

Breakout 1

Rights, Roles, and Responsibilities

In your experience as a steward, how do your rights empower you to fulfill your duties effectively? What specific expectations do you have as a steward, and how do your rights support you in meeting those expectations?

Breakout 2

Duty Selection:

Which specific duty do you feel most strongly about? Why is this duty important to you and your role as a steward?

Rights and Protections:

What rights or protections discussed in our training support you in fulfilling this duty? How do these rights empower you in the workplace?

Importance of Enforcement:

Why is contract enforcement critical for organizing power for our members? In what ways does enforcing our contract strengthen our position as stewards?
