

Mandatory Overtime Report

Service Employees International Union (SEIU) Local 1000 and California Correctional Health Care Services

Introduction:

In July of 2023, the SEIU and the State agreed to a provision in the Bargaining Agreement for Units 17 and 20, that required the parties to create a written report related to Mandatory Overtime. Specifically, the language states, “By January 1, 2025, the JLMTF shall develop a written report that may include, but is not limited to, MOT data, previous reduction efforts, and any joint recommendations on reducing mandatory overtime shifts.”

SEIU and the California Correctional Health Care Services worked together to produce this report.

Mandatory Overtime History:

Mandatory overtime (MOT) is defined within the SEIU Local 1000 Memorandum of Understanding (MOU) for Bargaining Units 17 and 20. It is contained in contract provisions 19.14.17, 19.15.17, 19.14.20, and 19.15.20. It states “a mandated holdover of two (2) hours or more is considered a mandated overtime. The history of MOT began in 2001 when California was one of the first states in the nation to limit excessive work hours for nurses. However, the wage order from the legislature did not cover nurses who work in state-run facilities. Legislation was enrolled in 2005 and 2014 to eliminate MOT for nurses in state-run facilities but was vetoed by Governors Schwarzenegger and Brown. The veto message was the same for both governors: these are issues best addressed at the bargaining table.

In 2016, the Little Hoover Commission conducted a public hearing and study on overtime in state facilities and issued a report to the governor and legislature. The report includes the following areas, which are drivers of MOT: civil service challenges that make vacancies hard to fill, scheduling issues/errors, and nursing staff being off work on various types of leave. On page 16, second paragraph of the Little Hoover Report, it states “More than a decade ago, the U.S. Institute of Medicine recommended prohibiting nursing staff from providing patient care in excess of 12 hours in a 24-hour work period and in excess of 60 hours per seven-day work period to reduce error-producing fatigue.”

Furthermore, on page 16 paragraph three, the report states “It is inexcusable that California state facilities rely heavily on overtime as a staffing tool when other public sector healthcare providers have succeeded in reducing overtime in general and avoiding mandatory overtime in all but extreme emergencies. The departments are not solely to blame as they must comply with outdated civil service rules that make it harder and take longer to fill vacancies and it is more difficult to implement creative staffing tools that could help minimize the need for excess overtime. They are also governed by budget and staffing allocations that may not be based on accurate assumptions for employee leave time and fluctuating patient needs.” This information can be found at [Time and Again: Overtime in State Facilities – Little Hoover Commission](#)

Little Hoover Commission data highlights - Overtime in California for Fiscal Year 2014-2015:

- 3.75 million hours of overtime.
- 85% of the entire nursing staff worked overtime.
- \$179 million in overtime pay = 1,802 employees working 40-hour weeks for a full year.
- 18.2% of total pay for state nurses is overtime ➡ 4x the percentage of pay for registered nurses and healthcare workers nationally.

The Written Report that SEIU and CCHCS are tasked with is related to Mandatory Overtime. On page 6 of the Little Hoover report, they detailed the percentage of these hours that are Mandatory Overtime vs. Voluntary Overtime. See table below:

California State Departments	Fiscal Year	Total Overtime*	Voluntary Overtime*	Mandatory Overtime*
California Correctional Health Care Services	2014-15	1,187,094	1,114,540 94%	72,554 6%
Department of State Hospitals	2014-15	1,821,319	1,627,752 90%	193,567 10%
Department of Developmental Services	2014-15	607,337	479,315 79%	128,022 21%
California Department of Veterans Affairs	2014-15	132,687	109,604 83%	23,083 17%
Total Overtime	—	3,748,437 100%	3,331,211 89%	417,226 11%

*Numbers are shown in hours.

Joint Labor Management Task Force History:

The original Joint Labor Management Task Force (JLMTF) was established in 2017 as part of the 2016 MOU agreement to include three departments, which are California Correctional Health Care Services (CCHCS), California Department of State Hospitals (DSH), and the California Department of Veterans Affairs (CalVet), met separately with SEIU. Each department had their own contract provision, that outlined the work of the JLMTF. The original intent of this agreement was to eliminate and/or reduce MOT within the three departments. In the 2016 MOU agreement that was bargained, there were target dates for the reduction of the number of mandated shifts nurses can work per month. Since that agreement MOT has been reduced to two per month for Registered Nurses (RNs), three per month for Licensed Vocational Nurses (LVNs) and Certified Nursing Assistants (CNAs).

The CCHCS/SEIU JLMTF was established in the 2016-2020 MOU to meet quarterly with the three departments individually to identify drivers of MOT and to develop and implement recommendations to eliminate and/or reduce MOT. Per the MOU, CCHCS was tasked to track the number of voluntary and mandatory overtime hours at each facility for RNs, LVNs, and CNAs. By November 2019, the JLMTF were to make recommendations for the elimination

and/or reduction of MOT and develop a plan for implementing the JLMTF's recommendations. This information can be found on the CalHR website and pertains to contract article section:19.34 (CCHCS).

In the 2020 MOU agreement there was a target date of January 2021 to achieve the strategic reduction of MOT by determining the triggers that necessitate the use of MOT and develop a toolkit to help the different facilities as the facilities reduce MOT. During this time, the contract stated that SEIU Local 1000 would meet with the respective department every other month to achieve this goal. Ultimately the toolkit was never developed by the JLMTF. In the current MOU (2023-2026) the JLMTF is tasked with meeting at least every other month to review mandatory overtime (MOT) data, determine the triggers that necessitate the use of MOU outside of emergencies, and develop strategies to help the different facilities work towards the reduction of mandatory overtime. Additionally, the JLMTF was tasked to develop a joint report as the department was unable to reduce the amount of MOT for nurses per month.

See Appendix A, pages 154-184, for the relevant MOU language.

SEIU's Internal MOT Reduction Efforts –

In 2016 SEIU started a #StopMOT movement to activate nursing classifications to become leaders within their respective facilities to develop the power necessary to eliminate MOT, fix staffing issues, and improve working conditions. SEIU Local 1000 developed web pages for Unit 17 and Unit 20 to document and track MOT for our nurse members. The outcome of these actions by SEIU nurses resulted in legislation to eliminate MOT, but Governor Jerry Brown exempted state nurses with respect to MOT.

Acknowledgement that MOT is still an issue and demonstrate that MOT has declined:

Presently, SEIU and CCHCS continue to work collaboratively in the JLMTF on a regular basis to explore solutions to eliminate/reduce MOT such as: alternative scheduling options, recruitment and retention, and non-monetary incentives (employee recognition programs). Across the department, there are multiple locations throughout the state that we are still seeing MOT issues that need to be addressed, and we are working with the department to solve them via the JLMTF.

The goal of the task force is to work strategically to reduce mandatory overtime, determine the triggers that necessitate the use of MOT and develop strategies to help reduce the use of mandatory overtime. This topic will be discussed in greater detail in the MOT Recommendations section of the report.

MOT Reduction Efforts:

SEIU's Perspective

There has been a decline in MOT across the department, due to the collaboration between SEIU and CCHCS's efforts at the institutions to reduce the monthly mandates for nurses.

SEIU has prioritized the reduction of monthly mandates in the last several bargaining cycles and the parties were able to agree to the following reductions. In 2016, the RNs were at five

mandates per month and the LVNs and CNAs were at six mandates per month. Beginning August 1, 2016, RNs were reduced to four mandates per month and LVNs and CNAs were reduced to five per month. During that time period, it is SEIU's belief that the department agreed to meet with the union to develop a plan to eliminate/reduce MOT, but the parties were unable to reach an agreement and therefore no plan was agreed upon or implemented. In 2019 due to the conversation at the bargaining table SEIU began to draft an unfair labor practice (ULP) charge, however the department agreed to negotiate an agreement prior to the filing of the ULP.

In the 2020-2023 MOU, it was agreed that effective January 2, 2020, the RNs would work no more than three (3) MOT shifts per month and LVNs/CNAs work no more than four (4) MOT shifts per month. In July of 2021, the number was reduced to two (2) MOT shifts for RNs and three (3) MOT shifts for LVNs/CNAs. The decrease in mandates was accomplished over a four-year period. In 2023 during bargaining negotiations the state declined to further reduce the number of mandates per month, which remained the same and as a result the JLMTF was continued with the requirement of the Written MOT Report between SEIU and the respective department. See page 156 in Appendix A for full details.

MOT has been reduced by the department; by including but not limited to, Registry nursing staff, lower vacancy rates and Voluntary Overtime options for civil service staff. The use of registry staff has increased significantly despite the lower vacancy rates, which in turn has reduced overtime. The department hired full-time limited term employees due to the hiring freeze related to facility closures, which contributed to the reduction of MOT by filling vacancies. Another method being used by the department is redirecting nursing staff to other areas without back-filling, which has reduced overtime needs

CCHCS's Perspective

CCHCS is committed to reducing MOT and has reduced MOT significantly year over year since the end of the pandemic. We have accomplished this through our reduced vacancy rates (see page 140, in Appendix A) in the three nursing classifications. When appropriate, the department has utilized Registry staff.

CCHCS along with CDCR has closed several correctional institutions since 2021. These include Deuel Vocational Institution, California Correctional Center, California City and Chuckawalla State Prison. During this time period, the department hired most new employees as Limited Term (LT). This was done to allow those impacted by the prison closure's opportunities for job placement at other institutions. If the department was not going through institution closures, we would have hired the new staff as permanent (PERM) staff. In fact, the majority of staff hired LT since 2021 have been converted to PERM, as the last closure was effective in November of 2024.

CCHCS does not have the authority to bargain unless expressly delegated by CalHR. The bargaining process is mandated by statute under the authority of individuals appointed by the Governor. Bargaining processes are better viewed holistically, instead of singularly, as there are numerous factors that must be considered by both parties when making decisions about subjects that become part of a final agreement.

Mandatory Overtime (MOT) Data Section:

Classifications reviewed:

- Registered Nurse (RN)
- Licensed Vocational Nurse (LVN)
- Certified Nursing Assistant (CNA)

Data was collected from the 31 CDCR Institutions, that span from the Oregon border to the Mexican border. These 31 institutions are organized in four regions: Northern, North Central, South Central and Southern. Many of these institutions are in rural areas, where communities may have a limited number of registered, licensed, or certified healthcare workers. Each institution has a unique mission which creates a varying need for healthcare workers. See Appendix A, page 7 for map of all state institutions.

Data Collection for MOT hours

The data collected by CCHCS relies upon their Telestaff system. Telestaff was created to make the staff scheduling process more efficient. It is a web-based interface to a program stored on a network server. Each employee has a profile in Telestaff, in which their assignment information is maintained.

Data Sets

Data was captured from Telestaff for calendar years:

- 2024 (See Appendix A, page 8)
- 2023 (See Appendix A, page 52)
- 2022 (See Appendix A, page 96)

Data was summarized in the following categories by calendar year:

- Overall MOT for each calendar year for each classification
- Overall MOT, by facility, by classification for each calendar year
- Overall MOT, by month, by classification for each calendar year
- Overall MOT, by days of the week, by classification for each calendar year
- Overall MOT, by month, by day, with holidays/events depicted, by classification for each calendar year

Vacancy Data:

CCHCS worked with the Human Resources (HR) department to provide vacancy data. Data was collected for calendar years 2023 and 2024. The parties to this written report agreed to use data collected at the end of Quarter 1 (Q1) or March 31 of each year and the end of Quarter 3 (Q3) or September 30 of each year.

Vacancy Data was summarized in the following categories:

- Statewide vacancy for each classification at the end of Q1 and Q3. (Appendix A Page 140)

- Facility vacancy for each classification at the end of Q1 and Q3. (Appendix A Page 141-150)

Mandatory Overtime at CCHCS is still required to provide adequate staffing and patient care. However, the number of MOT hours worked in 2024 for all CNAs has decreased by close to a third, LVNs by nearly 40%, and RNs by 25%. See the table below.

CNA			LVN			RN		
Month	2023	2024	Month	2023	2024	Month	2023	2024
January	1001	926	January	2494	1409	January	2300	2537
February	900	508	February	1614	986	February	1736	1581
March	1252	539	March	1868	1330	March	2423	1381
April	1150	437	April	2290	1079	April	2553	1208
May	950	277	May	2196	1113	May	2007	1153
June	622	316	June	2084	990	June	2044	1534
July	671	599	July	1813	1389	July	1841	2099
August	505	445	August	1898	1298	August	2031	1996
September	409	680	September	1419	1305	September	1694	1964
October	587	668	October	1589	1349	October	2057	1978
November	443	715	November	1312	1053	November	1897	1356
December	564	611	December	1780	1478	December	2470	2670
TOTAL	9054	6721	TOTAL	22357	14781	TOTAL	25052	21449

When reviewing the MOT data collected from Telestaff the list below offers a brief summary. Please refer to the Appendix A, pages 8-139, to see the hours and bar graphs for each of these data points.

- Overall MOT for all classifications:
 - In 2022, there were a total of 87,667 hours of MOT for CNAs, LVNs and RNs.
 - CNAs had 12128 hours of MOT, LVNs had 32952 hours of MOT and RNs had 42587 hours of MOT.
 - In 2023, there were a total of 56,463 hours of MOT for CNAs, LVNs and RNs.
 - CNAs had 9054 hours of MOT, LVNs had 22357 hours of MOT and RNs had 25052 hours of MOT.
 - In 2024, there were a total of 42,952 hours of MOT for CNAs, LVNs and RNs.
 - CNAs had 6721 hours of MOT, LVNs had 14781 hours of MOT and RNs had 21449 hours of MOT.
 - Conclusion:
 - MOT has decreased year over year for all classifications. RNs are required to work the most MOT and CNAs the least.
- MOT by facility:
 - In 2022, for ALL classes reviewed, California Health Care Facility (CHCF) had the most MOT. For the CNAs, CHCF had 6562 MOT hours, with Corcoran, in second with 857 hours. For the LVNs, CHCF had 6268 MOT hours followed up with Corcoran with 2640 MOT hours. For the RNs, CHCF had 9037 MOT hours, followed by Correctional Institution for Men (CIM) with 2581 hours.

- In 2023, for ALL classes reviewed CHCF had the most MOT. For the CNAs, CHCF had 3819 MOT hours, with CIM, in second with 705 hours. For the LVNs, CHCF had 3031 MOT hours, followed up with Substance Abuse Treatment Facility (SATF) with 1935 MOT hours. For the RNs, CHCF had 4280 MOT hours, followed by Richard J. Donovan Correctional Facility (RJD) with 1860 hours.
- In 2024, for ALL classes reviewed CHCF had the most MOT. For the CNAs, CHCF had 2346 MOT hours, with Substance Abuse Treatment Facility (SATF), in second with 1066 hours. For the LVNs, CIM had 1759 MOT hours followed up with CHCF with 1330 MOT hours. For the RNs, CHCF had 3282 MOT hours, followed by Richard J. Donovan Correctional Facility (RJD) with 1752 hours.
- Conclusion:
 - With the one exception of LVNs at CIM in 2024, CHCF continues to have the most MOT for all classifications.
 - CHCF is the largest institution and employs more CNAs, LVNs and RNs than any other correctional institution in the state. CHCF has 1012 Medical Beds, 80 Mental Health Crisis Beds (MHCB) and 532 Psychiatric Inpatient Program (PIP) Beds.
- Months of the Year:
 - In 2022, for ALL classes reviewed, January had the most MOT, by far. For CNAs, there were 1915 hours in January and the next highest was August with 1350 hours and December with 1236. For LVNs, January was more than double the other months with 7006 hours, and July was second with 3283 hours. For RNs, January had 6541 hours and May had 4373 hours.
 - In 2023, the data indicates a flatter trend overall for the year. CNAs MOT hours were higher in the first five months of the year. For the LVNs, January was the highest, but only outpaced April, May, and June by a couple of hundred hours. For the RNs, there was a fairly even number of hours per month with the highest months being April, December, March, and January in that order.
 - In 2024, January was highest for CNAs, with 926 hours and May was the lowest with 277 hours. For the LVNs, the overall trend was flatter with December being the highest with 1478 hours and February being the lowest with 986 hours. For the RNs, December and January were the highest with 2670 and 2534 hours, respectively.
 - Conclusion:
 - Overall, there is no clear trend for all classifications. However, January does seem to consistently have higher MOT hours.
- Days of the Week:
 - In 2022, for ALL classes reviewed, Sunday, had the most MOT. However, for LVNs, Saturday was the second highest, CNAs; Monday was the second highest and for RNs, Monday was the second highest.
 - In 2023, for ALL classes reviewed, Sunday, had the most MOT. However, for LVNs, Saturday was the second highest; CNAs, Monday was the second highest; and for RNs Tuesday, was the second highest.

- In 2024, the CNAs, had most of the MOT on Sunday, and Monday was the second highest; for LVNs, the highest use of MOT was on Saturday and Sunday was the second highest; and for the RNs, Monday was the highest and Tuesday was the second highest.
- Conclusion:
 - For 2022 and 2023, Sunday was the day with the most MOT for all classifications. For all years, for LVNs, the weekend days, Saturday and Sunday were the days with the most MOT.
- Days of the Year
 - The grids below illustrate the days of the year with the most MOT, from 2022-2024, for the three classifications.
 - For 2024, the RNs, highest six days are all around the holidays in December and January. For 2024, the LVNs four of the ten are all around holidays in December and January. For 2024, the CNAs, only one of the ten is in December or January.

CCHCS compiled and analyzed the data related to MOT, in order to identify any patterns or conclusions that could be drawn, such that the parties could have data that could support recommendations to reduce MOT. The conclusion section of each bulleted list of data points provides general results for consideration.

Previous MOT Reduction Efforts Section:

May 2018 – Self Scheduling Procedure Pilot Program:

In 2018 CCHCS in collaboration with the JLMTF introduced a self-scheduling procedure pilot program that was intended to provide the opportunity to RNs, LVNs, and CNAs at the California Men's Colony (CMC) the flexibility to determine their own schedule, have the ability to know when they would have a weekend off, and to be able to schedule personal appointments (medical, etc.) as well as increase the likelihood employees would come to work. Participation in this pilot program was voluntary, and the participants would have to commit to a three-month period. The participants were asked to submit their current schedule to be placed as available shifts for choices that would be made available to all participants.

If a participant were on a scheduled vacation and for whatever reason that vacation was cancelled, the participant would be utilized in a "float" position.

The specifics of the procedure are as follows:

- A minimum of 25% of the total BU 17 RNs, or a minimum of 25% of total LVNs, or a minimum of 25% of CNAs would participate in this pilot program. If one or more of the above groups didn't reach the 25% threshold, the other groups would still be able to participate in the pilot.
- To participate in this pilot program, participants must be in accordance with the conditions set forth in the MOU between SEIU Local 1000 and the State of California, Article 19.8 Flexible Work Hours and 19.8.17 Flexible Work Hours and Alternate Work Schedules.
- Schedule choices would be made by seniority (most senior to least senior). Seniority will be defined by the BU 17 Article 20.9.17 Post and Bid Assignment by Seniority – CDCR, BU 20 Articles 20.12.20 Post and Bid Procedure for Vacant LVN Positions, CDCR and 20.15.20 Post and Bid Procedure for Vacant CNA Positions, CDCR.
- Schedule picks would take place sixty days prior to the start of the pilot program. The schedule period for participants to choose from would be in three-month intervals.
- There would be six rounds of picks for each participant, with each participant choosing a schedule in fourteen-day increments. The workweek would continue to be Monday – Sunday.
- Participants must work at least eighty hours in each designated fourteen-day increment. Participants must work two premium days per month or one premium day plus a holiday (when applicable) per month (Premium days = Friday, Saturday, and Sunday). Participants must not work more than sixteen consecutive hours in any twenty-four-hour period.

- Participants working a premium holiday shall be paid the premium pay for all hours worked on a premium holiday shift in accordance with Article 7.1 of the BU 17 and BU 20 MOU.
- There shall be no mandatory overtime on a participant's self-scheduled Regular Day Off (RDO). A participant's RDO begins at the end of the participant's last self-scheduled shift in the workweek.
- Participants in the self-scheduled program would not be floated or redirected during the pilot program. Participants who do not qualify for a shift differential on their current (primary) watch would not qualify for a shift differential for any hours of their self-schedule.
- Once all participants have finalized their choices, any remaining shifts shall be offered in accordance with the BU 17 MOU or the BU 20 MOU overtime scheduling procedures.

Outcome of the Self-Scheduling Procedure Pilot Program:

The procedure document for this pilot program was put in place and agreed upon by SEIU and CCHCS, however CCHCS never implemented this program. The investment of time put forth from the JLMTF was roughly between three to four months to agree upon the procedure, only to see this pilot never get off the ground. Although the department was willing to work collaboratively with SEIU, the fact that this pilot was never implemented is disappointing and that was management's final decision. SEIU's perspective is, since CCHCS decided not to implement this pilot program, the department continued to use MOT as a staffing tool.

CCHCS's perspective is, since this pilot program was not implemented, we were not able to determine if this would have been an effective tool to reduce MOT.

MOT Incentives:

SEIU Incentive recommendations:

SEIU has presented several incentives to CCHCS to reduce/eliminate MOT, which are listed below.

Non-monetary incentives:

- Inverse seniority list incentive for volunteering to work a mandate to be put at the bottom of the inverse seniority list.
- Ninety-day good attendance record and that employee would receive a day off of their choosing using their own leave credits.
- If an employee takes two Voluntary Overtime (VOT) shifts per week, then that employee will not be mandated the following week.

Monetary incentives:

- Recruitment and Retention – salary incentive to hire and retain employees (can be done outside of bargaining).
- Weekend shift differential pay (the department can make this request to the Department of Finance (DOF) outside of bargaining for additional pay).

CCHCS Incentive recommendations:

CCHCS also made a couple of incentive recommendations in our JLMTF discussions, which are listed below.

- Employee of the month parking spot near the entrance of the institution.
- Quarterly attendance review – employee featured on Lifeline intranet for good attendance.

MOT Incentive Outcomes:

SEIU's Perspective

During the course of several JLMTF meetings, SEIU and CCHCS discussed in great length what types of incentives would be viable options. In those discussions, SEIU drafted recommendations for both monetary and non-monetary incentives.

They were presented to the department in our JLMTF meetings. CCHCS also came to the table with their own incentive recommendations, keeping in the department's perspective that they must be non-monetary.

The reason the department wanted to submit non-monetary incentives is because the department does not have the authority to authorize or grant monetary incentives.

SEIU believes that the monetary incentives listed above can be done outside of bargaining, however the department has chosen not to request these incentives (recruitment and retention and weekend shift differential pay). Per the MOU, contract section 11.17.17 Recruitment and Retention Differential (Unit 17) and section 11.19.20 Recruitment and Retention (Unit 20), the verbiage is clear that this can be done outside of bargaining. These sections state, upon approval by CalHR, departments may provide Unit 17 and Unit 20 a recruitment and retention differential for specific positions, classifications, facilities, or geographic locations.

Our experienced nurses will tell you that most often, MOT is the highest at the weekends. A weekend shift differential would incentivize employees to volunteer for shifts, which would reduce MOT significantly. CCHCS declined all our incentive recommendations above during several months of discussion.

In the 2023 bargaining negotiations, SEIU passed proposals requesting weekend shift differentials and recruitment and retention. The state responded with this statement: "The state respectfully declines your proposal."

CCHCS's Perspective

Government Code section 19826 authorizes CalHR to "establish and adjust salary ranges for each classification of position in the state civil service subject to any merit limits contained in Article VII of the California Constitution." Pursuant to Government Code section 3517, the Ralph C. Dills Act, changes to the wages, hours, and other terms and conditions of employment for rank-and-file employees must be negotiated with representatives of recognized employee organizations. By law, CalHR represents the Governor as the state employer in such

negotiations. CCHCS holds the bargaining process as a confidential process between the parties.

Departments are guided by policy that creates a process to submit employee compensation requests for bargaining units they employ. This process is an internal process that is between the department and CalHR.

For CCHCS, when looking at the data in 2022 and 2023, for all classes reviewed, Sunday had the most MOT. In 2024, the CNAs, had the most MOT on Sunday, and Monday was the second highest; for LVNs, the highest use of MOT was on Saturday and Sunday was the second highest; and for the RNs, Monday was the highest and Tuesday was the second highest.

Salary Comparison section –

The data sources consulted for Registered Nurses, Licensed Vocational Nurses, Certified Nursing Assistants, and Medical Assistants salaries are outlined below:

- 1) The current salaries of the four classifications, as found within the State of CA Civil Service Pay Scale, as of October 7, 2024, with ranges included and both monthly and hourly figures provided.

CLASS	Class Code	Range*	2024 Compensation			
			Bottom of Range Monthly	Top of Range Monthly	Bottom of Range Hourly	Top of Range Hourly
Registered Nurse, Correctional Facility	9275	J	\$9,694.00	\$11,556.00	\$55.93	\$66.67
		K	\$10,686.00	\$12,740.00	\$61.65	\$73.50
Licensed Vocational Nurse CDCR	8257	B	\$5,741.00	\$5,913.00	\$33.12	\$34.11
		C	\$6,027.00	\$6,209.00	\$34.77	\$35.82
		D	\$6,296.00	\$6,487.00	\$36.32	\$37.43
		E	\$6,598.00	\$6,796.00	\$38.07	\$39.21
		F	\$6,928.00	\$7,136.00	\$39.97	\$41.17
		G	\$7,072.00	\$7,282.00	\$40.80	\$42.01
Certified Nursing Assistant	8185	Q	\$3,752.00	\$4,699.00	\$21.65	\$27.11
Medical Assistant	7374	(NA)	\$3,820.00	\$5,024.00	\$22.04	\$28.98

**For RNs, Range J hourly rate is for all RNs at CDCR/CCHCS, except those that work at San Quentin Rehabilitation Center (SQ), Correctional Training Facility (CTF), and Salinas Valley State Prison (SVSP). Range K, is for RNs that work at SQ, CTF and SVSP.*

For LVNs, Range B is for all staff at CDCR/CCHCS, except those that work at SQ, CTF, SVSP with less than 12 months' full-time experience as an LVN. Range C is for staff with more than 12 months' full-time experience as an LVN, except those that work at SQ, CTF, SVSP. Range D is for staff with more than 24

months' full-time experience as an LVN, except those that work at SQ, CTF, SVSP. Range E is for those employees that work at SQ, CTF, SVSP with less than 12 months' full-time experience. Range F is for those employees that work at SQ, CTF, SVSP with more than 12 months' full-time experience. Range G is for employees with more than 24 months' full-time experience that work at SQ, CTF, SVSP.

- 2) Bureau of Labor Statistics (BLS) national estimates for the four classifications, as found within their Occupational Employment and Wage Statistics database dated May 2023, with mean, median, and 75th, and 90th percentile hourly wages.

Bureau of Labor Statistics					
CLASS	Class Code	National Employment Estimate			
		Mean Hourly Wage	Median Hourly Wage	75%	90%
Registered Nurse, Correctional Facility	9275	\$45.42	\$41.38	\$50.32	\$63.79
Licensed Vocational Nurse CDCR	8257	\$29.23	\$28.72	\$32.28	\$37.44
Certified Nursing Assistant	8185	\$19.04	\$18.36	\$21.41	\$23.45
Medical Assistant	7374	\$19.57	\$18.40	\$21.81	\$24.86

- 3) State of CA Employment Development Department (EDD) Occupational Wage data, with mean, median, and 75th percentile hourly wages for the four classifications, as found via the EDD CodeFinder search tool.

CLASS							
Registered Nurse (RN)	Occupational Wages						
	Area	Year	Period	Hourly Mean	Hourly by Percentile		
					25th	Median	75th
	California	2024	1st Qtr.	\$68.20	\$52.20	\$66.37	No data

Licensed Vocational Nurse (LVN)	Occupational Wages						
	Area	Year	Period	Hourly Mean	Hourly by Percentile		
					25th	Median	75th
	California	2024	1st Qtr.	\$37.93	\$32.27	\$37.45	\$40.69

Certified Nursing Assistant (CNA)	Occupational Wages						
	Area	Year	Period	Hourly Mean	Hourly by Percentile		
					25th	Median	75th
	California	2024	1st Qtr.	Unavail.	\$20.00	\$22.00	\$24.00
Medical Assistant (MA)	Occupational Wages						
	Area	Year	Period	Hourly Mean	Hourly by Percentile		
					25th	Median	75th
	California	2024	1st Qtr.	\$25.22	\$19.45	\$23.14	\$29.37

- 4) Data provided to CCHCS LRU by SEIU with reported hourly salaries from Sutter Health, SF County, Federal Service, and State of CA.

Appendix A pages 151-153, provides a side-by-side comparison of the salaries outlined above and includes the jurisdictions offered by SEIU.

Salary comparisons can be tricky, as many benefit factors can be part of compensation. Typically, in the public sector there are numerous benefits that are monetary in nature that are not included in the salary of the employee. For example, state employees enjoy a defined benefit retirement formula. Most of the health care workers employed by CCHCS have an enhanced retirement formula based on working in a correctional institution.

Other monetary benefits that nursing staff in the State of California earn are health benefits, eleven annual paid holidays and one personal holiday, vacation leave that increases with seniority, twelve paid sick days a year, recruitment and retention differentials based on geography, night shift differential, and longevity pay for RNs.

When comparing the hourly wage of the state employees against the BLS and EDD data, the table below offers a side-by-side comparison:

Registered Nurse			Licensed Vocational Nurse			Certified Nursing Assistant		
State*	EDD	BLS	State*	EDD	BLS	State	EDD	BLS
\$66.67	\$68.20	\$63.79	\$37.43	\$37.93	\$37.44	\$27.11	\$24.00	\$23.45
\$73.50	hourly mean	90%	\$42.01	hourly mean	90%			90%

*For RNs and LVNs hourly salary is at the top of the range for all those that do not work in Bay Area, and at the top of the range for those that do work in the Bay Area.

The hourly wages listed for state employees, EDD data and BLS data, do not include other monetary benefits. As discussed above, the healthcare workforce in CDCR/CCHCS all receive safety retirement benefits. Most employers have additional non-salaried benefits including healthcare, dental, and vision benefits. For RNs, LVNs and CNAs, employed with the State of

California and working in an institution, they have a defined benefit safety retirement that includes healthcare benefits.

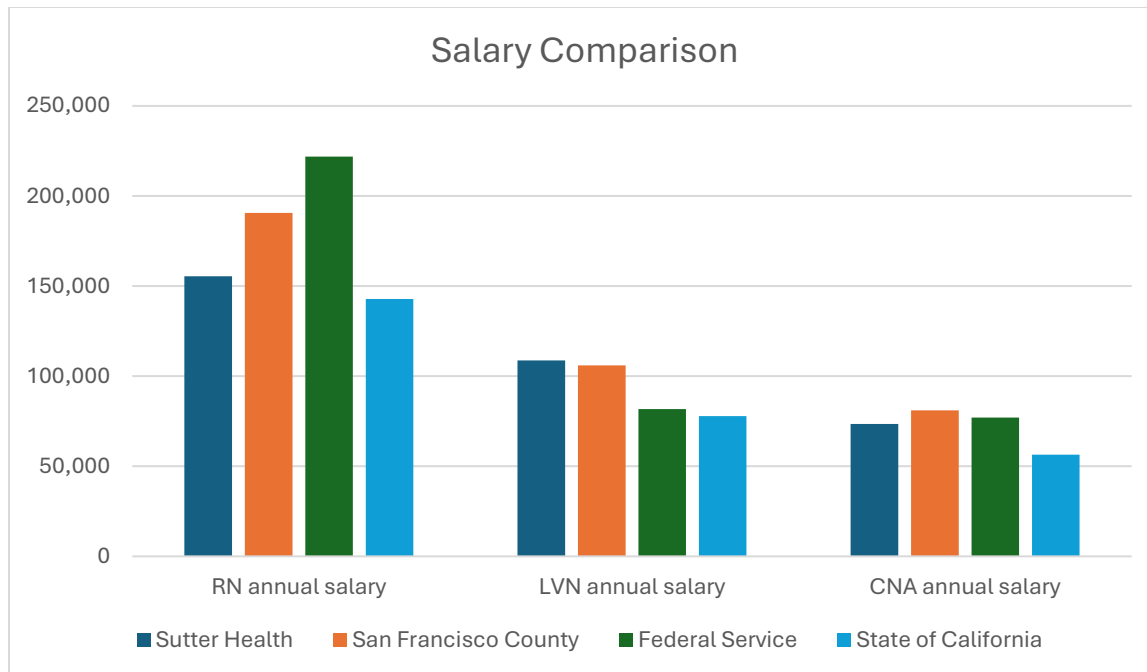

As illustrated above, RNs who work for the state are paid above the BLS and below the EDD hourly mean, for those not working in the Bay Area, and above the EDD hourly mean for those that do work in the Bay Area. LVNs who work for the state are paid almost the same wage as the BLS and slightly below the hourly mean for EDD for those not working in the Bay Area, and above the EDD hourly mean for those that do work in the Bay Area. The CNAs are making well over the hourly wage listed by the BLS and EDD.

CCHCS Perspective CCHCS continues to improve their vacancy rates. CCHCS remains competitive as outlined above. In addition, RNs, LVNs and CNAs are eligible for geographic differentials for those working in higher cost areas. State employment continues to be one of the most secure areas of employment.

SEIU researched salaries across the private and public sectors to display sample data for three nursing classifications that CCHCS utilizes and who are impacted by MOT.

The salary ranges seen in the table below the salaries are calculated by taking the lowest/highest hourly rate and multiplying those numbers by 2,080 hours (standard work hours annually). The salary ranges for CCHCS were taken from the civil service pay scales from the CalHR website – the lowest/highest monthly salaries were multiplied by twelve. Below the salary table you will see a bar graph with salary comparisons, which shows the disparity if civil service wages compared to other private and public sector healthcare organizations.

Organizations:	RN annual salary:	LVN annual salary:	CNA annual salary:
Sutter Health	\$101,566 - \$155,480	\$80,974 - \$108,700	\$60,486 - \$73,507
San Francisco County	\$160,804 - \$190,569	\$87,214 - \$105,996	\$64,417 - \$81,057
Federal Service	\$149,816 - \$221,900	\$59,851 - \$81,712	\$47,206 - \$77,068
State of California	\$119,832 - \$142,824	\$68,892 - \$77,844	\$45,024 - \$56,388

The salary data above was found on the websites listed below:

- <https://www.indeed.com/>
- <https://jobs.sutterhealth.org/>
- <https://careers.sf.gov/>
- <https://www.calhr.ca.gov/state-hr-professionals/Pages/pay-scales.aspx>

SEIU's Perspective In a competitive job market where there are many healthcare organizations that are trying to attract skilled nurses, the CCHCS pay ranges make it challenging to keep up with salaries in the private sector and as seen above, in some public sectors too (SF County and Federal Service). Aside from salary, other benefits are also being offered outside of what CCHCS can offer such as: flexible hourly scheduling (staff choice), sign-on bonuses, more competitive shift differential pay (higher differential pay), and no MOT for the private sector companies. Another important aspect of working within civil service is the dissatisfaction of many nurses when it comes to their work/life balance due to fixed schedules, challenging work culture, and the unpredictability of MOT. This information has been obtained by surveying our nurses. The survey below is from a power-point presentation that was created in 2023 by a CDPH nurse consultant. The information in the slide was done by the McKinsey & Company organization in 2022 that describes the top 5 reasons that nurses leave their jobs.

Not being valued, inadequate pay, and unmanageable workloads are the top factors impacting surveyed RNs' decision to leave a job in the past 18 months.

Top factors surveyed RNs say impact decision to leave direct patient care role, Sept 2022, % responding "extremely" or "very much"

Please see the link for a more detailed version of the survey: [The nursing shortage in 2023 | McKinsey](#)

Outcome:

SEIU's Perspective: SEIU's opinion is that the lower pay ranges offered by the State of California are directly related to CalHR and DOF, which puts CCHCS at a significant disadvantage in recruitment and retention of their workforce. Some of the employment factors noted above are displayed in the graph above on page 7 regarding the top five reasons why nurses leave their positions.

All the data points SEIU has presented make a strong case for the State of California to look inward to what they are offering with respect to competitive salaries, work/life balance, and employee incentives.

Recommendations Section:

One of the primary purposes of the JLMTF is to collaboratively work together to find and implement solutions for MOT reduction. SEIU and CCHCS mutually agreed that both sides would make recommendations toward this goal.

Joint Recommendations:

- Continuing recruitment for Permanent, Full-Time; Limited-Term, Full-Time; Limited-Term, Intermittent; Retired Annuitant employees.

- Exit survey for employees who separate to identify reason for leaving department (example: retirement, transfer, or job satisfaction). SEIU will be provided general themes from the exit surveys upon review.
- Work with Nursing and Telestaff to provide training to the staffing offices such that the reasons for the mandates are accurately described in the Telestaff system.
- Explore other classifications performing suicide watch 1:1 observations.
- CCHCS will use data-driven information to assist in decision making that is derived from our Telestaff system, such that our leadership can be provided information related to MOT. SEIU will be provided with this data on an on-going basis.

2022 Recommendations - SEIU

- Recruitment and Retention
- Increased recruitment activity (attending more recruitment events, job fairs, etc.)
- Weekend shift differential pay
- Specialty assignment differential pay – Treatment and triage (like an ER department)
- Alternative Work Schedules (twelve-hour shifts, Daphne schedule - is a set rotational pattern of eight- or twelve-hour shifts, self-scheduling)
- Increase relief factors (more staffing coverage for sick, holiday, vacation, training, bereavement)
- Standardized training for the Staffing Supervisors on how to code properly in Tele-staff (CCHCS personnel software) to utilize relief factors and develop a tracking system to ensure proper staffing levels
- Monthly Staffing Supervisor Meeting – Local 1000 institution steward shall meet with institution Staffing Supervisor once per month where MOT issues are the most prevalent to collaboratively create recommendations for reduction.
- Marketing pamphlet for Retired Annuitants to re-apply for state service
- Exit survey to follow up with employees who separate to identify reason for leaving department (example: retirement, transfer, or job satisfaction)

2022 Recommendations - CCHCS

- Management creates and implements a standardized workflow chart to be utilized for mandatory overtime
 - Example COVID ATO flowchart
 - Flowchart would walk institution management through determining if post is required to be filled, checking the VOT list, soliciting for volunteers, the MOU language, etc.
- Management creates and implements a standardized form that is completed when mandating an employee
 - The form would reflect efforts made as outlined in the above referenced workflow chart, including the reason for the mandate
 - Form would be maintained in a central location

- Forms may be provided upon request of the local steward, and any concerns can be addressed at the monthly JLMC
- Management address attendance issues timely (monthly)
 - In line with the MOU this will ensure attendance concerns are addressed with the impacted employee early on to assist in correcting the behavior
- Continuing recruitment for Permanent, Full-Time; Limited-Term, Full-Time; Limited-Term, Intermittent; Retired Annuitant employees
 - Propose when determining the number of Limited Intermittent Employees take into account the amount of overtime is expended for sick leave/FLMA and long-term sick.
- Continue monthly training for new and current scheduling staff on how to utilize Telestaff
- Continue to expand the Crisis Intervention Teams (CIT). Suicide watches are the number one driver of overtime. Where the CITs are in place it has reduce the need for overtime.
- The Mental Health Program works with the Federal Courts to add Medical Assistant (MA) to the list of classifications that can perform 1:1 observations. The MA classification is now replacing LVNs as provider support thus reducing the number of employees that can now provide this service.
- Strengthen enforcement of Section 19.9 (17) and (20) [Exchange of time off – Multi-Shift Operations] for failure to fulfill the swap.

Of the above, recommendations were implemented by CCHCS, as follows:

1. Training provided to Managers and Supervisors on the importance of timely addressing attendance issues.
 - CCHCS Managers and Supervisors attend mandatory annual training on effective attendance management.
2. On-going recruitment for Permanent, Full-Time; Limited-Term, Full-Time; Limited-Term, Intermittent; Retired Annuitant employees.
 - CCHCS' recruitment for nursing classifications (CNA, LVN, MA, RN) has been ongoing. In 2024 recruitment teams participated in 24 job fairs, worked booths at 3 community events, and held 9 hiring events that included expedited hiring by conducting in-person interviews and extending tentative offers on-site. Additional CCHCS recruitment efforts include marketing on job sites such as LinkedIn, Indeed, YouTube, Facebook, and Instagram. In 2024, CCHCS hired 162 CNA, 218 LVNs, 115 MAs, and 376 RNs.
3. Exit survey to employees upon separation.

SEIU's Perspective:

SEIU followed up numerous times with CCHCS Labor and management to inquire what the status of implementing their recommendations was during this time period, however we never received a response. This leads us to conclude that the above recommendations by the department and SEIU were never implemented, despite months of collaboration in our JLMTF MOT meetings. SEIU is committed to continuing to work with CCHCS to implement MOT recommendations, but it takes communication and a willingness to follow-through at the department level in order for there to be progress in MOT reduction.

CCHCS' Perspective:

After a pause in meeting due to COVID, the JLMTF resumed in 2021. Initially the parties met every other month, with the frequency increasing to monthly. As indicated above, SEIU and CCHCS provided recommendations that both parties felt could move a reduction in MOT. CCHCS continues to provide annual training to managers and supervisors on addressing attendance in a timely manner. There is ongoing recruitment for nursing classifications to fill our vacancies. When an employee separates from the department an elective exit survey is provided electronically. As a public sector employer, management must consider the potential broad impact. When contemplating monetary recommendations for example, the department must be mindful of the expenditure of public funds. Additional compensation must be approved by CalHR and DOF. The department also faces restrictions related to scope of practice, such as MAs currently not being able to perform 1:1 observation. CCHCS looks forward to continuing to work with SEIU to further explore ways to reduce MOT.

CCHCS' Conclusion:

CCHCS and SEIU were tasked with creating this written report. The Bargaining Unit 17 and Unit 20 language describes the task as, “the JLMTF shall develop a written report that may include, but is not limited to, MOT data, previous reduction efforts, and any joint recommendations on reducing mandatory overtime shifts.”

The parties to the report met on a consistent basis and worked collaboratively to complete the report. CCHCS focused on providing data such that the parties could draw conclusions related to the use of Mandatory Overtime. The MOT data section incorporates data from January 2022 – December of 2024 and is supplemented with an extensive appendix. Some of the obvious conclusions that can be drawn from the data are that RNs consistently have the most MOT compared to the other classifications; that LVNs consistently perform more MOT hours on the weekends than the other two classifications and CNAs perform the most MOT at facilities that have a significant mental health mission.

This report clearly shows that MOT has decreased year over year at CCHCS. Based on this success, there are recommendations that have been looked at over the many years this committee has been in place and there may be an opportunity to explore more of these recommendations to reduce it even further. It should also be noted that CCHCS is tasked with the healthcare of the incarcerated person population and must consider the needs of our patients. As a public sector employer, we must also be cognizant of our on-going responsibility to the citizens of the state of California.

A list of registry classifications is included in the Appendix A on page 186.

In conclusion, we believe that this report was a useful process for the parties to examine the reasons for MOT at CCHCS, understand that the MOT has decreased, examine our past efforts and build working relationships.

Appendix Section:

Appendix A – CCHCS, includes MOT data, Vacancy data, Salary data, MOU language and Registry classifications

SEIU's Conclusion:

For RNs overall, the vacancy rate from Quarter 1 in 2023 through quarter 3 in 2024 saw an overall decline from 21.2% to 15.6%, respectively. This trend represents both growth in the classification from 2646.6 to 2,678.25 authorized FTEs and a reduction of vacant positions from 560.46 to 415.41 over this time period.

For the LVNs the vacancy rate also improved from quarter 1 in 2023 to quarter 3 in 2024 from 20% to 15.51% put them on par with RNs. This is in part the result of a reduction in the total authorized positions from 1,655.7 to 1,614.01 and an increase in the total filled positions of about 20 for 1,345.8 employees.

For CNAs, the vacancy rates from quarter 1 2023 to quarter 3 in 2024 are the highest in the group going from 41.8% to 30.15%. While this represents significant improvement, it is double that for RNs and LVNs. In part, this is explained by stability in the number of authorized positions, a bit above 990 or so, while the number of positions filled has grown from 578.3 to 695.9 over this period of time. Improved workforce stability for the CNAs is something that is still a bit off and hopefully the vacancy rate will continue to decline.

Upon SEIU's review of the CCHCS registry data, the cost of this contract is \$138 million in one year, with the average FTE costing CCHCS \$199,323. When you break out the FTE annual equivalent this would be a total of 693 full-time positions across the 31 institutions. CHCF is the largest user of this contract. To put things into perspective regarding how much the department has spent on registry staff, since 2014 to present the Management Solutions contract for all registry classifications, has a projected cost of \$1,180,000,000.00. This information was obtained by SEIU via the Public Records Act process.

Earlier in the report we discussed salary comparisons and offered a sample of private and public sector salaries for the nursing classifications that CCHCS utilizes. We can draw the conclusion that from the sample offered in the salary table/graph indicates that the State of California is at the bottom when compared to the other healthcare organizations.

Since the State of California doesn't offer a competitive salary compared to the other salaries researched by SEIU. As noted above in the salary comparison section, it is very difficult to recruit top-tier nurses when private sector pay rates are higher when annualized compared to permanent state employees. One way this can be accomplished is by offering more competitive salaries. Lastly, we look forward to continuing to collaborate with the department to improve the areas discussed in this report and to ultimately eliminate MOT.

Bargaining Units 17 and 20 JLMTF On Mandatory Overtime Contract Language

****Prior to the 2020-2023 MOU Mandatory overtime sections reference section 5.10 Joint Labor Management Committees. (MOT Sections BU 17: 19.14.17, LVNs: 19.14.20, CNAs: 19.15.20)**

“I. In accordance with section 5.10 (Labor/Management Committee), CDCR/CCHCS’s Labor Management Committee will address overtime issues within this section.”

2023-2026 MOU

19.34 Department of Corrections and Rehabilitation (CDCR) – Division of Juvenile Justice (DJJ) and California Correctional Health Care Services (CCHCS) Joint Labor Management Task Force for the Strategic Reduction of Mandatory Overtime for RNs, LVNs, CNAs, and MAs (Units 17 and 20)

The Union and the State agree that mandatory overtime is not an effective staffing tool. To that end, the parties recognize and understand the importance of strategically reducing mandatory overtime for Registered Nurses (RNs), Licensed Vocational Nurses (LVNs), Certified Nurse Assistants (CNAs), and Medical Assistants (MAs).

A. To accomplish the strategic reduction of mandatory overtime, the parties agree to continue the Joint Labor Management Task Force (JLMTF) established in the 2016-2020 contract.

B. The JLMTF shall consist of an equal number of Union and CDCR/CCHCS committee members; not to exceed four (4) representatives for each side. Each shall appoint their own co-chair. At least one institutional Chief Nurse Executive or management designee shall be in attendance at each meeting. The dates and times shall be mutually determined and the committee members shall not suffer loss in compensation.

C. The JLMTF shall meet at least every other month to review mandatory overtime (MOT) data, determine the triggers that necessitate the use of MOT outside of emergencies, and develop strategies to help the different facilities work towards the reduction of mandatory overtime. By January 1, 2025, the JLMTF shall develop a written report that may include, but is not limited to, MOT data, previous reduction efforts, and any joint recommendations on reducing mandatory overtime shifts. The report shall be submitted to the department head and CalHR.

2020-2023 MOU

19.34 Department of Corrections and Rehabilitation (CDCR) – Division of Juvenile Justice (DJJ) and California Correctional Health Care Services (CCHCS) Joint Labor Management Task Force for the Strategic Reduction of Mandatory Overtime for RNs, LVNs, CNAs, and MAs (Units 17 and 20)

The Union and the State agree that mandatory overtime is not an effective staffing tool. To that end, the parties recognize and understand the importance of strategically reducing mandatory overtime for Registered Nurses (RNs), Licensed Vocational Nurses (LVNs), Certified Nurse Assistants (CNAs), and Medical Assistants (MAs).

A. To accomplish the strategic reduction of mandatory overtime by January 1, 2021, the parties agree to continue the Joint Labor Management Task Force (JLMTF) established in the 2016-2020 contract.

B. The JLMTF shall consist of an equal number of Union and CDCR/CCHCS committee members; not to exceed four (4) representatives for each side. Each shall appoint their own co-chair. The dates and times shall be mutually determined and the committee members shall not suffer loss in compensation.

C. The JLMTF shall meet every other month to determine the triggers that necessitate the use of MOT outside of emergencies, and develop a toolkit to help the different facilities as the facilities reduce mandatory overtime.

2016-2020 MOU

19.34 Elimination/Reduction of Mandatory Overtime for RNs, LVNs, and CNAs at Department of Corrections and Rehabilitation (CDCR) and California Correctional Health Care Services (CCHCS) Joint Labor Management Task Force (Units 17 and 20)

The Union and the State agree that mandatory overtime is not an effective staffing tool. To that end, the parties recognize and understand the importance of eliminating/reducing mandatory overtime for Registered Nurses (RNs), Licensed Vocational Nurses (LVNs) and Certified Nurse Assistants (CNAs). The parties also recognize that there are going to be circumstances and emergencies where mandatory overtime is necessary; however, it should be the exception and not the norm.

A. To accomplish the elimination/reduction of mandatory overtime by July 1, 2019, the parties agree to establish a Joint Labor Management Task Force (JLMTF) within ninety (90) days of the ratification of this contract.

The JLMTF shall consist of an equal number of Union and CDCR/CCHCS committee members; not to exceed four (4) representatives for each side. Each shall appoint their own co-chair. The dates and times shall be mutually determined and the committee members shall not suffer loss in compensation.

B. The JLMTF shall reach the following benchmarks:

1. Meet quarterly to develop recommendations; and
2. CDCR/CCHCS shall track the number of voluntary and mandatory overtime hours at each facility for RNs, LVNs and CNAs. On a quarterly basis, CDCR/CCHCS shall submit to the Union the total number of voluntary and mandatory overtime hours worked.

C. By November 1, 2018, the JLMTF shall make recommendations on the following:

1. Patient and staff needs by tracking trends in patient acuity, overtime use and overall staffing processes;
2. Training, for applicable employees, on core staffing principles, best practices, the appropriate use of overtime, and ways to avoid mandatory overtime; and
3. Assessment and staffing best practices, a contingency staffing system, avenues for staff engagement in the scheduling process, and creative scheduling solutions.

D. The State and the Union shall develop a plan for implementing the JLMTF recommendations.

2023-2026 MOU

19.14.17 Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services (Unit 17)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, on duty full and part-time BU 17 employees, and contract nursing registry, in this order. After these avenues have been exhausted, a BU 17 classification employee may be mandated to work overtime.

A. BU 17 employees (by classification) shall be assigned mandatory overtime on a rotating basis by inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority of all full-time and part-time BU 17 employees (by classification). Staff shall only be assigned a mandatory slot once, until the entire list has been depleted. A current list shall either be emailed or placed in a shared drive folder accessible by all staff.

The list shall be updated daily. This process shall be fully implemented no later than six (6) months after ratification. The list shall include all eligible staff and date of last mandate within twelve (12) months after ratification.

At the California Health Care Facility (CHCF), this process shall be fully implemented no later than twelve (12) months after ratification. These timelines would not prohibit the department from implementing these processes earlier than prescribed above, if they are able. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met the employee's overtime obligation.

C. The State shall refrain from assigning mandatory overtime on a BU 17 employee's RDO. For the purpose of this section, an employee's RDO begins immediately after completion of the employee's normal shift before the RDO, including any pre-approved time off.

D. It is not the State's intent to mandate BU 17 employees to work mandatory overtime in classifications other than the employee's own. Consistent with that expressed intent, a BU 17 employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. (This expressed intent, however, does not preclude BU 17 employees from volunteering to work overtime in classifications other than the employee's own, when it is appropriate.)

E. Management shall make every attempt not to schedule BU 17 employees:

1. More than two (2) mandatory overtime shifts per month, and implement reductions in accordance with Article 19.38 and the Joint Labor Management Task Force; or
2. In excess of sixteen (16) hours continuously; or
3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
4. More than two (2) consecutive calendar days; or
5. On the same holidays in two (2) consecutive years. Holidays are defined as those listed in Article 7.1.

F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employer shall have the option to allow the employee to:

1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.

2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

G. A mandated holdover of two (2) hours or more is considered a mandated overtime.

H. While on vacation, pre-approved absence, or on full work day absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, BU 17 employees will not be considered for mandatory overtime. Upon return to work, the BU 17 employee will return to the mandatory rotation in seniority order.

*This includes instances where an employee was unable to complete the employee's regular shift due to illness and had to be released from duty to go home.

2020-2023 MOU

19.14.17 Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services (Unit 17)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, on duty full and part-time BU 17 employees, and contract nursing registry, in this order. After these avenues have been exhausted, a BU 17 classification employee may be mandated to work overtime.

A. BU 17 employees (by classification) shall be assigned involuntary overtime on a rotating basis by inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority of all full-time and part-time BU 17 employees (by classification). Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.

1. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met the employee's overtime obligation.

C. The State shall refrain from assigning mandatory overtime on a BU 17 employee's RDO. For the purpose of this section, an employee's RDO begins immediately after completion of the employee's normal shift before the RDO.

D. It is not the State's intent to mandate BU 17 employees to work involuntary overtime in classifications other than the employee's own. Consistent with that expressed intent, a BU 17 employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. (This expressed intent, however, does not preclude BU 17 employees from volunteering to work overtime in classifications other than the employee's own, when it is appropriate.)

E. Management shall make every attempt not to schedule BU 17 employees:

1. More than three (3) involuntary overtime shifts per month, effective January 2, 2020, and no more than two (2) overtime shifts per month effective July 1, 2021, and implement reductions in accordance with Article 19.38 and the Joint Labor Management Task Force; or
2. In excess of sixteen (16) hours continuously; or
3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
4. More than two (2) consecutive calendar days; or
5. On the same holidays in two (2) consecutive years. Holidays are defined as those listed in Article 7.1.

F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employer shall have the option to allow the employee to:

1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

G. A mandated holdover of two (2) hours or more is considered a mandated overtime.

H. While on vacation, pre-approved absence, or on full workday absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, BU 17 employees will not be considered for mandatory overtime. Upon return to work, the BU 17 employee will return to the involuntary rotation in seniority order.

*This includes instances where an employee was unable to complete the employee's regular shift due to illness and had to be released from duty to go home.

2016-2020 MOU

19.14.17 Overtime Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services (Unit 17)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When an overtime assignment becomes available, either expected or unexpected, the CDCR/CCHCS shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 17 (BU 17) nursing staff (by classification) who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments. When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, on duty full and part-time BU 17 employees, and contract nursing registry, in this order. After these avenues have been exhausted, a BU 17 classification employee may be mandated to work overtime as outlined below.

Voluntary Overtime

A. BU 17 classification employees shall be assigned voluntary overtime by departmental seniority, on a rotational basis by classification. Seniority scores will be determined by counting one point for each month of full-time qualifying service, i.e., from full-time hire date, less any time off for unpaid leave, suspensions, etc. In the event of ties, total state service will be used to determine seniority scores.

B. The CDCR/CCHCS shall establish lists of BU 17 employees by classification in seniority score order. BU 17 employees may sign up for voluntary overtime by adding their name to the VOR. To ensure equitable volunteer overtime opportunity, BU 17 employees shall be provided an opportunity to choose a voluntary overtime slot once. Thereafter, all other BU 17 employees will be provided the same volunteer overtime opportunity once, assuring each BU 17 employee is provided an opportunity for one sign up before returning to the most senior employee and beginning the process again (i.e., the rotation will again start at the top of the seniority list and work its way down).

C. If a specific position was indicated for the voluntary request, and was changed or no longer needed, the nursing supervisor will make all reasonable attempts to notify the affected BU 17 employee. If the BU 17 employee arrives to find the position changed or no longer needed, the

BU 17 employee shall not be required to work that position, but may be offered an alternate assignment. If no alternate assignment is available, the BU 17 employee may choose to leave.

D. Once a BU 17 employee has signed up for voluntary overtime, it is their responsibility to work that position, unless they have given the nursing supervisor, or their designee, seventy-two (72) hours notice to enable the timely scheduling of a replacement.

E. A BU 17 RN may “bump” a scheduled registry nurse at any time during the month, provided they give the nursing supervisor, or their designee, seventy-two (72) hours notice to enable them to notify the Registry that they will not be needed for the affected position.

Involuntary Overtime

A. BU 17 employees (by classification) shall be assigned involuntary overtime on a rotating basis by inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority of all full-time and part-time BU 17 employees (by classification). Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.

C. The State shall refrain from assigning mandatory overtime on a BU 17 employee’s RDO. For the purpose of this section, an employee’s RDO begins immediately after completion of their normal shift before the RDO.

D. It is not the State’s intent to mandate BU 17 employees to work involuntary overtime in classifications other than their own. Consistent with that expressed intent, a BU 17 employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. (This expressed intent, however, does not preclude BU 17 employees from volunteering to work overtime in classifications other than their own, when it is appropriate.)

E. Management shall make every attempt not to schedule BU 17 employees:

1. More than four (4) involuntary overtime shifts per month, effective August 1, 2016, and implement reductions in accordance with the Joint Labor Management Task Force; or
2. In excess of sixteen (16) hours continuously; or
3. In excess of two (2) overtime shifts within an employee’s scheduled work week; or
4. More than two (2) consecutive calendar days.

F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employer shall have the option to allow the employee to:

1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
2. Adjust his/her shift starting time to provide a ten (10) hour break between shifts.
3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

G. A mandated holdover of two (2) hours or more is considered a mandated overtime.

H. While on vacation, pre-approved absence, or on full workday absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, BU 17 employees will not be considered for mandatory overtime. Upon return to work, the BU 17 employee will return to the involuntary rotation in seniority order.

*This includes instances where an employee was unable to complete their regular shift due to illness and had to be released from duty to go home.

I. In accordance with section 5.10 (Labor/Management Committee), CDCR/CCHCS’s Labor Management Committee will address overtime issues within this section.

2013-2016 MOU

19.14.17 Overtime Scheduling – California Department of Corrections and Rehabilitation (Unit 17)
The CDCR shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When an overtime assignment becomes available, either expected or unexpected, the CDCR shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 17 (BU 17) nursing staff (by classification) who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments. When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employee's (PIE's), Retired Annuitants, on duty full and part time BU 17 employees, and Contract nursing registry, in this order. After these avenues have been exhausted, a BU 17 classification employee may be mandated to work overtime as outlined below.

Voluntary Overtime

A. BU 17 classification employees shall be assigned voluntary overtime by departmental seniority, on a rotational basis by classification. Seniority scores will be determined by counting one point for each month of full-time qualifying service, i.e., from full time hire date, less any time off for unpaid leave, suspensions, etc. In the event of ties, total State service will be used to determine seniority scores.

B. The CDCR shall establish lists of BU 17 employees by classification in seniority score order. BU 17 employees may sign up for voluntary overtime by adding their name to the VOR. To ensure equitable volunteer overtime opportunity, BU 17 employees shall be provided an opportunity to choose a voluntary overtime slot once. Thereafter, all BU 17 employees will be provided the same volunteer overtime opportunity once, assuring each BU 17 employee is provided an opportunity for one sign up before returning to the most senior employee and beginning the process again. (i.e., the rotation will again start at the top of the seniority list and work its way down)

C. If a specific position was indicated for the voluntary request, and was changed or no longer needed, the nursing supervisor will make all reasonable attempts to notify the affected BU 17 employee. If the BU 17 employee arrives to find the position changed or no longer needed, the BU 17 employee shall not be required to work that position, but may be offered an alternate assignment. If no alternate assignment is available, the BU 17 employee may choose to leave.

D. Once a BU 17 employee has signed up for voluntary overtime, it is their responsibility to work that position, unless they have given the nursing supervisor, or their designee, seventy-two (72) hours notice to enable the timely scheduling of a replacement.

E. A BU 17 RN may "bump" a scheduled registry nurse at any time during the month, provided they give the nursing supervisor, or their designee, seventy-two (72) hours notice to enable them to notify the Registry that they will not be needed for the affected position.

Involuntary Overtime

A. BU 17 employees (by classification) shall be assigned involuntary overtime on a rotating basis by inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority of all full-time and part-time BU 17 employees (by classification). Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.

C. The State shall refrain from assigning mandatory overtime on a BU 17 employee's RDO. For the purpose of this section, an employee's RDO begins immediately after completion of their normal shift before the RDO.

D. It is not the State's intent to mandate BU 17 employees to work involuntary overtime in classifications other than their own. Consistent with that expressed intent, a BU 17 employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. (This expressed intent, however, does not preclude BU 17 employees from volunteering to work overtime in classifications other than their own, when it is appropriate.)

E. Management shall make every attempt not to schedule BU 17 employees:

1. More than five (5) involuntary overtime shifts per month; or,
2. In excess of sixteen (16) hours continuously; or
3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
4. More than two (2) consecutive calendar days.

F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employer shall have the option to allow the employee to:

1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
2. Adjust his/her shift starting time to provide a ten (10) hour break between shifts.
3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

G. A mandated holdover of two (2) hours or more is considered a mandated overtime.

H. While on vacation, pre-approved absence, or on full workday absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, BU 17 employees will not be considered for mandatory overtime. Upon return to work, the BU 17 employee will return to the involuntary rotation in seniority order.

*This includes instances where an employee was unable to complete their regular shift due to illness and had to be released from duty to go home.

I. In accordance with section 5.10 (Labor/Management Committee), CDCR/CCHCS's Labor Management Committee will address overtime issues within this section.

The parties recognize, pursuant to the February 14, 2006 Court Order Appointing the Receiver, that the Receiver is empowered to renegotiate this provision, in the event that such action is necessary for the Receiver to fulfill his duties under the Order. The determination on whether such action is necessary rests solely with the Court pursuant to paragraph D of the Order.

Bargaining Unit 20 LVNs Mandatory Overtime Contract Language

2023-2026 MOU

19.14.20 Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services LVNs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, on duty full and part-time BU 20 LVNs. After these avenues have been exhausted, a BU 20 LVN may be mandated to work overtime.

A. BU 20 LVNs shall be assigned mandatory overtime on a rotating basis by inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority of all full-time and part-time BU 20 LVNs. Staff shall only be assigned mandatory slot once, until the entire list has been depleted. A current list shall either be emailed or placed in a shared drive folder accessible by all staff. The list shall be updated daily. This process shall be fully implemented no later than six (6) months after ratification.

The list shall include all eligible staff and date of last mandate within twelve (12) months after ratification.

At the California Health Care Facility (CHCF), this process shall be fully implemented no later than twelve (12) months after ratification.

These timelines would not prohibit the department from implementing these processes earlier than prescribed above, if they are able.

For the purpose for mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met the employee's overtime obligation.

C. There shall be no mandatory overtime on a BU 20 LVN's RDO or preapproved day off, (for the purposes of this section, an employee's RDO/Preapproved day off begins immediately after completion of the employee's normal shift before the RDO/Preapproved day off) except:

1. In an emergency situation such as a natural disaster; or
2. During a state of emergency declared by the State or Federal Authorities; or
3. During an emergency situation declared by a Warden, Superintendent, Executive Director, Chief Executive Officer or designee; or
4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
5. When the employee's shift relief does not report for work or gave less than two (2) hours' notice of intent not to report for work, an employee may be mandated if no volunteer is available.

D. Management shall make every attempt not to schedule BU 20 LVNs:

1. Work more than three (3) mandatory overtime shifts per month, and implement reductions in accordance with Article 19.38 and the Joint Labor Management Task Force; or
2. In excess of sixteen (16) hours continuously; or
3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
4. More than two consecutive calendar days.
5. On the same holidays in two (2) consecutive years. Holidays are defined as those listed in section 7.1.

E. It is not the intent to mandate employees to work overtime in classifications other than the employee's own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than the employee's own.

F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employee shall have the option to:

1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

G. A mandated holdover of two (2) hours or more is considered a mandated overtime.

H. While on vacation, pre-approved absence, or on full work day absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, BU 20 LVNs will not be considered for mandatory overtime. Upon return to work, the BU 20 LVN will return to the mandatory rotation in seniority order.

*This includes instances where an employee was unable to complete the employee's regular shift due to illness and has been approved to be released from duty to go home.

2020-2023 MOU

19.14.20 Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services LVNs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, on duty full and part-time BU 20 LVNs. After these avenues have been exhausted, a BU 20 LVN may be mandated to work overtime.

A. BU 20 LVNs shall be assigned involuntary overtime on a rotating basis by inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority of all full-time and part-time BU 20 LVNs. Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.

1. For the purpose for mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met the employee's overtime obligation.

C. There shall be no mandatory overtime on a BU 20 LVN's RDO or preapproved day off, (for the purposes of this section, an employee's RDO begins immediately after completion of the employee's normal shift before the RDO) except:

1. In an emergency situation such as a natural disaster; or
2. During a state of emergency declared by the State or Federal Authorities; or
3. During an emergency situation declared by a Warden, Superintendent, Executive Director, Chief Executive Officer or designee; or
4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or

5. When the employee's shift relief does not report for work or gave less than two (2) hours' notice of intent not to report for work, an employee may be mandated if no volunteer is available.
- D. Management shall make every attempt not to schedule BU 20 LVNs:
1. More than four (4) involuntary overtime shifts per month, effective January 2, 2020, and no more than three (3) overtime shifts per month effective July 1, 2021, and implement reductions in accordance with Article 19.38 and the Joint Labor Management Task Force; or
 2. In excess of sixteen (16) hours continuously; or
 3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
 4. More than two consecutive calendar days.
 5. On the same holidays in two (2) consecutive years. Holidays are defined as those listed in section 7.1.
- E. It is not the intent to mandate employees to work overtime in classifications other than the employee's own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than the employee's own.
- F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employee shall have the option to:
1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
 2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
 3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.
- G. A mandated holdover of two (2) hours or more is considered a mandated overtime.
- H. While on vacation, pre-approved absence, or on full work day absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, BU 20 LVNs will not be considered for mandatory overtime. Upon return to work, the BU 20 LVN will return to the involuntary rotation in seniority order.
- *This includes instances where an employee was unable to complete the employee's regular shift due to illness and has been approved to be released from duty to go home.

2016-2020 MOU

19.14.20 Overtime Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services LVNs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When an overtime assignment becomes available, either expected or unexpected, the CDCR/CCHCS shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 20 (BU 20) nursing staff who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments. When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, on duty full and part-time BU 20 LVNs. After these avenues have been exhausted, a BU 20 LVN may be mandated to work overtime as outlined below.

Nothing in this provision would preclude the scheduling of a PIE in lieu of overtime.

Voluntary Overtime

- A. BU 20 LVNs shall be assigned voluntary overtime by BU 20 departmental seniority, on a rotational basis. Seniority scores will be determined by counting one point for each month of full-time BU 20 qualifying service, i.e., from full-time hire date, less any time off for unpaid leave, suspensions, etc. In the event of ties, total state service will be used to determine seniority scores.
- B. The CDCR/CCHCS shall establish lists of BU 20 LVNs in seniority score order. BU 20 LVNs may sign up for voluntary overtime by adding their name to the VOR. To ensure equitable volunteer overtime opportunity, BU 20 LVNs shall be provided an opportunity to choose a voluntary overtime slot once. Thereafter, all other BU 20 LVNs will be provided the same volunteer overtime opportunity once, assuring each employee is provided an opportunity for one sign up before returning to the most senior employee and beginning the process again. (i.e., the rotation will again start at the top of the seniority list and work its way down).
- C. If a specific position was indicated for the voluntary request, and was changed or no longer needed, the nursing supervisor will make all reasonable attempts to notify the affected BU 20 LVN. If the employee arrives to find the position changed or no longer needed, the employee shall not be required to work that position, but may be offered an alternate assignment. If no alternate assignment is available, the BU 20 LVN may choose to leave.
- D. Once a BU 20 LVN has signed up for a voluntary overtime, it is their responsibility to work that position, unless they have given the nursing supervisor, or their designee, seventy-two (72) hours notice to enable the timely scheduling of a replacement.
- E. A BU 20 LVN may “bump” a scheduled registry LVN at any time during the month, provided they give the nursing supervisor, or their designee, seventy-two (72) hours notice to enable them to notify the Registry that they will not be needed for the affected position.

Involuntary Overtime

- A. BU 20 LVNs shall be assigned involuntary overtime on a rotating basis by inverse seniority.
- B. Each facility shall establish and maintain an up-to-date list, by inverse seniority of all full-time and part-time BU 20 LVNs. Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.
- C. There shall be no mandatory overtime on a BU 20 LVN’s RDO or pre-approved day off, (for the purposes of this section, an employee’s RDO begins immediately after completion of their normal shift before the RDO) except:
 - 1. In an emergency situation such as a natural disaster; or
 - 2. During a state of emergency declared by the State or Federal Authorities; or
 - 3. During an emergency situation declared by a Warden, Superintendent, Executive Director or designee; or
 - 4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
 - 5. When the employee’s shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available; or
 - 6. When all other options have been exhausted.
- D. Management shall make every attempt not to schedule BU 20 LVNs:
 - 1. More than five (5) involuntary overtime shifts per month, effective August 1, 2016, and implement reductions in accordance with the Joint Labor Management Task Force; or
 - 2. In excess of sixteen (16) hours continuously; or
 - 3. In excess of two (2) overtime shifts within an employee’s scheduled work week; or
 - 4. More than two consecutive calendar days.

E. It is not the intent to mandate employees to work overtime in classifications other than their own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than their own.

F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employee shall have the option to:

1. Take the next shift off on vacation, CTO, or Holiday credit as staffing permits.
2. Adjust his/her shift starting time to provide a ten (10) hour break between shifts.
3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

G. A mandated holdover of two (2) hours or more is considered a mandated overtime.

H. While on vacation, pre-approved absence, or on full work day absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, BU 20 LVNs will not be considered for mandatory overtime. Upon return to work, the BU 20 LVN will return to the involuntary rotation in seniority order.

*This includes instances where an employee was unable to complete their regular shift due to illness and has been approved to be released from duty to go home.

I. In accordance with section 5.10 (Labor/Management Committee), CDCR/CCHCS's Labor Management Committee will address overtime issues within this section.

2013-2016 MOU

19.14.20 Overtime Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services LVNs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When an overtime assignment becomes available, either expected or unexpected, the CDCR/CCHCS shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 20 (BU 20) nursing staff who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments. When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, on duty full and part-time BU 20 LVNs. After these avenues have been exhausted, a BU 20 LVN may be mandated to work overtime as outlined below.

Nothing in this provision would preclude the scheduling of a PIE in lieu of overtime.

Voluntary Overtime

A. BU 20 LVNs shall be assigned voluntary overtime by BU 20 departmental seniority, on a rotational basis. Seniority scores will be determined by counting one point for each month of full-time BU 20 qualifying service, i.e., from full-time hire date, less any time off for unpaid leave, suspensions, etc. In the event of ties, total state service will be used to determine seniority scores.

B. The CDCR/CCHCS shall establish lists of BU 20 LVNs in seniority score order. BU 20 LVNs may sign up for voluntary overtime by adding their name to the VOR. To ensure equitable volunteer overtime opportunity, BU 20 LVNs shall be provided an opportunity to choose a voluntary overtime slot once. Thereafter, all other BU 20 LVNs will be provided the same volunteer overtime opportunity once, assuring each employee is provided an opportunity for

one sign up before returning to the most senior employee and beginning the process again. (i.e., the rotation will again start at the top of the seniority list and work its way down).

C. If a specific position was indicated for the voluntary request, and was changed or no longer needed, the nursing supervisor will make all reasonable attempts to notify the affected BU 20 LVN. If the employee arrives to find the position changed or no longer needed, the employee shall not be required to work that position, but may be offered an alternate assignment. If no alternate assignment is available, the BU 20 LVN may choose to leave.

D. Once a BU 20 LVN has signed up for a voluntary overtime, it is their responsibility to work that position, unless they have given the nursing supervisor, or their designee, seventy-two (72) hours notice to enable the timely scheduling of a replacement.

E. A BU 20 LVN may “bump” a scheduled registry LVN at any time during the month, provided they give the nursing supervisor, or their designee, seventy-two (72) hours notice to enable them to notify the Registry that they will not be needed for the affected position.

Involuntary Overtime

A. BU 20 LVNs shall be assigned involuntary overtime on a rotating basis by inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority of all full-time and part-time BU 20 LVNs. Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.

C. There shall be no mandatory overtime on a BU 20 LVN's RDO or pre-approved day off, (for the purposes of this section, an employee's RDO begins immediately after completion of their normal shift before the RDO) except:

1. In an emergency situation such as a natural disaster; or
2. During a state of emergency declared by the State or Federal Authorities; or
3. During an emergency situation declared by a Warden, Superintendent, Executive Director or designee; or
4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
5. When the employee's shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available; or
6. When all other options have been exhausted.

D. Management shall make every attempt not to schedule BU 20 LVNs:

1. More than six (6) involuntary overtime shifts per month, effective August 1, 2016, and implement reductions in accordance with the Joint Labor Management Task Force; or
2. In excess of sixteen (16) hours continuously; or
3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
4. More than two consecutive calendar days.

E. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employee shall have the option to:

1. Take the next shift off on vacation, CTO, or Holiday credit as staffing permits.
2. Adjust his/her shift starting time to provide a ten (10) hour break between shifts.
3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

F. A mandated holdover of two (2) hours or more is considered a mandated overtime.

G. While on vacation, pre-approved absence, or on full work day absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, BU 20 LVNs will not be considered for mandatory overtime. Upon return to work, the BU 20 LVN will return to the involuntary rotation in seniority order.

*This includes instances where an employee was unable to complete their regular shift due to illness and has been approved to be released from duty to go home.

H. In accordance with section 5.10 (Labor/Management Committee), CDCR/CCHCS's Labor Management Committee will address overtime issues within this section.

Bargaining Unit 20 CNAs Mandatory Overtime Contract Language

2023-2026 MOU

19.15.20 Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services CNAs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, and on duty full and part-time BU 20 CNAs. After these avenues have been exhausted, a BU 20 CNA may be mandated to work overtime.

A. BU 20 CNAs shall be assigned mandatory overtime on a rotating basis by inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority, of all full-time and part-time BU 20 CNAs. Staff shall only be assigned mandatory slot once, until the entire list has been depleted. A current list shall either be emailed or placed in a shared drive folder accessible by all staff. The list shall be updated daily. This process shall be fully implemented no later than six (6) months after ratification.

The list shall include all eligible staff and date of last mandate within twelve (12) months after ratification.

At the California Health Care Facility (CHCF), this process shall be fully implemented no later than twelve (12) months after ratification.

These timelines would not prohibit the department from implementing these processes earlier than prescribed above, if they are able.

1. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met the employee's overtime obligation.

C. There shall be no mandatory overtime on a BU 20 CNA's RDO or preapproved day off, (for the purposes of this section, an employee's RDO/pre-approved day off begins immediately after completion of the employee's normal shift before the RDO/pre-approved day off) except:

1. In an emergency situation such as a natural disaster; or
2. During a state of emergency declared by the State or Federal Authorities; or
3. During an emergency situation declared by a Warden, Superintendent, Executive Director, Chief Executive Officer or designee; or
4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
5. When the employees shift relief does not report for work or gave less than two (2) hours' notice of intent not to report for work, an employee may be mandated if no volunteer is available.

D. Management shall make every attempt not to schedule BU 20 CNAs:

1. Work more than three (3) mandatory overtime shifts per month, and implement reductions in accordance with section 19.38 and the Joint Labor Management Task Force; or
2. In excess of sixteen (16) hours continuously; or
3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
4. More than two (2) consecutive calendar days; or
5. On the same holidays in two (2) consecutive years. Holidays are defined as those listed in section 7.1.

E. It is not the intent to mandate employees to work overtime in classifications other than the employee's own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than the employee's own.

F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employee shall have the option to:

1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

G. A mandated holdover of two (2) hours or more is considered a mandated overtime.

H. While on vacation, pre-approved absence, on a full work day absence due to sick leave*, Union leave, State release time, or any other authorized absence from the facility, BU 20 CNAs will not be considered for mandatory overtime. Upon return to work, the BU 20 CNA will return to the mandatory rotation in seniority order.

*This includes instances where an employee was unable to complete the employee's regular shift due to illness and has been approved to be released from duty to go home.

2020-2023 MOU

19.15.20 Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services CNAs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, and on duty full and part-time BU 20 CNAs. After these avenues have been exhausted, a BU 20 CNA may be mandated to work overtime.

A. BU 20 CNAs shall be assigned involuntary overtime on a rotating basis by inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority, of all full-time and part-time BU 20 CNAs. Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.

1. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met the employee's overtime obligation.

C. There shall be no mandatory overtime on a BU 20 CNA's RDO or pre-approved day off, (for the purposes of this section, an employee's RDO begins immediately after completion of the employee's normal shift before the RDO) except:

1. In an emergency situation such as a natural disaster; or
2. During a state of emergency declared by the State or Federal Authorities; or
3. During an emergency situation declared by a Warden, Superintendent, Executive Director, Chief Executive Officer or designee; or
4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or

5. When the employees shift relief does not report for work or gave less than two (2) hours' notice of intent not to report for work, an employee may be mandated if no volunteer is available.
- D. Management shall make every attempt not to schedule BU 20 CNAs:
1. More than four (4) involuntary overtime shifts per month, effective January 2, 2020, and no more than three (3) overtime shifts per month effective July 1, 2021, and implement reductions in accordance with section 19.38 and the Joint Labor Management Task Force; or
 2. In excess of sixteen (16) hours continuously; or
 3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
 4. More than two (2) consecutive calendar days; or
 5. On the same holidays in two (2) consecutive years. Holidays are defined as those listed in section 7.1.
- E. It is not the intent to mandate employees to work overtime in classifications other than the employee's own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. 1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
 2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
 3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.
- G. A mandated holdover of two (2) hours or more is considered a mandated overtime.
- H. While on vacation, pre-approved absence, on a full work day absence due to sick leave*, Union leave, State release time, or any other authorized absence from the facility, BU 20 CNAs will not be considered for mandatory overtime. Upon return to work, the BU 20 CNA will return to the involuntary rotation in seniority order.
- *This includes instances where an employee was unable to complete the employee's regular shift due to illness and has been approved to be released from duty to go home.

2016-2020 MOU

19.15.20 Overtime Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services CNAs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When an overtime assignment becomes available, either expected or unexpected, the CDCR/CCHCS shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 20 (BU 20) nursing staff who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments. When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, and on duty full and part-time BU 20 CNAs. After these avenues have been exhausted, a BU 20 CNA may be mandated to work overtime as outlined below.

Nothing in this provision would preclude the scheduling of a PIE in lieu of overtime.

Voluntary Overtime

- A. BU 20 CNAs shall be assigned voluntary overtime by BU 20 departmental seniority, on a rotational basis. Seniority scores will be determined by counting one point for each month of full-time BU 20 qualifying service, i.e., from full-time hire date, less any time off for unpaid leave, suspensions, etc. In the event of ties, total State service will be used to determine seniority scores.
- B. The CDCR/CCHCS shall establish lists of BU 20 CNAs in seniority score order. BU 20 CNAs may sign up for voluntary overtime by adding their names to the VOR. To ensure equitable volunteer overtime opportunity, BU 20 CNAs shall be provided an opportunity to choose a voluntary overtime slot once. Thereafter, all other BU 20 CNAs will be provided the same volunteer overtime opportunity once, assuring each employee is provided an opportunity for one sign up before returning to the most senior employee and beginning the process again (i.e., the rotation will again start at the top of the seniority list and work its way down).
- C. If a specific position was indicated for the voluntary request, and was changed or no longer needed, the nursing supervisor will make all reasonable attempts to notify the affected BU 20 CNA. If the employee arrives to find the position changed or no longer needed, the employee shall not be required to work that position, but may be offered an alternate assignment. If no alternate assignment is available, the BU 20 CNA may choose to leave.
- D. Once a BU 20 CNA has signed up for a voluntary overtime, it is their responsibility to work that position, unless they have given the nursing supervisor, or their designee, seventy-two (72) hours notice to enable the timely scheduling of a replacement.
- E. A BU 20 CNA may “bump” a scheduled registry CNA at any time during the month, provided they give the nursing supervisor, or their designee, seventy-two (72) hours notice to enable them to notify the Registry that they will not be needed for the affected position.

Involuntary Overtime

- A. BU 20 CNAs shall be assigned involuntary overtime on a rotating basis by inverse seniority.
- B. Each facility shall establish and maintain an up-to-date list, by inverse seniority, of all full-time and part-time BU 20 CNAs. Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.
- C. There shall be no mandatory overtime on a BU 20 CNA’s RDO or pre-approved day off, (for the purposes of this section, an employee’s RDO begins immediately after completion of their normal shift before the RDO) except:
 - 1. In an emergency situation such as a natural disaster; or
 - 2. During a state of emergency declared by the State or Federal Authorities; or
 - 3. During an emergency situation declared by a Warden, Superintendent, Executive Director or designee; or
 - 4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
 - 5. When the employees shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available; or
 - 6. When all other options have been exhausted.
- D. Management shall make every attempt not to schedule BU 20 CNAs:
 - 1. More than five (5) involuntary overtime shifts per month, effective August 1, 2016, and implement reductions in accordance with the Joint Labor Management Task Force; or
 - 2. In excess of sixteen (16) hours continuously; or
 - 3. In excess of two (2) overtime shifts within an employee’s scheduled work week; or
 - 4. More than two (2) consecutive calendar days.

E. It is not the intent to mandate employees to work overtime in classifications other than their own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than their own.

F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employee shall have the option to:

1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
2. Adjust his/her shift starting time to provide a ten (10) hour break between shifts.
3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

G. A mandated holdover of two (2) hours or more is considered a mandated overtime.

H. While on vacation, pre-approved absence, on a full workday absence due to sick leave*, Union leave, State release time, or any other authorized absence from the facility, BU 20 CNAs will not be considered for mandatory overtime. Upon return to work, the BU 20 CNA will return to the involuntary rotation in seniority order.

*This includes instances where an employee was unable to complete their regular shift due to illness and has been approved to be released from duty to go home.

I. In accordance with section 5.10 (Labor/Management Committee), CDCR/CCHCS's Labor Management Committee will address overtime issues within this section.

2013-2016 MOU

19.13.20 Overtime Scheduling – Excluding CDCR LVNs (Unit 20)

A. The Departments recognize and understand the importance of reducing mandatory overtime to Unit 20 employees. To this end, the Department will make every effort to schedule staff in a manner that will reduce the need for mandatory overtime. Both parties agree that mandatory overtime is an undesirable method of providing staff coverage.

B. There shall be no mandatory overtime on an employee's (RDO) or pre-approved day off (an employee's RDO begins immediately after completion of their normal shift before their RDO), except:

1. In an emergency situation such as a natural disaster; or
2. During a state of emergency declared by the State or Federal authorities; or
3. During an emergency situation declared by a Warden, Superintendent, Executive Director or designee; or
4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
5. When the employees shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available; or
6. When all other options have been exhausted.

C. Except in cases of emergency, or planned program activity employees shall not be required to:

1. Work more than six (6) mandatory overtime shifts of at least two (2) hours of duration in a month; or
2. Work in excess of sixteen (16) continuously in a forty-eight (48) hour period; or
3. Work in excess of two (2) mandatory overtime shifts per work week.

D. Upon request, and where practical, the State shall, upon consultation with the Union, establish a system to request and utilize qualified volunteers to perform overtime work from within the appropriate work area(s). through the establishment of such a system, the State will endeavor to reduce the amount of mandatory overtime and number of mandatory holdovers, distribute overtime

fairly insofar as circumstances of health and safety permit, and provide employees notice of possible or actual overtime assignment.

E. Before an employee is required to work mandatory overtime, a reasonable effort will be made to find an acceptable volunteer within the program where the employee works. Overtime shall first be offered to level-of-care employees for level-of-care overtime assignments before allowing other BU 20 classifications to work overtime.

F. Upon request of an employee who has been on duty continuously for sixteen (16) hours, the employer shall have the option to:

1. Allow the employee to take the next shift off on vacation, CTO, or Holiday credit if staffing permits.
2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
3. Allow the employee to take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break. Management will take into account the employees preference.

G. The Department of Veteran's Affairs – Yountville agrees to meet with the Union regarding the mandatory overtime policy for the Veteran's Home.

H. The Department of Developmental Services:

1. Facilities that utilize the red dot-blue dot system for assigning overtime will count time worked, as a result of either a "red dot-blue dot" assignment, toward the mandatory overtime limitations.
2. At management's discretion all Unit 20 employees at a facility may be included in the mandatory overtime distribution process.

I. In accordance with Article 5.10 (Labor Management Committees), each Department's Labor Management Committee will address overtime issues within this Article.

The parties recognize, pursuant to the February 14, 2006 Court Order appointing the Receiver, that the Receiver is empowered to renegotiate this provision, in the event that such action is necessary for the Receiver to fulfill his duties under the Order. The determination on whether such action is necessary rests solely with the Court pursuant to paragraph D of the order.

Bargaining Unit 20 CNAs Mandatory Overtime Contract Language

2023-2026 MOU

19.15.20 Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services CNAs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, and on duty full and part-time BU 20 CNAs. After these avenues have been exhausted, a BU 20 CNA may be mandated to work overtime.

A. BU 20 CNAs shall be assigned mandatory overtime on a rotating basis by inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority, of all full-time and part-time BU 20 CNAs. Staff shall only be assigned mandatory slot once, until the entire list has been depleted. A current list shall either be emailed or placed in a shared drive folder accessible by all staff. The list shall be updated daily. This process shall be fully implemented no later than six (6) months after ratification.

The list shall include all eligible staff and date of last mandate within twelve (12) months after ratification.

At the California Health Care Facility (CHCF), this process shall be fully implemented no later than twelve (12) months after ratification.

These timelines would not prohibit the department from implementing these processes earlier than prescribed above, if they are able.

1. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met the employee's overtime obligation.

C. There shall be no mandatory overtime on a BU 20 CNA's RDO or preapproved day off, (for the purposes of this section, an employee's RDO/pre-approved day off begins immediately after completion of the employee's normal shift before the RDO/pre-approved day off) except:

1. In an emergency situation such as a natural disaster; or
2. During a state of emergency declared by the State or Federal Authorities; or
3. During an emergency situation declared by a Warden, Superintendent, Executive Director, Chief Executive Officer or designee; or
4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
5. When the employees shift relief does not report for work or gave less than two (2) hours' notice of intent not to report for work, an employee may be mandated if no volunteer is available.

D. Management shall make every attempt not to schedule BU 20 CNAs:

1. Work more than three (3) mandatory overtime shifts per month, and implement reductions in accordance with section 19.38 and the Joint Labor Management Task Force; or
2. In excess of sixteen (16) hours continuously; or
3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
4. More than two (2) consecutive calendar days; or
5. On the same holidays in two (2) consecutive years. Holidays are defined as those listed in section 7.1.

E. It is not the intent to mandate employees to work overtime in classifications other than the employee's own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than the employee's own.

F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employee shall have the option to:

1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

G. A mandated holdover of two (2) hours or more is considered a mandated overtime.

H. While on vacation, pre-approved absence, on a full work day absence due to sick leave*, Union leave, State release time, or any other authorized absence from the facility, BU 20 CNAs will not be considered for mandatory overtime. Upon return to work, the BU 20 CNA will return to the mandatory rotation in seniority order.

*This includes instances where an employee was unable to complete the employee's regular shift due to illness and has been approved to be released from duty to go home.

2020-2023 MOU

19.15.20 Overtime Mandatory Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services CNAs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, and on duty full and part-time BU 20 CNAs. After these avenues have been exhausted, a BU 20 CNA may be mandated to work overtime.

A. BU 20 CNAs shall be assigned involuntary overtime on a rotating basis by inverse seniority.

B. Each facility shall establish and maintain an up-to-date list, by inverse seniority, of all full-time and part-time BU 20 CNAs. Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.

1. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met the employee's overtime obligation.

C. There shall be no mandatory overtime on a BU 20 CNA's RDO or pre-approved day off, (for the purposes of this section, an employee's RDO begins immediately after completion of the employee's normal shift before the RDO) except:

1. In an emergency situation such as a natural disaster; or
2. During a state of emergency declared by the State or Federal Authorities; or
3. During an emergency situation declared by a Warden, Superintendent, Executive Director, Chief Executive Officer or designee; or
4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or

5. When the employees shift relief does not report for work or gave less than two (2) hours' notice of intent not to report for work, an employee may be mandated if no volunteer is available.
- D. Management shall make every attempt not to schedule BU 20 CNAs:
1. More than four (4) involuntary overtime shifts per month, effective January 2, 2020, and no more than three (3) overtime shifts per month effective July 1, 2021, and implement reductions in accordance with section 19.38 and the Joint Labor Management Task Force; or
 2. In excess of sixteen (16) hours continuously; or
 3. In excess of two (2) overtime shifts within an employee's scheduled work week; or
 4. More than two (2) consecutive calendar days; or
 5. On the same holidays in two (2) consecutive years. Holidays are defined as those listed in section 7.1.
- E. It is not the intent to mandate employees to work overtime in classifications other than the employee's own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than the employee's own.
- F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employee shall have the option to:
1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
 2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
 3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.
- G. A mandated holdover of two (2) hours or more is considered a mandated overtime.
- H. While on vacation, pre-approved absence, on a full work day absence due to sick leave*, Union leave, State release time, or any other authorized absence from the facility, BU 20 CNAs will not be considered for mandatory overtime. Upon return to work, the BU 20 CNA will return to the involuntary rotation in seniority order.
- *This includes instances where an employee was unable to complete the employee's regular shift due to illness and has been approved to be released from duty to go home.

2016-2020 MOU

19.15.20 Overtime Scheduling – California Department of Corrections and Rehabilitation and California Correctional Health Care Services CNAs (Unit 20)

The CDCR/CCHCS shall make every effort to reduce the amount of mandatory overtime and mandatory holdovers, distribute overtime fairly amongst employees of the same classification(s) and provide employees notice of possible or actual unanticipated overtime assignments at least ninety (90) minutes in advance. CDCR Fire Camps shall be excluded from this section.

When an overtime assignment becomes available, either expected or unexpected, the CDCR/CCHCS shall make every effort to fill the assignment by the use of the Voluntary Overtime Roster (VOR). The VOR shall consist of Bargaining Unit 20 (BU 20) nursing staff who desire to work overtime. The VOR shall be supplied, at a minimum, once a month, listing all the known and anticipated overtime assignments. When the need arises to fill an overtime assignment and there are no names listed on the VOR, the supervisor shall attempt to fill through Permanent Intermittent Employees (PIEs), Retired Annuitants, and on duty full and part-time BU 20 CNAs. After these avenues have been exhausted, a BU 20 CNA may be mandated to work overtime as outlined below.

Nothing in this provision would preclude the scheduling of a PIE in lieu of overtime.

Voluntary Overtime

- A. BU 20 CNAs shall be assigned voluntary overtime by BU 20 departmental seniority, on a rotational basis. Seniority scores will be determined by counting one point for each month of full-time BU 20 qualifying service, i.e., from full-time hire date, less any time off for unpaid leave, suspensions, etc. In the event of ties, total State service will be used to determine seniority scores.
- B. The CDCR/CCHCS shall establish lists of BU 20 CNAs in seniority score order. BU 20 CNAs may sign up for voluntary overtime by adding their names to the VOR. To ensure equitable volunteer overtime opportunity, BU 20 CNAs shall be provided an opportunity to choose a voluntary overtime slot once. Thereafter, all other BU 20 CNAs will be provided the same volunteer overtime opportunity once, assuring each employee is provided an opportunity for one sign up before returning to the most senior employee and beginning the process again (i.e., the rotation will again start at the top of the seniority list and work its way down).
- C. If a specific position was indicated for the voluntary request, and was changed or no longer needed, the nursing supervisor will make all reasonable attempts to notify the affected BU 20 CNA. If the employee arrives to find the position changed or no longer needed, the employee shall not be required to work that position, but may be offered an alternate assignment. If no alternate assignment is available, the BU 20 CNA may choose to leave.
- D. Once a BU 20 CNA has signed up for a voluntary overtime, it is their responsibility to work that position, unless they have given the nursing supervisor, or their designee, seventy-two (72) hours notice to enable the timely scheduling of a replacement.
- E. A BU 20 CNA may “bump” a scheduled registry CNA at any time during the month, provided they give the nursing supervisor, or their designee, seventy-two (72) hours notice to enable them to notify the Registry that they will not be needed for the affected position.

Involuntary Overtime

- A. BU 20 CNAs shall be assigned involuntary overtime on a rotating basis by inverse seniority.
- B. Each facility shall establish and maintain an up-to-date list, by inverse seniority, of all full-time and part-time BU 20 CNAs. Staff shall only be assigned an involuntary slot once, until the entire list has been depleted.
- C. There shall be no mandatory overtime on a BU 20 CNA’s RDO or pre-approved day off, (for the purposes of this section, an employee’s RDO begins immediately after completion of their normal shift before the RDO) except:
 - 1. In an emergency situation such as a natural disaster; or
 - 2. During a state of emergency declared by the State or Federal Authorities; or
 - 3. During an emergency situation declared by a Warden, Superintendent, Executive Director or designee; or
 - 4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
 - 5. When the employees shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available; or
 - 6. When all other options have been exhausted.
- D. Management shall make every attempt not to schedule BU 20 CNAs:
 - 1. More than five (5) involuntary overtime shifts per month, effective August 1, 2016, and implement reductions in accordance with the Joint Labor Management Task Force; or
 - 2. In excess of sixteen (16) hours continuously; or
 - 3. In excess of two (2) overtime shifts within an employee’s scheduled work week; or
 - 4. More than two (2) consecutive calendar days.

E. It is not the intent to mandate employees to work overtime in classifications other than their own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than their own.

F. Upon request of an employee who has been on duty continuously for fifteen (15) or more hours, the employee shall have the option to:

1. Take the next shift off on vacation, CTO, or holiday credit as staffing permits.
2. Adjust his/her shift starting time to provide a ten (10) hour break between shifts.
3. Take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break.

G. A mandated holdover of two (2) hours or more is considered a mandated overtime.

H. While on vacation, pre-approved absence, on a full workday absence due to sick leave*, Union leave, State release time, or any other authorized absence from the facility, BU 20 CNAs will not be considered for mandatory overtime. Upon return to work, the BU 20 CNA will return to the involuntary rotation in seniority order.

*This includes instances where an employee was unable to complete their regular shift due to illness and has been approved to be released from duty to go home.

I. In accordance with section 5.10 (Labor/Management Committee), CDCR/CCHCS's Labor Management Committee will address overtime issues within this section.

2013-2016 MOU

19.13.20 Overtime Scheduling – Excluding CDCR LVNs (Unit 20)

A. The Departments recognize and understand the importance of reducing mandatory overtime to Unit 20 employees. To this end, the Department will make every effort to schedule staff in a manner that will reduce the need for mandatory overtime. Both parties agree that mandatory overtime is an undesirable method of providing staff coverage.

B. There shall be no mandatory overtime on an employee's (RDO) or pre-approved day off (an employee's RDO begins immediately after completion of their normal shift before their RDO), except:

1. In an emergency situation such as a natural disaster; or
2. During a state of emergency declared by the State or Federal authorities; or
3. During an emergency situation declared by a Warden, Superintendent, Executive Director or designee; or
4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
5. When the employees shift relief does not report for work or gave less than two (2) hours notice of intent not to report for work, an employee may be mandated if no volunteer is available; or
6. When all other options have been exhausted.

C. Except in cases of emergency, or planned program activity employees shall not be required to:

1. Work more than six (6) mandatory overtime shifts of at least two (2) hours of duration in a month; or
2. Work in excess of sixteen (16) continuously in a forty-eight (48) hour period; or
3. Work in excess of two (2) mandatory overtime shifts per work week.

D. Upon request, and where practical, the State shall, upon consultation with the Union, establish a system to request and utilize qualified volunteers to perform overtime work from within the appropriate work area(s). through the establishment of such a system, the State will endeavor to reduce the amount of mandatory overtime and number of mandatory holdovers, distribute overtime

fairly insofar as circumstances of health and safety permit, and provide employees notice of possible or actual overtime assignment.

E. Before an employee is required to work mandatory overtime, a reasonable effort will be made to find an acceptable volunteer within the program where the employee works. Overtime shall first be offered to level-of-care employees for level-of-care overtime assignments before allowing other BU 20 classifications to work overtime.

F. Upon request of an employee who has been on duty continuously for sixteen (16) hours, the employer shall have the option to:

1. Allow the employee to take the next shift off on vacation, CTO, or Holiday credit if staffing permits.
2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
3. Allow the employee to take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break. Management will take into account the employees preference.

G. The Department of Veteran's Affairs – Yountville agrees to meet with the Union regarding the mandatory overtime policy for the Veteran's Home.

H. The Department of Developmental Services:

1. Facilities that utilize the red dot-blue dot system for assigning overtime will count time worked, as a result of either a "red dot-blue dot" assignment, toward the mandatory overtime limitations.
2. At management's discretion all Unit 20 employees at a facility may be included in the mandatory overtime distribution process.

I. In accordance with Article 5.10 (Labor Management Committees), each Department's Labor Management Committee will address overtime issues within this Article.

The parties recognize, pursuant to the February 14, 2006 Court Order appointing the Receiver, that the Receiver is empowered to renegotiate this provision, in the event that such action is necessary for the Receiver to fulfill his duties under the Order. The determination on whether such action is necessary rests solely with the Court pursuant to paragraph D of the order.

Bargaining Unit 20 Medical Assistants Mandatory Overtime Contract Language

2023-2026 MOU

19.13.20 Overtime Mandatory Scheduling – Excluding CDCR LVNs and CNAs (Unit 20)

- A. The Departments recognize and understand the importance of reducing mandatory overtime to Unit 20 Employees. To this end, the Department will make every effort to schedule staff in a manner that will reduce the need for mandatory overtime. Both parties agree that mandatory overtime is an undesirable method of providing staff coverage.
- B. A current mandatory overtime list shall either be emailed, posted on a bulletin board and/or placed in a location accessible by all Unit 20 staff. The list shall include all staff and date of last mandate. The list shall be updated daily.
- C. There shall be no mandatory overtime on an employee's Regular Day Off (RDO) or pre-approved day off (an employee's RDO begins immediately after completion of the employee's normal shift before the employee's RDO) or pre-approved day off), except:
1. In an emergency situation such as a natural disaster; or
 2. During a state of emergency declared by the State or Federal authorities; or
 3. During an emergency situation declared by a Warden, Superintendent, Executive Director or designee; or
 4. During a severe internal emergency (e.g., an incident which necessitates assistance from an outside agency or a health care crisis); or
 5. When the employees shift relief does not report for work or gave less than two (2) hours' notice of intent not to report for work, an employee may be mandated if no volunteer is available.
- D. Except in cases of emergency, or planned program activity, employees shall not be required to:
1. Work more than three (3) mandatory overtime shifts per month, and implement reductions in accordance with section 19.38 and the Joint Labor Management Task Force; or
 2. Work in excess of sixteen (16) continuously in a forty-eight (48) hour period; or
 3. Work in excess of two (2) mandatory overtime shifts per work week.
- E. It is not the intent to mandate employees to work overtime in classifications other than the employee's own. Consistent with the expressed intent, an employee may only be mandated to work in another classification when all other appropriate and possible staffing efforts have been exhausted and it is operationally necessary. This expressed intent, however, does not preclude employees from volunteering to work overtime in classifications other than the employee's own.
- F. Before an employee is required to work mandatory overtime, a reasonable effort will be made to find an acceptable volunteer within the program where the employee works. Overtime shall first be offered to level-of-care employees for level-of-care overtime assignments before allowing other BU 20 classifications to work overtime.
- G. Upon request of an employee who has been on duty continuously for sixteen (16) hours, the employer shall have the option to:
1. Allow the employee to take the next shift off on vacation, CTO, or holiday credit if staffing permits.
 2. Adjust the employee's shift starting time to provide a ten (10) hour break between shifts.
 3. Allow the employee to take two (2) hours off without pay at the start of the next shift to provide a ten (10) hour break. Management will take into account the employee's preference.
- H. Employees shall not be made to work mandatory overtime on the same holidays in two (2) consecutive years. Holidays are defined as those listed in Article 7.1. I. For the purpose of mandatory overtime rotation, employees who are charged FMLA leave shall be considered to have met the employee's overtime obligation, in accordance with section C 1 above.

J. The department will endeavor to provide employees notice of at least ninety (90) minutes in advance notice of possible or actual mandatory overtime assignments.

K. While on vacation, pre-approved absence, or on full work day absence due to sick leave*, Union leave or State release time, or any other authorized absence from the facility, employees will not be considered for mandatory overtime.

*This includes instances where an employee was unable to complete the employee's regular shift due to illness and had to be released from duty to go home.

Hi Team

I made a mistake when calculating the monthly FTE use of registries by specialty. Please see the correct table below. Also, I am attaching the updated version of excel that has this table in its correct form.

Please let me know if you have any questions.

Best,
Kenny

Monthly Summary of CCHCS FTE by "Specialty" for Management Solutions Contract for Unit 17 and 20 Classifications (FY 2023-24)

Specialty	Fiscal Year 2023					
	July	August	September	October	November	December
Registry - CNA	265.3	289.6	259.7	271.7	239.9	248.4
Registry - LVN	206.9	230.6	213.5	221.6	188.5	199.5
Registry - Medical Assistant	17.3	22.6	21.0	25.8	25.5	33.3
Registry - RN	201.7	222.3	198.1	210.0	173.9	186.0
Total	691.2	765.1	692.3	729.0	627.8	667.2

Specialty	Fiscal Year 2024					
	January	February	March	April	May	June
Registry - CNA	246.8	251.7	271.4	269.0	259.1	254.9
Registry - LVN	184.8	180.2	195.6	191.0	194.2	191.8

Subject: Re: Registry Data

Hi Team

I am attaching the excel sheet that contains the original data and 5 tables I developed that provide top level summaries of the information. The tables should be useable for you to copy and paste as image. See the example below.

I summarized the data by institution, Cost, Hours and FTE and by month. Where applicable I broke out the data by Specialty, which is the equivalent of classifications. If you want me to go deeper, let me know.

As I mentioned below, the cost of this contract is very high, a total of 138 million in one year, with the average FTE costing CCHCS \$199,323. I am sure that this isn't all wages, it probably included administrative overhead (but I am not sure) and these individuals probably don't have pension, taxes and health care cost with this job (still, that is just a guess). When you break out the FTE annual equivalent of 693 positions, by month this represents between 50 to 60 full-time positions across the 33 institutions.

CHCF is the largest user of this contract, with 164.9 (about 24%) of the 693 annual FTEs directed to this institution. But remember that the 164.9 annual FTEs represents an average of 13.7 positions a month across all classifications.

I hope some of this helps provide context in the report and let me know if you have any questions or want something added.

Best,
Kenny

Subject: FW: Registry Data

Good morning, Kenny –

I hope you had a nice weekend my friend. Believe it or not, we received the attached Registry data from Cindie last week with total registry hours per institution and classification from 7/1/23 – 6/30/2024.

Can you kindly review and analyze this data for us when time permits? Anything you can do to break down the data in a more streamlined manner would be great (e.g., pivot table, graph charts, bar charts, etc.).

We look forward to hearing back from you to see what we uncover as this will open the door for our Registry Data section in the MOT Joint Report. Thank you in advance for your assistance sir – have a fantastic day!

Kind regards,
Hakam Jaber

Days of the Week:

Monday - Friday

Weekend Requirements:

None

Benefits:

Yes

Unions:

Yes

Position Status:

Non-Exempt

Weekly Hours:

40

Employee Status:

Regular

This position may regularly work, store, prepare, receive, unpack, transport, dispose of, or administer drug(s) identified as hazardous, or potentially hazardous, by the National Institute for Occupational Safety and Health (NIOSH) for purposes of USP 800.

Sutter Health is an equal opportunity employer
EOE/M/F/Disability/Veterans.

Pay Range is \$38.93 to \$52.26 / hour

The salary range for this role may vary above or below the posted range as determined by location. This range has not been adjusted for any specific geographic differential applicable by area where the position may be filled. Compensation takes into account several factors including but not limited to a candidate's experience, education, skills, licensure and certifications, department equity, training and organizational needs. Base pay is just one piece of the total rewards program offered by Sutter Health. Eligible roles also qualify for a comprehensive benefits package.

Job description

SAN FRANCISCO CIVIL SERVICE

COMMISSION

CLASS TITLE: LICENSED VOCATIONAL NURSE CODE: 2312

CHARACTERISTICS OF THE CLASS:

Under supervision and according to physicians' or registered nurses' instructions, prepares, administers and records ordered medications and injections; obtains patient histories; observes, reports and records physiological and psychosocial signs; takes vital signs; maintains medical records; maintains a safe and clean environment, and performs related duties as required.

DISTINGUISHING FEATURES:

As a member of the health care team, the 2312 Licensed Vocational Nurse performs direct patient care, observes and reports physiological/psychosocial changes in the patient's chart and provides a safe and clean environment. This classification differs from that of the 2302 Orderly in that 2312 Licensed Vocational Nurses are permitted to administer oral medications and intramuscular and subcutaneous injections; they can also administer intravenous injections after proper training and certification. Also,
