, and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.

6. Seniority

For purposes of this Agreement, “seniority” is defined as one (1) point for each qualifying month of full-time Departmental Unit 17 service, with ties broken by one (1) point for each qualifying month of full-time State service. If a further tie exists, then ties will be broken by “lottery” thereafter.

7. Limits on Bid

An employee may not make more than one (1) successful open assignment bid. All employees shall remain in their initial successful bid for each twelve (12) months from the day the post is awarded except when an employee’s bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section “G 1 and 2” or if an employee is granted a bid under the provisions of subsection “I”. If these occur, the employee shall have the right to bid again. Exceptions to this
limitation may be granted.

B. Twenty-four (24) Month Bid Process

1. There shall be eighty seventy-five percent (75 80%) of the RN qualifying post assignments (excluding specialty areas) in the California Department of Corrections and Rehabilitation (CDCR) allotted according to seniority at each facility that provides healthcare that is not a licensed-acute-care hospital.

   a. At licensed-acute-care hospitals (CMF, CIM, CMC, COR) there shall be eighty percent (80%) of the RN qualifying post assignments (excluding specialty areas) allotted according to seniority.

   a,b. Any new seniority positions as a result of the increase in percentages of the total seniority shall be posted for bid within ninety (90) calendar days of the ratification of the Contract by both parties. The term for these positions will end at the same time as the institution's original post and bid period.

2. The specific posts that comprise the eighty
seventy-five percent (75% 80%) and the twenty-five percent (25% 20%) (or eighty percent (80%) and the twenty percent (20%) in licensed acute care hospitals) will be identified through a meet and discuss. The Union and Management will identify an equitable distribution of the preferred work areas, watches, and RDOs between Management and bid assignments. Upon request, post orders and duty statements will be provided for each of the positions prior to the meet and discuss. During the meet and discuss, management and the union shall determine if a walk up or paper bid process will be conducted.

3. Participation in the twenty-four (24) month P&B process is voluntary. The choice not to participate shall result in management assigning the individual to an assignment that remains unfilled after this bid process is completed.

4. Timeframes

   a. The twenty-four (24) month bid cycle begins in the month of October 2002, for those employees who wish to participate.
An updated seniority roster and a listing of all available assignments open for bid shall be posted no later than October 1st every other year.

b. Unless otherwise contested by October 15, an employee’s seniority as posted on October 1, shall determine the employee’s placement on the seniority list.

c. All approved bid request forms must be completed and submitted, in accordance with the BIDDING provision below, no later than 4:00 p.m. on November 1, or 4:00 p.m. on the following Monday if the date falls on the weekend. An employee may write more than one (1) bid preference on the bidding form in priority order.

d. An employee may voluntarily withdraw from participation in the twenty-four (24) month Bid Process by submitting a written request to his/her supervisor. Employees who withdraw will be assigned at management’s discretion. These assignments shall be
counted neutral; that is, they shall not be counted in either Management's or Union's positions.

e. Failure on the part of the employee to submit a request form by 4:00 p.m. on November 1, or failure to show up at the allotted time for a walk up bid, shall result in a no preference indicated (NPI) for the employee. The employee will then be assigned an assignment at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management's or Union's positions.

f. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management's discretion.

g. The new assignments will begin the second Monday in January first watch.

h. The time frames will be agreed upon at the
local level by the Union and Management.

C. Interim Vacancy Bidding Process

1. The interim bidding process is designed as a method to provide vacant assignments, if Management determines to fill the positions, created while the twenty-four (24) month assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments that have been determined by management to be filled by bid shall be subject to the terms and conditions of this section.

2. As RN assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting. Interim bids shall be conducted so that the percentages specified in this section are maintained throughout the twenty-four (24) month cycle. Upon request, SEIU shall be provided updated information regarding the post and bid split in order to ensure maintenance of the ratio as described above.
3. The filling of vacancies by either promotions from eligible lists or external lateral transfers are not subject to P&B.

4. If the State determines to fill the assignment without posting, the assignment may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such assignments may be advertised where appropriate, but will be filled through the sole discretion of the State.

5. Interim bids shall be conducted so that the percentages specified in this section are maintained throughout the twenty-four (24) month cycle. Upon request, SEIU shall be provided updated information regarding the post and bid split in order to ensure maintenance of the ratio as described above.

56. The excess of non-posted assignments over posted assignments at each institution shall not exceed two (2) at any time. In no case shall more than seventy eight percent (80.70%) of the filled RN assignments (as defined above) be held by
employees through successful bids.

67. Each notice shall remain posted as provided for in "POSTING ASSIGNMENTS" for no less than fifteen (15) calendar days. Employees may bid for these assignments using the "BIDDING" process below. All bids must be submitted by 4:00 p.m. on the fifteenth (15th) day of posting.

78. At the end of the fifteen (15) day bid period, the eligible bidded employee with the highest seniority score shall be placed in the assignment. Any assignment that received no bid shall be filled at management's discretion and counted neutral.

D. Posting Assignments

Those assignments, which are determined to be posted, shall be posted in a prominent place where such notices are customarily posted. The posted notice shall be dated and on a form designed for that purpose and shall include the following criteria:

1. Identification posting number

2. Unit (or ward) or other assignment
3. Shift

4. Days off or rotation pattern and cycle

5. Time base

6. Deadline for bid submittal and where to be submitted

7. Special qualifications (if any)

E. Bidding

1. Employees may bid on the posted assignment by filling out a bid form provided by the State. The bidding employee shall submit the completed bid form to the following:

   a. the original to the location designated on the bid form,

   b. a copy to the Union designated steward, and

   c. the bidding employee.

Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location, and business telephone number. The form must be
dated and signed by the employee.

2. An otherwise eligible employee absent from the work site during the bid process for such reasons, including but not limited to EIDL; SDI; Workers' Compensation; leave of absence; annual military leave; illness, etc., may participate in the bid process. Employees must assume the assignment within sixty (60) days of the posting of the bid results. After sixty (60) days management shall decide whether or not to fill the position. If management fills the position it shall be counted neutral until the next twenty-four (24) month bid cycle.

3. In the event the employee is unable to assume the assignment within the sixty (60) calendar days, the employee may be placed in another assignment at management's discretion.

F. Other Factors

1. Short term absences of not more than sixty (60) calendar days from the employee's assignment, including special assignments, injuries on the job, and acting assignments, will not preclude the
employee's return to the assignment after being determined they qualify to resume such duties.

a. If absence is more than sixty (60) calendar days, the Appointing Authority may authorize an employee's return to the assignment or same watch/RDO's if the absence was generated by a management decision.

b. An employee exceeding the sixty (60) calendar day limit for an absence due to EIDL will be assigned to the same assignment or same watch/RDO for the remainder of the bid period.

c. An employee exceeding the sixty (60) calendar day limit for any other reason will at least be assigned commensurate with his/her watch preference.

2. A waiting list will be established with those employees who have been removed from an assignment as a result of a correction to a seniority date or due to management error in assigning the employee.
3. Employees who laterally transfer after November 1 will be precluded from the bid process until the next open bid period.

G. Deletions and Changes

1. If a bid assignment is deleted due to reduced allocations or for other reasons, and there is an employee in the deleted assignment, then the employee may bid on any vacant posted assignment.

2. If because of coverage or other legitimate operational need, it is determined that a bid assignment's posting criteria must be altered, the employee filling that assignment shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered assignment, he/she shall notify management of that desire within five (5) calendar days and shall remain in the assignment. An assignment shall not be considered altered when the training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to
attend.

H. Transfers

Employees holding bid assignments shall not, except in cases of emergency or as otherwise provided for in this section, be involuntarily transferred to another assignment.

I. Denial of Bid

1. Employees who have adverse action taken against them shall lose their right to hold a bid assignment and/or bid on any assignments for a period of up to six (6) months if such assignment or bid is meaningfully related to the cause of action. If the employee is exonerated on appeal, his/her right to bid or hold assignments shall be restored. Employees who are charged with wrongdoing which is also grounds for adverse action may lose their right to bid and/or hold a bid assignment for a period of up to six (6) months, if such assignment of bid is meaningfully related to the cause of action. A meeting before the Director or designee is required prior to such denial.

2. An employee may be temporarily removed from
the bid assignment pending a personnel/EEO investigation, but will be assigned to substantially similar start/stop time and RDO if possible. Once the investigation has been concluded and if the charges have not been substantiated, the employee shall be returned to their bid assignment.

3. Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid assignments for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold assignments restored. The reason for denial to bid shall be in writing and given to the employee.

4. Employees losing their right to bid or hold assignment as outlined above may be administratively transferred to the same watch without regard to RDO. Employees who have been absolved of wrongdoing as stated above, shall be accorded one (1) successful bid so long
as this bid is exercised within three (3) months of the decision absolving the employee.

5. If for some reason, other than specified previously, it becomes necessary to change an employee who has exercised his/her eligibility for a bid assignment, that employee shall be job changed to a new post possessing similar RDO's on the same watch, if available and if requested by the employee.

6. Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Director or designee prior to the final decision regarding the employee's ability to bid.

J. Floating

The word "float" as used in this section is synonymous of that of "redirect". If it becomes necessary to temporarily float/redirect employees to another Unit 17 position in order to provide coverage, each work
location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis. The RN Shift Lead shall not be included in floating.

K. Involuntary Removal

Management may remove an employee from a bid position when the employee fails to demonstrate that they have the knowledge and skills required to perform the duties of the position. The employee shall be placed in a position with the same RDO's and substantially similar start/stop times. The vacated position shall be subject to the interim bid process.

L. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the Department's nepotism policy in accordance with the following:

1. If such bid or position creates a nepotism situation, notice must be given to the employee.

2. Assignments not in conformance with this subsection shall be corrected by transfer or other
appropriate action within ninety (90) days.

3. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

M. Disputes

1. Disputes concerning this section shall be grievable to the Departmental level of review and shall not be arbitrable;

2. Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request;

3. An employee alleging seniority date errors/disputes and is unable to resolve the problem with verbal communication shall submit his/her complaint to the first formal level of review within the normal time frames specified in the grievance process;

4. Errors in favor of the employee will result in the adjustment of the employee's seniority date. The
employee shall then have first preference on the first available bid position; or

5. The employee has the right to go on a waiting list for the next available slot matching the employee's bid for the watch and RDO.

N. Implementation and Applicability

Contractual right to Post and Bid for Shift Preference/RDO's shall remain in effect with no position changes at those affected institutions until Article 20.9.17 is implemented and the yearly bid process begins in October-2002. Implementation of the Post and Bid process at new institutions will begin the first October following activation (receipt of inmates).

The parties recognize, pursuant to the February 14, 2006 Court Order Appointing that Receiver, that the Receiver is empowered to renegotiate this provision, in the event that such action is necessary for the Receiver to fulfill his duties under the Order. The determination on whether such action is necessary rests solely with the Court pursuant to paragraph D. of the Order.
The Union proposes the following language:

20.10.20 Post and Bid Procedure for Vacant Licensed Vocational Nurse (LVN) Positions (Excluding CDCR) (Unit 20)

Post and Bid shall apply to the LVN classification at facilities (1) with fifteen (15) or more LVN positions and (2) which either provide services seven (7) days a week or for which management has established multiple starting times. Only permanent full-time employees are eligible to participate in the post and bid process.

A. Vacant Positions

As management determines that positions become available, or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without posting.

If the State determines to fill the position without posting, the position may be filled by hire, transfer, promotion, or any other method allowed by the Civil
Such positions may be advertised where appropriate, but will be filled through the sole discretion of the State. As positions become vacant and determinations are made by the State, the excess of non-posted positions over posted positions shall not exceed two (2) at any facility at any time. In no case shall more than sixty-five percent (65%) of the filled positions in a facility be held by employees through successful bids.

The post and bid process is designed as a method to advertise and fill current position vacancies with existing employees. The filling of vacancies by either promotion from an eligible list or external lateral transfers is not subject to the post and bid procedure.

B. Posted Positions

Those positions which are determined to be posted shall be posted in a prominent place where such notices are customarily posted on each unit and, in addition, may be advertised in each facility's publication. The posted notice shall be on a form designed for that purpose and shall include the following posting criteria:
1. Identification posting number

2. Level of position

3. Program and unit (or ward) or other assignment

4. Shift

5. Days off or rotation pattern and cycle

6. Time base

7. Deadline for bid submittal

8. Indication of an "incentive bid position"

9. Location where bid is to be submitted

Each notice shall remain posted for no less than seven (7) calendar days.

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be submitted in triplicate with the employee submitting the original to the appropriate central office, a copy to the Union, and the employee retaining a copy. Bid forms shall include the identification posting number, the employee's name, classification, seniority points,
current work location and business telephone number. The form must be dated and signed by the employee to indicate certification that the worksite has been visited.

Posted positions shall be available for bid only to those employees in the civil service classification specified on the posted notice.

D. Assignment

Within fifteen (15) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most seniority. However, in emergencies or where severe staffing shortages exist in the employee's incumbent program, assignment may be delayed up to sixty (60) calendar days after the posting of notice.

If no bids are received, management shall withdraw the bid notice. The withdrawn notice does not count against either party's ratios or 605/4035 position count. These positions may be filled:

1. In accordance with subsection A above, or

2. Hire, promotion, reinstatement, transfer from within the facility or from another State agency.
If that position is filled or committed within sixty (60) days of withdrawal of posting under (2) above, it shall not count in the 50/50 posting ratios.

E. Incentive Bid Position

A vacant position that is posted two (2) consecutive times and remains unbid may be identified as an "incentive position" on the third consecutive posting. In a program identified as a "designated program" an unbid position may be identified as an incentive position on the second consecutive posting.

An employee who successfully bids an incentive position and remains in the position for one (1) year shall be accorded super-seniority for their next successful bid. When two (2) or more employees with super-seniority bid, the position shall be awarded as follows:

1. Length of super-seniority
2. Seniority
3. By lot

Incentive positions that are not bid upon may be filled through internal transfer from within the hospital without

Employees who successfully bid an incentive position and are bidding in-place (same unit and shift as the posted position) shall not be eligible to earn the super-seniority. In designated program's the super-seniority eligibility shall be limited to positions awarded to employees from outside the program only.

The facility shall provide the Union with a weekly listing of "designated programs."

An employee in an incentive position that is deleted or altered in accordance with subsection E shall retain the eligibility to earn super-seniority if he/she elects to remain in the altered or changed position. Employee absences due to illness or injury shall not be counted after the fourteenth (14th) consecutive calendar day toward the one year qualifying period to earn super-seniority.

F. Deletions and Changes

If a bid position is deleted due to reduced allocations or for other reasons, then the employee in that position:
may bid on any vacant posted position.

If, because of coverage or other legitimate operational need, it is determined that a bid position's posting criteria must be altered in any respect, the employee filling that position shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered position, he/she shall notify management of that desire within five (5) calendar days and shall remain in the position. A position shall not be considered to be altered when training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

G. Floating

If it becomes necessary to float employees to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis.

H. Transfers

Employees holding bid positions shall not, except in case of emergency, be involuntarily transferred or moved except as otherwise provided in this section.
I. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to hold a bid position and/or to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action.

If, on appeal, the employee is exonerated, his/her right to bid and/or hold positions shall be restored.

Employees who are charged with wrongdoing, which is also grounds for adverse action, may lose their right to bid and/or hold a bid position for a period of up to six (6) months, if such position or bid is meaningfully related to the cause of action. A hearing before the facility’s chief or designee is required prior to such denial.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to hold and/or bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored.
Employees losing their right to bid or hold positions as outlined above may be administratively transferred at the discretion of the State. Employees who have been absolved of wrongdoing as stated above, shall be accorded super-seniority for one successful bid so long as this bid is exercised within three (3) months of the decision absolving the employee.

J. Limits on Bid

An employee may not make more than one (1) successful bid each twelve (12) months except that if an employee's bid position is altered and the employee elects not to stay in the position, or if an employee is granted a bid under the provisions in subsection D above, these bids shall not be counted under this subsection. Exceptions to this limitation may be granted. Employees on probationary status shall not be eligible to bid on posted positions.

Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting
will be held with the Executive Director or designee prior to the final decision regarding the employee’s ability to bid.

K. Nepotism

No bid shall be denied based solely on personal relationships. An employee may lose his/her right to hold and/or bid a position based on the department’s nepotism policy in accordance with the following:

1. If such bid or position creates a nepotistic situation, notice must be given to the Union.

2. Representatives of the Union and the State shall meet and review the situation.

3. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days.

4. Nothing in this subsection shall prohibit the employee and/or the Union from filing a grievance.

L. Meet and Discuss

Either party may request a meet and discuss regarding
any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request.

M. At each facility, management shall designate an official who shall be responsible for the administration of the Post and Bid provision. Upon request, the Post and Bid administrator shall meet periodically with SEIU Local 1000 representatives for the purpose of reviewing compliance with the Post and Bid provision.

N. For purposes of this Agreement, seniority is defined as one (1) point for each qualifying month of full-time State service.

O. Implementation and Applicability

The provisions of this section will be implemented six (6) months after ratification of the Agreement by both the State and the Union membership.
The Union proposes the following language:

20.11.20 Post and Bid Procedure for CNA Positions:
California Veteran's Homes (Unit 20)

Only permanent full-time employees are eligible to participate in the post and bid process. Employees on probationary status shall not be eligible to bid on posted positions.

A. Vacant Positions

As management determines that positions become available, or vacant, they shall first be reviewed by the State to determine whether they shall be posted or filled without utilizing the post and bid procedure. If the State determines to fill the position without posting, the position may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such positions may be advertised where appropriate, but will be filled through the sole discretion of the State. In no case shall more than sixty-five percent (65%) of the filled positions in a facility be held by employees through successful bids.
The post and bid process is designed as a method to advertise and fill current position vacancies with existing employees. The filling of vacancies by either promotion from an eligible list or external lateral transfers is not subject to the post and bid procedure.

Yountville will continue its current procedure. For the purpose of implementation of this Article at the Chula Vista, Lancaster, and Ventura Veterans Homes, for every three (3) positions that management determines are available, or vacant, the State will post two (2) out of every three (3) vacant positions for bid until sixty-five percent (65%) of the filled positions in each facility are held by employees through a successful bid. Management at each facility will have discretion over which vacant positions will be posted.

B. Posted Positions

Those positions which are determined to be posted shall be posted electronically. The format shall include the following posting criteria:

1. Identification posting number

2. Classification

3. Ward assignment
4. Shift

5. Days off or rotation pattern and cycle

6. Deadline for bid submittal

7. Location where bid is to be submitted

8. Typical assigned duties

9. Description of duties to be performed (knowledge, skills and abilities)

C. Bidding

Employees may bid on the posted position by filling out a bid form provided by the State. Bid forms shall be copied by the employee, with the employee submitting the original to the Nursing Office, a copy to the Union, and the employee retaining a copy. Bid forms shall include posting number, the employee's name and classification. The forms must be dated and signed by the employee.

Posted positions shall be available for bid only to those employees in the civil service classification specified on the posted notice.

If no bids are received, the position may be filled in
accordance with subsection A. above.

D. Assignment

Within twenty (20) calendar days after the posting of notice of vacancy, the position shall be assigned to the eligible bidding employee with the most seniority. However, in cases of emergencies or where severe staffing shortages exist in the employee's incumbent program, assignment may be delayed up to sixty (60) calendar days after the posting of notice.

When a position is filled all employees who bid will be notified electronically.

E. Deletions

If a bid position is deleted, then the employee in that position may bid on any vacant posted position or he/she will be transferred at management's discretion to any vacant position.

F. Denial of Bid

Employees who have adverse actions taken against them shall lose their right to bid on any positions for a period of up to six (6) months if such position or bid is meaningfully related to the cause of action. If, on
appeal, the employee is exonerated, his/her right to bid shall be restored.

Employees who receive yearly evaluations which have two (2) or more categories marked below standard may lose their right to bid positions for up to six (6) months, subject to review in three (3) months. If the evaluation is overturned by a reviewing officer or as a result of a grievance decision, the employee shall have his/her right to bid and hold positions restored.

Employees losing their right to bid as outlined above may be administratively transferred at the discretion of the State.

G. Limits of Bid

An employee may not make more than one (1) successful bid each twelve (12) months except that if an employee's bid position is deleted. Exceptions to this limitation may be granted following a request in writing to the Human Resources post and bid administrator.

Management may deny a bid, which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in
conflict with the work limitation(s) described by his/her physician.

H. Nepotism

An employee may lose his/her right to hold and/or bid a position based on nepotism. If such bid or position creates a nepotistic situation, notice must be given to the employee. Assignments not in conformance with this subsection shall be corrected by transfer or other appropriate action within ninety (90) days. Nothing in this subsection shall prohibit the employee and/or Union from filing a grievance.

I. Meet and Discuss

Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedures. This request will be honored by the non-requesting party within thirty (30) days of the request.

J. Management shall designate an official who shall be responsible for the administration of the Post and Bid process. Upon request, the Post and Bid administrator shall meet periodically with Union representatives for the purpose of reviewing compliance with the Post and Bid procedures.
K. For the purpose of this provision “seniority” is defined as one (1) point for each qualifying month of full-time State service. In case of ties in seniority, assignments will be made by service in class. If further tie breaking is necessary a tie breaker will be utilized.

L. Post and bid will be 605/4035 with 50/50 of the primary positions to the relief positions shared between the State and the Union.
The Union proposes the following language:

20.12.20 Post and Bid Procedure for Vacant LVN Positions, CDCR (Unit 20)

I. Introduction: The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority. Contained in this section are the provisions for the “24 Month P&B Process” which allows employees to bid twenty four (24) month assignments and the “Interim Vacancy Bidding Process” which addresses vacancies that occur while the twenty four (24) month assignments are in effect.

A. The Chief Nurse Executive (CNE) or their designee shall have responsibility for implementation and maintenance of this procedure at each facility and shall ensure compliance.

B. The work “assignment” as used in this section is synonymous with that of “position.”

C. Participation in the P&B process is limited to eligible
employees. An eligible employee:

i. Must be a permanent full-time licensed vocational nurse (LVN); probationary employees are excluded.

ii. Must be permanently assigned to and work at the institution. Eligible employees may participate only in their institution’s P&B process. There shall be no inter-institution bidding on assignments.

D. Excluded Assignments: Specialty areas shall be excluded from the P&B process. Such areas shall be dialysis, PACU, ICU, utilization management, and surgical assignments. Those LVN qualifying posts which are considered specialty areas shall be counted as neutral assignments, that is, they shall not be counted in either Management’s or Union’s positions.

E. Special Qualifications: Employees bidding on assignments which require specialized training shall meet the skills, knowledge, and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.

F.D. Seniority: Defined as one (1) point for each qualifying month of full-time Departmental Unit 20
service, with ties broken by one point for each qualifying month of full-time State service. If a further tie exists, then ties will be broken by “lottery” thereafter.

**E.** Limits on Bid: An employee may not make more than one (1) successful open assignment bid. All employees shall remain in their initial successful bid for each twelve (12) months from the day the post is awarded except when an employee’s bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section “VII” subsections “A” and “B” or if an employee is granted a bid under the provisions of section “IX.” If these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.

**II. Twenty-four (24) Month Bid Process**

**A.** There shall be seventy-five percent (75%) of the LVN qualifying post assignments (excluding specialty areas in the California Department of Corrections and Rehabilitation (CDCR) allotted according to seniority at each facility that provides healthcare).

**B.** The specific posts that comprise the seventy-five percent (75%) and the thirty twenty-five percent
(2530%) will be established through a meet and discuss. The Union and Management will identify an equitable distribution of the preferred work areas, watches, and RDOs between Management and bid assignments. Upon request, post orders and duty statements will be provided for each of the positions prior to the meet and discuss.

C. Participation in the twenty-four (24) month P&B process is voluntary. The choice not to participate shall result in management assigning the individual to an assignment that remains unfilled after this bid process is completed.

D. Timeframes:

i. The twenty-four (24) bid cycle begins in the month of October for those employees who wish to participate. An updated seniority roster and a listing of all available assignments open for bid shall be posted no later than October 1st every other year.

ii. Unless otherwise contested by October 15, an employee’s seniority as posted on October 1 shall determine the employee’s placement on the
seniority list.

iii. All approved bid request forms must be completed and submitted, in accordance with the BIDDING provision below, no later than 4 p.m. on November 1, or 4 p.m. on the following Monday if the date falls on the weekend. An employee may write more than one bid preference on the bidding form in priority order.

iv. An employee may voluntarily withdraw from participation in the twenty-four (24) month Bid Process by submitting a written request to his/her supervisor. Employees who withdraw will be assigned at management’s discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management’s or Union’s positions.

v. Failure on the part of the employee to submit a request form by 4 p.m. on November 1, shall result in a no preference indicated (NPI) for the employee. The employee will then be assigned an assignment at management’s discretion. These assignments shall be counted neutral; that
is, they shall not be counted in either Management's or Union's positions.

vi. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management's discretion.

vii. The new assignments will begin the second Monday in January first watch.

viii. The time frames will be agreed upon at the local level by the Union and Management.

III. Interim Vacancy Bidding Process

A. The interim bidding process is designed as a method to provide current employees the opportunity to move to vacant assignments, if Management determines to fill the positions, created while the twenty-four (24) month assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments, that have been determined by Management to be filled by bid shall be subject to the terms and conditions of this section:
B. As LVN assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting.

C. The filling of vacancies by either promotions from eligible list or external lateral transfers is not subject to P&B.

D. If the State determines to fill the assignment without posting, the assignment may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service System. Such assignments may be advertised where appropriate, but will be filled through the sole discretion of the state.

E. Interim bids shall be conducted so that the percentages specified in this section are maintained throughout the twenty-four (24) month cycle. Upon request, SEIU shall be provided updated information regarding the post and bid split in order to ensure maintenance of the ratio as described above.

F. The excess of non-posted assignments over posted assignments at each institution shall not exceed two (2) at any time.

G. Each notice shall remain posted as provided for in
“POSTING ASSIGNMENTS” for no less than fifteen (15) calendar days. Employees may bid for these assignments using the “BIDDING” process below. All bids must be submitted by 4 p.m. on the fifteenth (15th) day of posting.

H. At the end of the fifteen (15) day bid period, the eligible bidded employee with the highest seniority score shall be placed in the assignment. Any assignment that received no bid shall be filled at management’s discretion and shall be counted neutral.

IV. Posting Assignments: Those assignments, which are determined to be posted, shall be posted in a prominent place where such notices are customarily posted. The posted notice shall be dated and on a form designed for that purpose and shall include the following criteria:

A. Identification posting number

B. Unit (or ward) or other assignment

C. Shift

D. Days off or rotation pattern and cycle

E. Time base
F. Deadline for bid submittal and where to be submitted

G. Special qualifications (if any)

V. Bidding

A. Employees may bid on the posted assignment by filling out a bid form provided by the State. The bidding employees shall submit the completed bid form to the following:

i. The original to the location designated on the bid form.

ii. A copy to the Union designated steward, and

iii. The bidding employee.

B. Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location, and business telephone number. The form must be dated and signed by the employee.

C. An otherwise eligible employee absent from the work site during the bid process for such reasons, including but not limited to EIDL, SDI, Worker's Compensation, leave of absence, annual military leave, illness, etc.,
may participate in the bid process. Employees must assume the assignment within sixty (60) days of the posting of the bid results. F. Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. 20.15.20 Post and Bid Procedure for CNA Positions, CDCR (CDCR, CCHCS, DJJ) (Unit 20)

I. Introduction: The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority in institutions that have 20 fifteen (15) or more full-time permanent employees. Contained in this section are the provisions for the "24 Month P&B Process" which allows employees to bid twenty four (24) month assignments and the "Interim Vacancy Bidding Process" which addresses vacancies that occur while the twenty four (24) month assignments are in effect.

A. The Chief Nurse Executive (CNE) or their designee shall have responsibility for implementation and maintenance of this procedure at each facility and shall ensure compliance.

B. The work "assignment" as used in this section is
synonymous with that of “position.”

C. Participation in the P&B process is limited to eligible employees. An eligible employee:

i. Must be a permanent full-time Certified Nursing Assistant (CNA): probationary employees are excluded.

ii. Must be permanently assigned to and work at the institution. Eligible employees may participate only in their institution’s P&B process. There shall be no inter-institution bidding on assignments.

D. Special Qualifications: Employees bidding on assignments which require specialized training shall meet the skills, knowledge, and abilities prior to the bid being placed. These special qualifications shall be defined in the bid notice.

E. Seniority: Defined as one point for each qualifying month of full-time Departmental Unit 20 service, with ties broken by one point for each qualifying month of full-time State service. If a further tie exists, then ties will be broken by “lottery” thereafter.

F. Limits on Bid: An employee may not make more than
one successful open assignment bid each twelve (12) months except when an employee's bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section “VII” subsections “A” and “B” or if an employee is granted a bid under the provisions of section “IX.” If these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.

II. Twenty-four (24) Month Bid Process

A. There shall be sixty seventy percent (6070%) of the CNA qualifying post assignments at each facility that provides healthcare.

B. The specific posts that comprise the sixty seventy percent (6070%) and the forty thirty percent (4030%) will be established through a meet and discuss. The Union and Management will identify an equitable distribution of the preferred work areas, watches, and RDOs between Management and bid assignments. Upon request, post orders and/or duty statements will be provided for each of the positions prior to the meet and discuss.

C. Participation in the twenty-four (24) month P&B
process is voluntary. The choice not to participate shall result in management assigning the individual to an assignment that remains unfilled after this bid process is completed.

D. Timeframes:

i. The twenty-four (24) bid cycle begins in the month of October for those employees who wish to participate. An updated seniority roster and a listing of all available assignments open for bid shall be posted no later than October 1st every other year.

ii. Unless otherwise contested by October 15, an employee’s seniority as posted on October 1, shall determine the employee’s placement on the seniority list.

iii. All approved bid request forms must be completed and submitted, in accordance with the BIDDING provision below, no later than 4 p.m. on November 1, or 4 p.m. on the following Monday if the date falls on the weekend. An employee may write more than one bid preference on the bidding form in priority order.
iv. An employee may voluntarily withdraw from participation in the twenty-four (24) month Bid Process by submitting a written request to his/her supervisor. Employees who withdraw will be assigned at management’s discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management’s or Union’s positions.

v. Failure on the part of the employee to submit a request form by 4 p.m. on November 1, shall result in a no preference indicated (NPI) for the employee. The employee will then be assigned an assignment at management’s discretion. These assignments shall be counted neutral; that is, they shall not be counted in either Management’s or Union’s positions.

vi. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management’s discretion.

vii. The new assignments will begin the second
Monday in January first watch.

viii. The time frames will be agreed upon at the local level by the Union and Management.

III. Interim Vacancy Bidding Process

A. The interim bidding process is designed as a method to provide current employees the opportunity to move to vacant assignments, if Management determines to fill the positions, created while the twenty-four (24) month assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments, that have been determined by Management to be filled by bid shall be subject to the terms and conditions of this section.

B. As CNA assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting.

C. The filling of vacancies by either promotions from eligible list or external lateral transfers is not subject to P&B.

D. If the State determines to fill the assignment without
posting, the assignment may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service system. Such assignments may be advertised where appropriate, but will be filled through the sole discretion of the State.

E. Interim bids shall be conducted so that the percentages specified in this section are maintained throughout the 24 month cycle. Upon request, SEIU shall be provided updated information regarding the post and bid split in order to ensure maintenance of the ratio as described above.

F. The excess of non-posted assignments over posted assignments at each institution shall not exceed two (2) at any time.

G. Each notice shall remain posted as provided for in “POSTING ASSIGNMENTS” for no less than fifteen (15) calendar days. Employees may bid for these assignments using the “BIDDING” process below. All bids must be submitted by 4 p.m. on the fifteenth (15th) day of posting.

H. At the end of the fifteen (15) day bid period, the eligible bidded employee with the highest seniority score shall
be placed in the assignment. Any assignment that received no bid shall be filled at management's discretion and shall be counted neutral.

IV. Posting Assignments: Those assignments, which are determined to be posted, shall be posted in a prominent place where such notices are customarily posted. The posted notice shall be dated and on a form designed for that purpose and shall include the following criteria:

B. Bid forms shall include the identification posting number, the employee's name, classification, seniority points, current work location, and business telephone number. The form must be dated and signed by the employee.

C. An otherwise eligible employee absent from the work site during the bid process for such reasons, including but not limited to EIDL, SDI, Worker's Compensation, leave of absence, annual military leave, illness, etc., may participate in the bid process. Employees must assume the assignment within sixty (60) days of the posting of the bid results. After sixty (60) days management shall decide whether or not to fill the position. If management fills the position it shall be counted neutral until the next twenty-four (24) month bid cycle.

D. In the event the employee is unable to assume the assignment within the sixty (60) calendar days, the
employee may be placed in another assignment at management's discretion.

VI. Other Factors

A. Short term absences of not more than sixty (60) calendar days from the employee's assignment, including special assignments, injuries on the job, and acting assignments, will not preclude the employee's return to the assignment after being determined they qualify to resume each duties.

i. If absence is more than sixty (60) calendar days, the appointing authority may authorize an employee's return to the assignment or same watch/regular day off (RDO) if the absence was generated by a management decision.

ii. An employee exceeding the sixty (60) calendar day limit for an absence due to EIDL will be assigned to the same assignment or same watch/RDO for the remainder of the bid period.

iii. An employee exceeding the sixty (60) calendar day limit for any other reason will at least be assigned commensurate with his/her watch preference.

B. If because of coverage or other legitimate operational need, it is determined that a bid assignment's posting criteria must be altered, the employee filling that assignment shall be notified of the proposed changes and the reason for such change in writing. If the employee desires to remain in the altered assignment, he/she shall notify management of the desire within five (5) calendar days and shall remain in the assignment. An assignment shall not be considered altered when
the training is conducted on a shift other than the employee's regularly scheduled shift and the employee is required to attend.

IX. Denial of Bid

Employees who have been absolved of wrongdoing as stated above, shall be accorded one successful bid so long as the bid is exercised within three (3) months of the decision absolving the employee.
E. If for some reason, other than specified previously, it becomes necessary to change an employee who has exercised his/her eligibility for a bid assignment, that employee shall be job changed to a new post possessing similar RDO's on the same watch, if available and if requested by the employee.

F. Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Director or designee prior to the final decision regarding the employee’s ability to bid.

X. Floating/Redirect: The word “float” as used in this section is synonymous with that of “redirect”. If it becomes necessary to temporarily float employees to another Unit 20 position in order to provide coverage, each work location (unit and shift) shall establish a rotational system that distributes floating on an equitable basis.

XI. Involuntary Removal: Management may remove an employee from a bid position when the employee fails to demonstrate that they have the knowledge and skills

XIII. Disputes

A. Disputes concerning this section shall be grievable to the Departmental level of review and shall not be arbitrable.
B. Either party may request a meet and discuss regarding any problem or concern with the Post and Bid procedure. This request will be honored by the non-requesting party in the form of a meeting within thirty (30) days of the request;

C. An employee alleging seniority date errors/disputes and is unable to resolve the problem with verbal communication shall submit his/her complaint to the first formal level of review within the normal time frames specified in the grievance process.

D. Errors in favor of the employee will result in the adjustment of the employee’s seniority date. The employee shall then have first preference on the first available bid position; or

E. The employee has the right to go on a waiting list for the next available slot matching the employee’s bid for the watch and RDO.

This Post and Bid process shall be implemented with the next CDCR-CCHCS 24 month bid cycle 2017-2021.
The Union proposes the following language:

20.16.20 Post and Bid Procedure for Dental Assistant Positions, CDCR (Unit 20)

I. Introduction:

The Post and Bid (P&B) process is designed as a method to allow employees to secure an assignment based on seniority. Contained in this section are the provisions for the "Annual P&B Process" which allows employees to bid twelve (12) month assignments and the "Interim Vacancy Bidding Process" which addresses vacancies that occur while the twelve (12) month assignments are in effect. The Inaugural Annual Post and Bid will become effective January 1, 2014 and will result with the P&B assignment placements occurring in July 1, 2014.

A. The Health Program Manager III, Supervising Dentist, or their designee shall have responsibility for implementation and maintenance of this procedure at each facility and shall ensure compliance.
B. The word "assignment" as used in this section is synonymous with that of "position."

C. Participation in the P&B process is limited to eligible employees. An eligible employee:

   i. Must be a permanent full-time Dental Assistant (DA); probationary employees are excluded.

   ii. Must be permanently assigned to and work at the institution. Eligible employees may participate only in their institution's P&B process. There shall be no inter-institution bidding on assignments.

D. Seniority:

   Defined as one point for each qualifying month of full-time Departmental Unit 20 service, with ties broken by one point for each qualifying month of full-time State service. If a further tie exists, then ties will be broken by "lottery" thereafter.

E. Limits on Bid:

   An employee may not make more than one successful open assignment bid each twelve (12) months except
when an employee's bid assignment is substantially modified and the employee elects not to stay in the position or as provided in section "VII" subsections "A" and "B" or if an employee is granted a bid under the provisions of Section "IX." If these occur, the employee shall have the right to bid again. Exceptions to this limitation may be granted.

II. Annual Bid Process

A. There shall be ninety percent (90%) of all of the DA qualifying positions allotted according to seniority at each California Department of Corrections and Rehabilitation (CDCR) facility that provides dental care.

B. The specific posts that comprise the ninety percent (90%) will be established through a meet and discuss. The Union and State will identify an equitable distribution of the preferred work areas, watches, and Regular Days Off (RDOs) between management and bid assignments. Upon request, post orders and duty statements will be provided for each of the positions prior to the meet and discuss.

C. Participation in the Annual P&B process is voluntary. The choice not to participate shall result in
management assigning the individual to an assignment that remains unfilled after this bid process is completed. The awarding of the ninety percent (90%) P&B assignments will be based on seniority. For example, the most senior DA bidding for a P&B assignment will be awarded his/her first choice. This awarding of P&B assignments will continue in order of seniority until the P&B process is completed, with all the ninety (90%) assignments being awarded or the bids submitted have been exhausted.

D. Timeframes:

i. The annual bid cycle begins in the month of April for those employees who wish to participate. An updated seniority roster and a listing of all available assignments open for bid shall be posted no later than April 1st every year.

ii. Unless otherwise contested by April 15, an employee’s seniority as posted on April 1, shall determine the employee’s placement on the seniority list.

iii. All approved bid request forms must be completed and submitted, in accordance
with the BIDDING provision below, no later than 4 p.m. on May 1, or 4 p.m. on the following Monday if the date falls on the weekend. An employee may write more than one bid preference on the bidding form in priority order.

iv. An employee may voluntarily withdraw from participating in the Annual Bid Process by submitting a written request to his/her supervisor. Employees who withdraw will be assigned at State's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either State's or the Union's positions.

v. Failure on the part of the employee to submit a request form by 4 p.m. on May 1, shall result in a no preference indicated (NPI) for the employee. The employee will then be assigned an assignment at management's discretion. These assignments shall be counted neutral; that is, they shall not be counted in either State's or Union's positions.
vi. At the end of the bid period, management will make the assignments based on the highest seniority of the bidders. Any assignment that does not receive a bid shall be filled at management’s discretion.

vii. The new assignments will begin the first Monday in July on the first watch.

viii. The time frames will be agreed upon at the local level by the Union and Management.

III. Interim Vacancy Bidding Process

A. The interim bidding process is designed as a method to provide current employees the opportunity to move to vacant assignments, if the State determines to fill the vacant position, created while the annual assignments are in place, using seniority as the deciding factor on who will secure an assignment that is available by bid. The vacant assignments that have been determined by the State to be filled by bid shall be subject to the terms and conditions of this section.

B. As DA assignments become available, they shall first be reviewed by the State to determine whether they will be filled, posted for bid, or filled without posting.
C. The filling of vacancies by either promotions from eligible list or external lateral transfers is not subject to P&B.

D. If the State determines to fill the assignment without posting, the assignment may be filled by hire, transfer, promotion, or any other method allowed by the Civil Service system. Such assignments may be advertised where appropriate, but will be filled through the sole discretion of the State.

E. Interim bids shall be conducted so that the percentages specified in this section are maintained throughout the twelve (12) month cycle. Upon request, the Union shall be provided updated information regarding the post and bid split in order to ensure maintenance of the ratio as described above.

F. Each notice shall remain posted as provided for in "POSTING ASSIGNMENTS" for no less than fifteen (15) calendar days. Employees may bid for these assignments using the "BIDDING" process below. All bids must be submitted by 4 p.m. on the fifteenth (15th) day of posting.

G. At the end of the fifteen (15) day bid period, the eligible bidded employee with the highest seniority score shall be placed in the assignment. Any assignment that
received no bid shall be filled at management's discretion and shall be counted neutral.

IV. Posting Assignments: Those assignments which are determined to be posted, shall be posted in a prominent place where such notices are customarily posted. The posted notice shall be dated and on a form designed for that purpose and shall include the following criteria:

A. Identification posting number

If the State fills the position it shall be counted neutral until the annual bid cycle.
D. In the event the employee is unable to assume the assignment within the sixty (60) calendar days, the employee may be placed in another assignment at the State's discretion.

VI. Other Factors

A. Short term absences of not more than sixty (60) calendar days from the employee's assignment, including special assignments, injuries on the job, and acting assignments, will not preclude the employee's return to the assignment after being determined he/she qualify to resume each duties.

i. If an absence is more than sixty (60) calendar days, the appointing authority may authorize an employee's return to the assignment or same watch/regular day off (RDO) if the absence was generated by a management decision.

ii. An employee exceeding the sixty (60) calendar day limit for an absence due to EIDL will be assigned to the same
assignment or same watch/RDO for the remainder of the bid period.

iii. An employee exceeding the sixty (60) calendar day limit for any other reason will at least be assigned commensurate with his/her watch preference.

F. Management may deny a bid which is submitted by an employee who is on limited duty status if it is determined that the duties of the posted position are in conflict with the work limitation(s) described by his/her physician. Upon request of the employee, a meeting will be held with the Director or designee prior to the final decision regarding the employee's ability to bid.

State Administrative Manual (SAM) section 1321.14 (Revised 1/23/02)

The Real Estate Services Division (RESD) is responsible for developing and implementing planning and design standards and determining space needs for state owned and leased facilities. The following table delineates the maximum space allowances and space types for each job category. The allowances indicate net square feet and do not include space for circulation and special requirements outside the office/workstation space. These standards are general guidelines and can be modified and developed to meet job requirements of individual agencies and their employees.
Once an agency’s design standards and space allocations have been developed and approved by RESD, any modifications must be reviewed and approved by RESD.

3. Last-chance agreements shall include a provision which requires an employee’s evaluation by a substance abuse professional as referenced in 49 CFR 382.605 and follow-up testing after returning to duty. Adverse actions or rejections on probation may be arbitrated only after the grievant signs an express waiver of all rights to appeal the action or rejection to the SPB. In arbitrations involving adverse actions, the arbitrator shall determine if just cause exists and, if not, the appropriate remedy. Grievants arbitrating a rejection on probation shall have the burden of going forward and the burden of proof.

two (2) weeks prior to the ergonomic evaluation. Supervisors shall give the completed employee ergonomic evaluation request forms they receive prior to the evaluation to the ergonomic evaluator for review. The ergonomic evaluation shall, if possible, be done in conjunction with the ergonomic training described below.

5. The employee may make a request to his/her supervisor for an ergonomic evaluation at any time. The employee shall document the concern and the request for evaluation on a form provided by the supervisor. Side Letter #3 – Retired Annuitants

The State and the Union agree that hiring retired annuitants may be necessary to perform mission critical work. Mission critical is defined as a disruption in normal business, which may result in the failure of a business operation. Retired Annuitants shall not displace SEIU represented employees.

This Article will be subject up to step three of the formal grievance process and will not be arbitrable.
The Union proposes the following language:

Side Letter #4 – Access Agreement

Date: March 5, 2007

To: State of California Department Heads, Labor Relations Officers, SEIU Local 1000 Stewards, Area Coordinators and Labor Representatives.

Subject: Side Letter Regarding Access

Over the last two (2) years, the State of California and SEIU Local 1000 have struggled to find a balance between the State’s operational needs and the Union’s need to access the employees it represents at their worksites. This challenge has resulted in a number of serious confrontations, including arrests, as well as legal conflicts in various forums that continue to this day.

In the interest of harmonious Labor Relations, the parties agreed in June of 2006 to work with a neutral
mediator and make a good faith effort to resolve the issue. The enclosed document is the result of those sessions between CalHR and SEIU Local 1000.

As with all agreements, both sides had to compromise. This Agreement, however, is intended to provide a proactive framework for facilitating Union access and addressing disputes before they escalate.

In that spirit, the State and the Union are fully committed to the following principles:

• Department/Union cooperation in seeking solutions to access issues
• Swift resolution of disagreements when they occur
• An ongoing understanding of, and respect for, each others' particular operational needs

We now look to you to implement this Agreement in the spirit in which it was negotiated. There will be joint training provided on the Agreement at a date still to be determined.

Attachment
This document is developed for the purpose of implementing the collective bargaining agreement.
Department personnel and Union representatives are encouraged to discuss/resolve access problems if they arise.

The Union shall provide advance notice of its intent to visit worksites. Departments shall notify the Union of the appropriate person to receive notice. Providing notice shall not be interpreted as requesting permission. However, where worksites with legitimate issues of safety, security or patient care exist, reasonable accommodations for access and/or distribution of information shall be provided. Departments shall discuss such accommodations with the Union.

The Union has the right to distribute information where represented employees work. The Union will not block entrances. Distribution of information inside worksites shall not cause disruption of work.

Where escorts are necessary for reasons of safety, security or patient care, including patient privacy, typically, such escorts shall be Local 1000 bargaining unit members and such escorts shall not interfere with discussions between the Union and its members.
When problems/issues regarding union access to members’ worksites occur, and cannot be resolved at the department level, the following persons should be contacted:

In the event that agreement cannot be reached between CalHR and SEIU Local 1000 contact persons, the dispute may be submitted directly to arbitration pursuant to Step 4 of the grievance procedure. The parties shall exchange written statements regarding the issue and the response within one week of failure to agree.
The Union proposes the following rollover language:

**Side Letter #5 – Student Assistants**

The State and the Union agree that hiring student assistants may be necessary to give students the opportunity to gain experience in their field of study and give the State the ability to attract high quality candidates for possible hire. Student assistants shall not displace SEIU represented employees.

This Article will be subject up to step three of the formal grievance process and will not be arbitrable.
The Union proposes the following deletion:

Side Letter 6.11 – Fish Habitat Assistant

A. Pursuant to side letter 6.11 of the preceding MOU, CalHR conducted a classification study for the establishment of a Fish and Wildlife Specialist (Lead) classification. Upon completion of the study, CalHR, on May 29, 2012, approved the exceptional allocation request from the Department of Fish and Wildlife to employ the classification of Fish Habitat Assistant at the department’s fish hatcheries. Pursuant to that approval, the department has been authorized to test and recruit in that regard.
